**Homosexuality Biblical Interpretation** Willard M. Swartley, 2003-06-06 Grounded in a lifetime of biblical study New Testament scholar Willard M Swartley takes a fresh look at the Scriptures and what they would teach on the current and controversial subject of homosexuality In a spirit of love and generosity Swartley presents all sides of the issue drawing from contemporary scholarship and cultural analysis He concludes with a model for congregational discernment and suggestions for the path forward The Homosexuality Debate in Malawi Hamburu Mawerenga, 2018-06-14 Homosexuality is a cross cutting challenge to Malawian society with theological socio cultural economic legal political and human rights implications This book argues that the solution to the homosexuality debate in Malawi does not lie in either the criminalization or decriminalization of homosexuality neither does it lie in homophobia nor heterophobia However the solution to the homosexuality debate lies in achieving a harmonious co existence of both heterosexuals and homosexuals by practicing mutual tolerance The book concludes by suggesting various activities to be taken by The Government of Malawi Gay Rights Activists Religious Leaders Traditional Leaders and Malawian Society to ensure the aforementioned tolerance and understanding is encouraged The Meaning of Sex Dennis P. Hollinger, 2009-06-01 Our culture is not only sex crazed but also deeply confused about sex and sexual ethics Unfortunately Christians seem equally confused and the church has tended to respond with simplistic answers The reason for this confusion is that the meaning of sex has been largely lost Dennis Hollinger argues that there is indeed a God given meaning to sex This meaning found in the Christian worldview provides a framework for a biblical sexual ethic that adequately addresses the many contemporary moral issues The Meaning of Sex provides a good balance between accessible theology and engaging discussion of the practical issues Christians are facing including premarital sex sex within marriage homosexuality reproductive technologies and faithful living in a sex obsessed world *Homosexuality and Religion* Jeffrey S. Siker, 2006-11-30 Few issues today cause more public and private debate than the interaction of homosexuality and religion From the question of gay marriage to the place of gays and lesbians within faith communities religious leaders and lay members must deal with these issues for now and for years to come What is the historical position of the major denominations How are people of faith balancing their beliefs This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay lesbian bisexual and transgendered persons within their communities This is the most comprehensive volume to date on the intersections between religion and homosexuality Open Wide the Gates Brian D. Cunningham, 2023-10-13 The culture wars show no sign of abating Same sex sexuality continues to be one of the most brutal and bloody fronts in those wars and Christians the fiercest combatants Friendships families churches and denominations continue to draw their lines in the sand split and go their separate ways Meanwhile the lives of many young and old are deeply scarred and some even lost in the crossfire It doesn't have to be that way Challenging the arguments that perpetuate that conflict Open Wide the Gates presents a carefully

developed biblical theological and ethical argument for the welcome affirmation and inclusion of gays and lesbians in the life and ministry of the local church Its irenic tone and clearly articulated presentation provides pastors denominational leaders and concerned laypeople with a reliable guide for navigating these often turbulent waters In this comprehensive study Brian D Cunningham points to a path forward a path for following Jesus in the twenty first century characterized by grace love and hope a path that demonstrates the radical presence of God s kingdom here on earth for all people regardless of their sexual orientation

**A War of Loves** David Bennett, 2018-11-13 At 14 David Bennett came out to his parents. At 19 he encountered Jesus Christ. At that moment his life changed forever. As a young gay man David Bennett saw Christianity as an enemy to freedom for LGBTQI people and his early experiences with prejudice and homophobia led him to become a gay activist. But when Jesus came into his life in a highly unexpected way he was led down a path he never would have predicted or imagined. In *A War of Loves* David recounts his dramatic story from his early years exploring new age religions and French existentialism to his university experiences as an activist. Following supernatural encounters with God he embarked on a journey not only of seeking to reconcile his faith and sexuality but also of discovering the higher call of Jesus Christ. *A War of Loves* investigates what the Bible teaches about sexuality and demonstrates the profligate unqualified grace of God for all people. David describes the joy and intimacy he found in following Jesus Christ and how love has taken on a radically new and far richer meaning for him.

*No Strings Attached* Rachel Nafziger Hartzler, 2013-04-30 *No Strings Attached* is the story of a Mennonite congregation in Indiana that existed for eighty six years. The congregation began during the social and religious turmoil of the 1920s when some Mennonites in North America held to rigid doctrines and ethics implemented by central authority and others operated with a congregational polity and became more assimilated into secular culture. The struggle between these two different understandings of faithfulness was most passionately played out in northern Indiana. Placing the narrative of this congregation within the context of 500 years of Mennonite history illustrates the grace and the tension that has both beset and empowered a unique group of people who began as radical reformers. Although *No Strings Attached* refers to the women's headwear during the 1920s which had no strings it could also be the story of the pastor eating lunch on the peak of the steep roof of the church building. Reflecting on stories of these Mennonite people is an invitation to move into the future with courageous hope. Believing and behaving differently has not prevented Middlebury Mennonites from treating each other respectfully living in a community of love joy and peace and offering God's healing and hope to each other and to the world.

from their arrival in Canada to the last decade *In Search of Promised Lands* also considers how various Mennonite groups have adapted to or resisted evangelical fundamentalism and mainline Protestantism and it identifies the nineteenth and twentieth century shifts toward personal salvation and away from submission to the church community Volume 48 in the *Studies in Anabaptist and Mennonite History* series Find out more about Ontario Mennonite and Amish history at the author's blog *International Review Of Biblical Studies 2003-2004* Bernhard Lang, 2005-01-01 Formerly known by its subtitle *Internationale Zeitschriftenschau für Bibelwissenschaft und Grenzgebiete* the *International Review of Biblical Studies* has served the scholarly community ever since its inception in the early 1950s Each annual volume includes approximately 2 000 abstracts and summaries of articles and books that deal with the Bible and related literature including the Dead Sea Scrolls Pseudepigrapha Non canonical gospels and ancient Near Eastern writings The abstracts which may be in English German or French are arranged thematically under headings such as e g Genesis Matthew Greek language text and textual criticism exegetical methods and approaches biblical theology social and religious institutions biblical personalities history of Israel and early Judaism and so on The articles and books that are abstracted and reviewed are collected annually by an international team of collaborators from over 300 of the most important periodicals and book series in the fields covered
