Holland to recast important aspects of the campaign reappraising the reputation of Mark Clark himself and other senior commanders of the U S Fifth and British Eighth armies Given the shortage of Allied shipping and materiel allocated to Italy because of the build up for D Day more was expected of Allied troops in Italy than anywhere else and as accounts at the time attest a huge price was paid by everyone for each bloodily contested mile Putting readers vividly in the moment as events unfolded with characters made unforgettable by their own words *The Savage Storm* is a defining account of the pivotal months leading to Monte Cassino and a landmark in the writing about war **The Tommy of the First World War** Neil R.
