## **Holy Clues The Gospel According To Sherlock Holmes:**

**Holy Clues** Stephen Kendrick, 2007-12-18 If God is the greatest mystery of them all then why not in pursuit of God consult the greatest detective of them all In this imaginative and surprisingly profound book Stephen Kendrick reveals Sherlock Holmes as spiritual guide Drawing on the teachings of Christianity Buddhism and Judaism as well as a host of thinkers as varied as Albert Einstein Gandhi and Vincent van Gogh Kendrick explores the stories of Sherlock Holmes and finds remarkably prescient religious insights He shows us the link between careful observation of clues and the Buddhist concept of Bare Attention He illuminates the parallel between the great sleuth's pursuit of justice and God's actions on the scene of the first murder when Cain slew Abel And in the detective's open engaged mind Kendrick finds a model for uniting the principles of science with a sincere spiritual quest The result is a book of inspiration for the modern skeptical searcher and an entertaining work that sheds new light on the methods of the world's greatest detective *The Critical Reception of Sir Arthur Conan Doyle* Laurence W. Mazzeno, 2023 Examines both academic and popular assessments of Conan Doyle's work giving pride of place to the Holmes stories and their adaptations and also attending to the wide range of his published work Twenty first century readers television viewers and moviegoers know Arthur Conan Doyle as the creator of Sherlock Holmes the world's most recognizable fictional detective Holmes's enduring popularity has kept Conan Doyle in the public eye However Holmes has taken on a life of his own generating a steady stream of critical commentary while Conan Doyle's other works are slighted or ignored Yet the Holmes stories make up only a small portion of Conan Doyle's published work which includes mainstream and historical fiction history drama medical spiritualist and political tracts and even essays on photography When Doyle published whatever the subject his contemporaries took note Yet outside of the fiction featuring Sherlock Holmes until recently relatively little has been done to analyze the reception Conan Doyle's work received during his lifetime and since his death This book examines both academic and popular assessments of Conan Doyle's work giving pride of place to the Holmes stories and their many adaptations for print visual and online media but attending to his other contributions to turn of the twentieth century culture as well The availability of periodicals and newspapers online makes it possible to develop an assessment of Conan Doyle's and Sherlock Holmes's reputation among a wider readership and viewership thus allowing for development of a broader and more accurate portrait of Doyle's place in literary and cultural history **Sherlock Holmes and Philosophy** Josef Steiff, 2011-10-11 This entertaining collection of essays shows that Sherlock Holmes sees things others don't He sees the world in a different way and by so doing allows us to see that same world and human behavior in different ways as well Oh sure there have been countless detectives who have followed in his footsteps and who seem to rival his abilities Just turn on the TV or browse the local bookshop and you'll find idiosyncratic super sleuths using forensics and reasoning to solve a whole host of crimes and misdeeds And yet no one rivals our dear dear Holmes Why does Sherlock reign even more than a century later as king Can this mystery be solved Unable to reach either

Holmes or Watson or Doyle for that matter though we've tried every medium we can think of we've been forced to gather our own team of investigators to practice their powers of observation and perception to apply their own reasoning and methodologies to the task at hand The results I fear have led us to a number of cases that must be solved first Is Holmes simply eccentric or a sociopath Is he human or something from the holodeck Is he as dangerous on the page as he is in person Wait does he even exist For that matter do you I fear several investigators have been forced to take a much needed holiday after wrestling with that one What is the source of his faculty of observation and facility for deduction Systematic training as Watson surmises Genetic Or is he just really lucky And is this whole logic thing compatible with emotions Are Holmes and Watson good friends or soul mates Just what is the nature of friendship Do they complete each other or just get on each other's nerves And why all the secrecy Disguises Deceptions The plot thickens What is the essence of consciousness Is the observable world subject to our intentions Why does Holmes debunk mysticism when Doyle so readily embraces it Why is Holmes our favorite drug user Our notebooks are filled with clues and dare I say answers Is there more than one way to define the concept justice Is hope necessary in the world Is boredom Play Can any thing really be understood Objectively And just what is the last unresolved mystery involving Sherlock Holmes The game that's afoot isn't just the thing being pursued but the fun to be had as well

The Living Church ,1945      **The Groaning Shelf** Pradeep Sebastian,2012-03-12 Notes from a bibliophile on the lure of rare and first editions the beauty of dust jackets the thrill of browsing in antiquarian bookshops the bibliomania of book thieves movies about books and the inner life of a reader The Groaning Shelf is not so much a book about books as a book about books about books These little essays capture the drama of bookish obsession the joys and snares of the bookish life and the pleasures of bibliophily

**Unacknowledged Legislation** Christopher Hitchens,2002 Hitchens provides rich evidence that his own sallies as a political journalist are nourished by a close engagement with a broad sweep of novelists

How Sherlock Pulled the Trick Brian McCuskey,2021-06-01 A masterful combination of literary study and author biography How Sherlock Pulled the Trick guides us through the parallel careers of two inseparable men Sherlock Holmes and his creator Sir Arthur Conan Doyle Reconsidering Holmes in light of Doyle's well known belief in Victorian spiritualism Brian McCuskey argues that the so called scientific detective follows the same circular logic along the same trail of questionable evidence that led Doyle to the scene room Holmes's first case A Study in Scarlet was published in 1887 when natural scientists and religious apologists were hotly debating their differences in the London press In this environment Doyle became convinced that spiritualism as a universal faith based on material evidence resolved the conflict between science and religion The character of Holmes with his infallible logic was Doyle's good faith solution to the cultural conflicts of his day Yet this solution has evolved into a new problem Sherlock Holmes now authorizes the pseudoscience that corrupts our public sphere defying logic revising history and promoting conspiracy theories As this book demonstrates wearing a deerstalker does not make you a mastermind more likely it marks you as a crackpot Fascinating and

highly readable How Sherlock Pulled the Trick returns the iconic Holmes to his mystical origins      **A Study Guide for Sir Arthur Conan Doyle's "The Hound of the Baskervilles"** Gale, Cengage Learning,2016-06-29 A Study Guide for Sir Arthur Conan Doyle s The Hound of the Baskervilles excerpted from Gale s acclaimed Novels for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs      **The Great Detective** Zach Dundas,2015 A journalist and lifelong Sherlock Holmes fan explores Arthur Conan Doyle s original tales to reveal how they laid the groundwork for a myth of seemingly infinite variety in literary and screen adaptations      **The World's Finest Mystery and Crime Stories** Doug Allyn,Lawrence Block,Jeffery Deaver,2000-09-30 In the tradition of The Year s Best Fantasy and Horror and The Year s Best Science Fiction The World s Finest Crime and Mystery Stories First Annual Edition finally fills the void for those with a hunger for the best mystery and suspense stories of the past year Including such bestselling authors as Jeffrey Deaver Elizabeth George Faye Kellerman Jonathan Kellerman Ed McBain Anne Perry and Ruth Rendell plus many many others this volume will positively blow the competition away For unlike the other various mystery anthologies The World s Finest Crime and Mystery Stories collects stories from writers around the globe including Britain s Silver Dagger short fiction award winners It will also be almost twice as big weighing in at more than 200 000 words and will arrive two months before the competition This comprehensive anthology promises to be the definitive annual collection of the very best mystery and suspense stories the world over At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied      **God and the Great Detective** Nathanael T. Booth,2023-10-16 The problem of human evil is never far beneath the surface of mystery fiction This was particularly true in the wake of the horrific events of World War II One figure who set out to investigate this crisis was Ellery Queen This book provides a much needed intervention in the study of detective fiction by giving sustained attention to Ellery Queen as well as suggesting possible directions for broader discussions of the genre After the war Queen mounted an inquiry into the state of masculinity and of the world in the wake of unimaginable horrors represented by the death camps and the atomic bomb During his investigation Ellery rummaged through the ruins of culture invoking and evoking figures such as Walt Whitman Henry David Thoreau and naturally Edgar Allan Poe Ultimately this quest brought him up against an unexpected foe God himself This book examines the ways Queen pushes against the boundaries of what was and in some circles still is considered possible or desirable in the genre      Night Watch Stephen Kendrick,2006-11-07 In this brilliantly crafted pastiche Stephen Kendrick brings Sherlock Holmes and Father Brown together in an unprecedented collaboration on a singularly shocking murder case It is Christmas Day 1902 and a priest s mutilated body has been found in a London church that is hosting a secret interfaith meeting to discuss the possibility of a Parliament of World Religions A summons from the Prime Minister plunges Holmes into a case with international political and ecclesiastical complications Untrampled snow surrounding the church suggests that the

murderer remains within and that he is presumably one of the leaders of the world's great faiths Throughout the night as more deaths are discovered Holmes and Dr Watson follow one false lead after another But with his legendary astuteness Holmes manages to wrap the case up in less than twenty four hours or so it seems Two weeks later Father Brown the meek young priest translator pays a call at Baker Street to reveal a few loose ends The intersection of religion and politics faith and sin enmity and forgiveness these themes are subtly interwoven into this fast paced mystery that is filled with classic intrigue

*M U S I N G* S.T.R. HANEY,2009-12-10 He has also published Novels especially The Father Mike Series The Priest and the Prostitutes The Priest and the Assassin The Priest and the Terrorists *One Minute Meditations* Rev. T. Ronald Haney,2006-05-26 We live in a speed driven compulsive obsessive world Time seems to evaporate In such a world its refreshing to be able to take a minute out of our busy ness to meditate on what is essential in life These brief meditations will offer the reader the experience of Jesus in the ordinary dynamisms of everyday life Even when Jesus is not explicitly mentioned in a given meditation he is the Word who pervades all human words Each meditation is an attempt to reflect Jesus dream for us to become all God wants us to be to experience the beauty the mystery the challenge of Jesus in days that blur into days *God Within You* Father T. Ronald Haney,2005-08-05 Do you have trouble praying Do you get easily disconcerted Aggravated Depressed Stressed Anxious Do you have low self esteem Lack a sense of self worth and self acceptance Do you feel socially inadequate Are you having problems loving and being loved Do you feel disillusioned in your marriage Lonely in your single life Are you bored with the routine of your daily living and relating With stories both inspirational and humorous references to Scripture movies novels TV programs as well as to religious leaders and the works of spiritual writers the author draws you into the intimacy of the life of the Trinity dwelling within you and you within the Indwelling Trinity In this dynamism the world of mystical experience opens up to you and lures you in **Ghost-Seers, Detectives, and Spiritualists** Srdjan Smajić,2010-04-29 This book is a study of the narrative techniques that developed for two very popular forms of fiction in the nineteenth century ghost stories and detective stories and the surprising similarities between them in the context of contemporary theories of vision and sight Srdjan Smajić argues that to understand how writers represented ghost seers and detectives the views of contemporary scientists philosophers and spiritualists with which these writers engage have to be taken into account these views raise questions such as whether seeing really is believing how much of what we see is actually only inferred and whether there may be other intuitive or spiritual ways of seeing that enable us to perceive objects and beings inaccessible to the bodily senses This book will make a real contribution to the understanding of Victorian science in culture and of the ways in which literature draws on all kinds of knowledge *Detecting Detection* Peter Baker,Deborah Shaller,2012-06-14 Examines how modern fiction writers use the detective plot to enrich and complicate their narratives **Sarah's Long Walk** Stephen Kendrick,Paul Kendrick,2004 The never before told story of the African American child who started the fight for desegregation in America's public schools In 1847 on windswept Beacon Hill

in Boston a five year old girl named Sarah Roberts was forced to walk past five white schools to attend the poor and densely crowded black school Incensed that his daughter had been turned away at each white school her father Benjamin sued the city of Boston on her behalf He turned to twenty four year old Robert Morris the first black attorney ever to win a jury case in America Together with young Brahmin lawyer Charles Sumner this legal team forged a powerful argument against school desegregation that has reverberated down through American history in a direct legal line to Brown v Board of Education When the Massachusetts Supreme Judicial Court ruled against Sarah Roberts Chief Justice Shaw created the concept of separate but equal an idea that affected every aspect of American life until it was overturned one hundred years later by Thurgood Marshall Today few have heard of the Roberts case or of the three thousand free blacks in Boston who fought valiantly and successfully long before the civil rights movement of the 1960s to integrate schools theaters and railway cars to legalize interracial marriage and to form the first black army regiment Now Stephen Kendrick and Paul Kendrick tell the inspiring story of the remarkable activist community of which Sarah and her family were a part bringing to light the human side of this crucial struggle Sarah s Long Walk recovers stories of black and white Boston of Beacon Hill in the nineteenth century and of all the concerned citizens both white and black who participated in the early struggles for equal rights The result is a rich historical tapestry a fascinating story of the courage and conviction of ordinary people who achieved extraordinary things

*John Warwick Montgomery's Legal Apologetic* Ross Clifford,2016-01-22 Dr Montgomery is one of our leading Christian apologists His writings have influenced several generations of apologists from around the globe His debates are legendary This book purports to break new ground apologetically as it assesses Dr Montgomery s work It focuses on his legal historical apologetic and in the process reframes it for both for the tough minded and the tender hearted It shows not only the rationality of Montgomery s work but also that his writings pave the way for an apologetic to New Age followers and to those who place experience before reason A special feature of this analysis concerns Montgomery s apologetic insights on the occult and paganism This book also breaks new ground as the legal apologetic model has not been previously assessed it illustrates that a juridical apologetic style has a rich history dating back to the Gospels themselves The present work should thus be of particular interest to apologists theologians philosophers of religion pastors and all who are concerned to share the legal historical fact of the Resurrection of Jesus together with its relevance in a secular age

Douglass and Lincoln Paul Kendrick,Stephen Kendrick,2008-01-01 Describes how two towering figures of the nineteenth century Abraham Lincoln and Frederick Douglass set the groundwork in three historic meetings to abolish slavery in the United States despite their differing perspectives on the war and the institution of slavery
