**Home and Away** John Marsden, Matt Ottley, 2008 Mum is a rehab counselor for people with alcohol problems Grandma Raynor lives next door Dad is a driver for Elgas Then there s me fifteen into a lot of different stuff Music surfing animals tennis swimming computer games And my sister Claire and brother Toby We re a typical Australian family Barbeques footy gardening school Holden Commodores Then one day things change April 26 Dad burns the toast yells at Toby thanks me for cleaning the cab of the truck kisses Mum and Toby then he s gone April 27 the war starts May 21 the city s in ruins blackouts nearly all the time food is hard to find September 13 Dad s heard news of a boat We might get out of here yet September 28 it is just after dawn A boat from their Navy has found us We waved and cried and cheered But then slowly we realised they were shouting at us telling us to go away September 30 we are in a huge prison with razor wire all around us The government says there s no room for us The Prime Minister says that if they let us out into the community it ll just encourage other illegal immigrants The Deputy Prime Minister says we re not genuine refugees The Minister for Immigration says we should have gone through the proper procedures and applied to come here the prescribed way Apparently there was a queue or a waiting list or something and we were meant to find an Immigration Office and put our names down to be considered I guess they re right I feel terrible about the trouble we ve caused them

## **Challenging and Controversial Picturebooks**

Janet Evans, 2015-06-05 It is often assumed that picturebooks are for very young readers because of their emphasis on the illustrations and their scarcity of text however there are increasing numbers of picturebooks where the age of the implied reader is questionable These are picturebooks whose controversial subject matter and unconventional often unsettling style of illustration challenge the reader pushing them to question and probe deeper to understand what the book is about In addition to the book challenging the reader the reader often challenges the book in an attempt to understand what is being said These increasingly popular picturebooks work on many different levels they are truly polysemic and worthy of in depth analysis They push the reader to ask questions and in many instances are intrinsically philosophical often dealing with fundamental life issues Challenging and Controversial Picturebooks examines these unconventional non conformist picturebooks considering what they are their audience and their purpose It also considers Children s and adults thoughts on these kinds of picturebooks How challenging and unsettling wordless picturebooks can play with the mind and promote philosophical thought What creates non conformity and strangeness is it the illustrations and their style the subject matter or a combination of both Why certain countries create promote and accept these picturebooks more than others Why certain picturebooks are censored and what factors are in play when these decisions are made The role of publishers in translating and publishing these picturebooks Children s creative and critical responses to strange unsettling and often disturbing visual texts This inspiring and thought provoking volume explores the work of a number of highly respected international picturebook experts and includes an exclusive interview with the legendary Klaus Flugge Managing Director of Andersen

Press one of the few remaining independent children's book publishers in England It is an indispensable reference for all interested in or working with picturebooks including researchers students in higher and teacher education English advisors inspectors literacy consultants and classroom teachers      Rethinking Displacement: Asia Pacific Perspectives Kuntala Lahiri-Dutt, 2016-04-08 This book responds to the need to explore the multitude of interconnected factors causing displacements that compel people to move within their homelands or traverse various borders in the contemporary world that is characterised by extensive and rapid movements of people It addresses this need by bringing together historical and contemporary accounts and critical examinations of the displaced by articulating the commonalities in their lived experiences It accomplishes the task of charting a new path in displacement studies by offering a number of studies from interdisciplinary and diverse methodological approaches comprising ethnographic and qualitative research and literary interpretations to emphasise that although the forms and conditions of mobility are highly divergent individual experiences of displacement and placelessness offer a critical challenge to the artificial categorisations of people's movements Each chapter adds insights into the different configurations of displacement and placement and offers fresh interpretations of migration and dislocation in today's rapidly changing world The contributors critically examine a variety of displacement processes and experiences in the context of war tourism neoliberal policies of development and the impact of various agro forestry policies They focus on a range of countries enabling a thorough comparative analysis in terms of scope and range of examples and methods of analysis This book makes an original contribution to the growing body of literature on displacement and will appeal to a wide readership including advanced undergraduates and graduate students and professors in disciplines such as human geography development studies sociology and anthropology regional studies and comparative impact assessment      Drama in Education Ása Helga Ragnarsdóttir, Hákon Sæberg Björnsson, 2019-11-22 As schools have become more aware of their role in addressing personal and social issues the importance of values and attitudes have begun shaping education and curricula worldwide Drama in Education explores the six fundamental pillars of the national curriculum guide of Iceland in relation to these changing values and attitudes Focusing on the importance of human relations this book explores literacy sustainability health and welfare democracy and human rights equality and creativity It demonstrates the capability of drama as a teaching strategy for effectively working towards these fundamental pillars and reflects on how drama in education can be used to empower children to become healthy creative individuals and active members in a democratic society Offering research based examples of using drama successfully in different educational contexts and considering practical challenges within the classroom Drama in Education Exploring Key Research Concepts and Effective Strategies is an essential guide for any modern drama teacher      *John Marsden's Will* Emmeline Garnett, 1998-01-01 John Marsden was a mentally retarded Lancashire gentleman looked after by his aunt When he died his estate passed to George Wright a servant who was given stewardship of the estate This book looks at the legal wrangle which followed      **Raising Readers** Megan Daley, 2019-04-02
