when Irish immigrant Martin Murphy Jr allowed a new railroad to pass through his land By linking San Jose's farms to San Francisco's docks he did more than help overcome the muddy misery of travel on the El Camino Real The whistle stop first known as Encinal quickly grew into a center for agriculture followed by defense novel suburban development and high technology Sunnyvale is a place where names like Del Monte Hewlett Packard Atari and Yahoo have each carried their day Yet the city's relentless drive forward has made a sense of identity elusive The downtown core has been rebuilt numerous times without much success and examples abound of historic structures torn down for something new But lately the town has gotten its groove back The restored city center now draws a crowd and thanks to a 50 year effort the rebuilt Murphy house shimmers in the sun once again
