Home Tonight Further Reflections On The Parable Of The Prodigal Son:

Home Tonight Henri J. M. Nouwen, 2009-03-24 Home Tonight follows the path of Henri Nouwen's spiritual homecoming. More than three years prior to writing his great classic *The Return of the Prodigal Son*, Nouwen suffered a personal breakdown followed by a time of healing solitude when he encountered Rembrandt's famous painting *Within his solitude*. He reflected on and identified with the parable's characters and experienced profound and inspiring life lessons. This captivating book was created from never before published materials that formed the basis of the small workshop inspired by Nouwen's intimate encounter with Rembrandt's painting. Readers are led to welcome their unique Belovedness through practices of spiritual listening, journaling, and communing with God, thus connecting personally with the unique unconditional love of the One who created them. Home Tonight is a practical guide for the inner journey home. *Henri Nouwen and The Return of the Prodigal Son* Gabrielle Earnshaw, 2020-05-12 The Return of the Prodigal Son: A Story of Homecoming is Henri Nouwen's most popular book, selling over one million copies since its publication in 1992. What accounts for its ongoing popularity as a spiritual classic? Drawing from extensive research in Nouwen's archives, author and Chief Archivist for the Henri Nouwen Legacy Trust, Gabrielle Earnshaw, provides a detailed account of how the book came to be written, shedding light on Nouwen's writing process and aspects of his life experience that influenced his insights and ideas. Earnshaw examines Nouwen's intellectual formation as well as the impact of his family and friends on the shape of the book. Letters many published here for the first time give us a privileged look at Henri's world during the nine years he took to complete the book. Earnshaw considers how it compares to other books published at the same time to place the work and its author in a historical, cultural, and religious/spiritual context. Finally, she explores how Nouwen himself was changed by the book and why twenty-three years later it continues to touch the hearts and minds of 21st-century readers. **From Fear To Love - Lenten Reflections on the Parable of the Prodigal Son** Henri J.
