The Power of the Cross Larry Stockstill,2006-06 *Sacred Images and Sacred Power in Byzantium* Gary Vikan,2024-10-28 In these studies Gary Vikan has opened new perspectives on the daily life and material culture of Late Antiquity more specifically on icons and relics and on objects revealing of the world of pilgrimage the early cult of saints and marriage He contextualizes these familiar categories of object in the patterns of belief and ritual extracted from contemporary texts and the objects themselves in order to understand their meaning within the everyday lives of those by whom and for whom they were made The studies give a nuanced delineation of the inherently ambiguous boundary between conventional religion and magic noting repeatedly those instances wherein the two are invoked in the same breath and by way of the same art object toward the same end From this historically constructed matrix of art belief and ritual the author derives an anthropologically defined paradigm of charisma and pilgrimage applied in one essay as an intriguing parallel to deconstructing the world of a contemporary secular saint Elvis Presley **The Power of the Blood of the Cross** Andrew Murray,2003-01-01 Andrew Murray wrote I am deeply convinced that we Christians can never know too much about the truths which the blood proclaims This combined edition contains 20 discourses on this vital subject They were previously published as two books *The Power of the Blood of Jesus* and *The Blood of The Cross* *Embrace Eternal: Love and Darkness*

2 Valentine Liang,2024-07-10 **Walter the Chancellor's The Antiochene Wars** Susan B. Edgington,2022-02-16 Walter the Chancellor s vivid first hand account of the wars between the Muslims and the principality of Antioch in the early 12th century describes a less well known period in the history of the Crusades and provides a useful counterpart to the usual focus on Jerusalem It is here presented for the first time in English along with a selection of comparative sources and an important introduction assessing the work s place in the historiography of the Crusader states and analysing the military campaigns it details As a highly placed Antiochene official Walter was able to write the most authoritative account of the principality s fortunes and internal workings and his book also sheds light on the relationship between Latin settlement in the Levant and contemporary Western perceptions of Islam and Eastern Christianity *The First Sabbath at Gerrard's Cross, and Other Memorials Connected with the New Church of St. James Erected by Two Sisters in Memory of a Beloved Brother* William

Bramley-Moore,1859 *The First Letter of Paul to the Corinthians* William Flewelling,2017-10-24 The Bible studies I chose to do came about in answer to the request from my first congregation out of seminary I consistently sought to present a serious somewhat scholarly approach to the interest among my parishioners I would take a book in the Bible to study assume it was written or edited to be read from the beginning and make sense to the reader in that format I attempted to discover for myself and my group what the book sought to convey In this volume the study of 1 Corinthians 198283 followed that pattern exactly **The Blood Of The Cross** Andrew Murray,1981-08-01 We can never know too much about the truths that the blood of Christ proclaims Andrew Murray through his truly inspirational walk with God has lifted the veil on much of the mystery of Christ s blood and its precious source of life He shares the tremendous power that Christ s blood has for each of us if we accept it as our rightful inheritance and rely upon it to protect and enable us to accomplish our purposes in God

Word, Image and Experience Giselle de Nie,2023-07-07 Focusing on the works of bishop Gregory of Tours 539 594 and the poet hagiographer Venantius Fortunatus 540 c 604 in later life bishop of Poitiers Dr de Nie gives in these innovative studies a new understanding of the miracle stories around which much of their writing revolves but whose bizarre dynamics appear to defy sense which has often resulted in their dismissal as useless to the historian These authors perceptions of miracles and their renderings of the human self awareness through which miracles are perceived and happen are analysed as attempts mostly rooted in models from the Bible to adjust the early Christian tradition so as to make sense of and protect themselves in the highly insecure environment of 6th century Frankish Gaul Drawing on modern anthropological and psychological studies notably in the area of spiritual healing practices as well as on philosophical and theological reflections about verbal and mental imagery she demonstrates how these can be used to throw fresh light on late antique society and its spirituality exploring views of mind affectivity body sensory phenomena symbols and the perception of women as well as of the qualities of images verbal language and texts The volume includes five essays not previously published in English *The Royal Cross* ,1916 **The Curse of Ulrica: Or, The White Cross Knights of Riddarholmen. Corinthian Church Cletus L. Hull III,2018-10-18 The cross of Christ crucified symbolized the central theme of Paul s ministry In his letter to the Corinthians the apostle commenced his correspondence with the message about the cross and power of God 1 Cor 1 18 NRSV The proposal for this paper utilizes the method analogia scripturae Set within the wisdom motif of the Greco Roman world this study is dedicated to the examination of the apostle s Christology in the context of 1 Cor

1 18 25 and the pneumatology in 1 Cor 2 9 16 as both pericopes are juxtaposed in his epistle Essentially the thesis concerns the grounding of the pneumatology of Paul with his Christology in 1 Corinthians The Corinthian church required clarification and pastoral wisdom with their pneumatic experiences thus Paul recognized that a strong theology of the cross complemented their encounters with the Spirit The question for biblical studies involves a lively tension of the pneumatology of the Spirit with a robust Christology Because the power of God throughout this passage has the cross as its paradigm the structure of the book leads to the significance of the apostle s pneumatological contribution of the cross and Christ crucified 1 Cor 1 18 2 2 For this reason a strong Christology must ground the pneumatology of the Pauline corpus This study in biblical literature commences a new discussion in ecumenical dialogue between pneumatic experiences in the church and christological issues in Scripture
