On Cussing: Bad Words and Creative Cursing Katherine Dunn,2019-03-26 F uck the Fuckity Fuckin Fucker Readers of Katherine Dunn won t be surprised that this was her father s favorite sentence or that as a young girl she heard it as a kind of profane poem a secret song For many of us the language of Geek Love carries a similar staying power born of Dunn s agile use of language and her strange beautiful diction And as a true exegete of the expletive she remained undividedly devoted to obscenity both as scholar and practitioner In On Cussing Dunn sketches a brief history of swear words and creates something of a field guide to their types and usages from the common threat I ll squash you like a shithouse mouse to the portmanteau

intensifier Fan fucking tastic But she also explores their physiology the physical impact on the reader or listener and makes an argument for how and when to cuss with maximum effect Equal parts informative and hilarious this volume will delight Dunn s legion of fans but it s also a must have for anyone looking to more successfully wield their expletives be it in writing or in everyday speech

Dude Lit Emily Hind,2019-05-28 How did men become the stars of the Mexican intellectual scene Dude Lit examines the tricks of the trade and reveals that sometimes literary genius rests on privileges that men extend one another and that women permit The makings of the best writers have to do with superficial aspects like conformist wardrobes and unsmiling expressions and more complex techniques such as friendship networks prizewinners who become judges dropouts who become teachers and the key tactic of being allowed to shift roles from rule maker the civilizado to rule breaker the barbaro Certain writing habits also predict success with the high and hard category reserved for men s writing and even film directing In both film and literature critically respected artwork by men tends to rely on obscenity interpreted as originality negative topics viewed as serious and coolly inarticulate narratives about bullying understood as maximum literary achievement To build the case regarding rebellion as conformity Dude Lit contemplates a wide set of examples while always returning to three figures each born some two decades apart from the immediate predecessor Juan Rufo with Pedro Páramo Jos Emilio Pacheco with *Las batallas en el desierto* and Guillermo Fadanelli with *Mis mujeres muertas* as well as the range of his publications Why do we believe Mexican men are competent performers of the role of intellectual Dude Lit answers this question through a creative intersection of sources Drawing on interviews archival materials and critical readings this provocative book changes the conversation on literature and gendered performance
