## **SMALL GROUP STUDY OF THE HOLY SPIRIT**

Led by Glenn Pease

### **INTRODUCTION**

**JACK HYLES**, "One of the most grievous things that one can endure is to be ignored. How grieved then, must the Holy Spirit be, for to be ignored has been His lot for these many centuries! He, Who is the Indweller of the believer, the Anointer of the anointed, the Power of the pulpit and the Fullness of power for the believer, continues to go about His work with little or no acknowledgment or attention. Few sermons are preached about Him, fewer books are written of Him; yet He quietly continues to offer us leadership, comfort, wisdom, strength, teaching and power.

He must be a wonderful Person to go about His work among us with little or no recognition.

### **PARADOX**

"Of the Three Persons of the God head, the Holy Spirit is the least understood. It is ironic that the Person who is closest to us, the Being who produces the new birth in us, who dwells in us and transforms us, is the One we know so little about."

**ANOTHER** WROTE, "'The Holy Spirit is The Most Ignored Person In The Christian Church Today.

Since the beginning of time, The Holy Spirit has suffered the most rejections. If you are feeling rejected or depressed right now, talk to Him, He can help you.

He absolutely knows how it feels to be ignored and given the cold shoulder which so many christians give.

**ANOTHER**, "I've heard other leaders say that as evangelical Christians we typically treat the Holy Spirit as that weird uncle or cousin of the family. We know He exists, and we know that

*Foundations of our Faith* B. Lightsey,2019-08-14 I am part of a vast ocean of Christians that view the Word of God through a different set of eyes than those of many pastors professors and church staff members I have interest in the deep theology of scripture and recognize my need to be exposed to and covered by the Word of God similar to that of my called brothers in Christ Yet I want it delivered to me in a simple worker s language Recent translations have strived toward this end and have made headway Yet the finished product is still from scholars that often describe the original transcripts from a theological standpoint rather than a worker s standpoint The Eastern Standard Version ESV published in 2001 was written to carefully weigh accuracy against the original Hebrew Aramaic and Greek scrolls It stands as one of the better accepted of sound English Bible Translations Because of its wide acceptance I have used this translation for my resource I have certainly considered a host of opinions and writings of a host of scholars but my source of authenticity has always been God s Word In writing this book I strongly encourage our religious leaders to go back to the reading writing and arithmetic basics of God s Word Just as I believe we need to get back to the basics in educating our children in school in reading writing and arithmetic we also need to get back to the reading writing and arithmetic basics in educating God s people in church Perhaps such consideration is out of touch with the advanced theology of today As a layman not an ordained or seminary graduate I might be considered a doctrine dummy This book entitled Doctrine for Dummies is written for this vast ocean of people We are not dummy people but we are somewhat hindered in our study by deep theological doctrine This book tries to take us back to reading writing and arithmetic doctrine The Holy Spirit in Christian Education Sylvia Lee,1988 **Morning Musings**
