**Lana Portolano**

## **Homilies For Holy Trinity Sunday 2014:**

**From the Heart Volume 1: Sunday Homilies 2011-2019** Rusty Baldwin, 2019-08-13 A collection of homilies given by Deacon Rusty Baldwin at St Peter Catholic Church and Emmanuel Catholic Church in Dayton Ohio     **The Trouble with the Trinity** Carlos A. Pinkham, 2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God s Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author s Facebook page [https://www.facebook.com/TTWTTrinity/view\\_public\\_for/100820838002256](https://www.facebook.com/TTWTTrinity/view_public_for/100820838002256)

**Balaam's Ass: Vernacular Theology Before the English Reformation** Nicholas Watson, 2022-06-21 For over seven hundred years bodies of writing in vernacular languages served an indispensable role in the religious and intellectual culture of medieval Christian England yet the character and extent of their importance have been insufficiently recognized A longstanding identification of medieval western European Christianity with the Latin language and a lack of awareness about the sheer variety and quantity of vernacular religious writing from the English Middle Ages have hampered our understanding of the period exercising a tenacious hold on much scholarship Bringing together work across a range of disciplines including literary study Christian theology social history and the history of institutions Balaam s Ass attempts the first comprehensive overview of religious writing in early England s three most important vernacular languages Old English Insular French and Middle English between the ninth and sixteenth centuries Nicholas Watson argues not only that these texts comprise the oldest continuous tradition of European vernacular writing

but that they are essential to our understanding of how Christianity shaped and informed the lives of individuals communities and polities in the Middle Ages This first of three volumes lays out the long post Reformation history of the false claim that the medieval Catholic Church was hostile to the vernacular It analyzes the complicated idea of the vernacular a medieval innovation instantiated in a huge body of surviving vernacular religious texts Finally it focuses on the first long generation of these writings in Old English and early Middle English

**Adventures of an Itinerant Imagination** Bernard Brandon Scott,2025-06-25 John Dominic Crossan is the most important scholar on the historical Jesus since David Fredrick Strauss in the nineteenth century Both his scholarly The Historical Jesus The Life of a Mediterranean Jewish Peasant 1991 and the more popular Jesus A Revolutionary Biography 1994 made the bestsellers list But the scope of his work goes well beyond the historical Jesus to studies on the death of Jesus and anti Semitism Christianity and empire archaeology the apostle Paul the Pharisee and recently apocalyptic and the environment He addresses both scholarly and popular audiences ancient sources and contemporary concerns The essays in this volume explore and access the range of his work for his various audiences Some of the essays are scholarly in tone while others are quite personal A feature of this book is Crossan s complete curriculum vitae

**An Invitation to the Spirit-Filled Life** Charles Whitehead,2016-04-01 Charles Whitehead an international leader of the Catholic Charismatic Renewal encourages us to take a fresh look at the person and promise of the Spirit as revealed in the Scriptures and throughout two thousand years of Church teaching and history In clear and simple language Whitehead describes the meaning of the baptism in the Holy Spirit and its relationship to sacramental Baptism and Confirmation He also delineates the gifts most often associated with baptism in the Holy Spirit which he calls the knowing doing and speaking gifts As we continue to walk in the Spirit he says the Lord will reveal his mind and will to us and guide us in all we do

Whole-Life Mission for the Whole Church Mark Greene,Ian J. Shaw,2021-03-17 The sacred secular divide permeates our churches our seminaries and our lives By perpetuating the false belief that there are some areas of life that are not important to God some callings that are second class and some spheres of society that are not worth engaging the sacred secular divide diminishes our understanding of God discipleship missiology and the gospel itself Seeking to liberate the global church from the power of this dichotomy Whole Life Mission for the Whole Church provides theological educators with the tools they need to combat the sacred secular divide in the very realm where it is so often generated the classroom Filled with contributions from practitioners around the world this book contains a wealth of insight into both the nature of the problem and the possibilities for its solution The approaches suggested here are biblically rooted contextually appropriate and experientially tested offering an excellent resource for educators desiring to transform their institutional cultures curriculums and classrooms into environments that envision empower and liberate the whole church for its role in the mission of God

*The Marriage God Wants for You* Cardinal Donald Wuerl,2015-06-01 Most people would agree that marriage today is in crisis What is usually overlooked even by those married in the Church is that God intended marriage to

be a sacrament The Lord wants couples to rely on his promise to be present in their day to day lives and he wants to give them the grace to live out a covenantal love that mirrors the love of the Trinity Rather than simply a defense of marriage this book presents the good news about sacramental marriage Cardinal Donald Wuerl uses his years of pastoral experience and his gift of teaching to give hope and courage to both engaged couples and those married for many years and to anyone thinking about the meaning or vocation of marriage Features short vignettes written by married couples living out their vocation in the good and hard times Useful for marriage preparation or for any Catholic confused about the debates on marriage going on today

**In the Mirror of the Prodigal Son** Pietro Delcorno, 2017-09-25 In the Mirror of the Prodigal Son provides a comprehensive history of the function of the parable of the prodigal son in shaping religious identity in medieval and Reformation Europe By investigating a wealth of primary sources the book reveals the interaction between commentaries sermons religious plays and images as a decisive factor in the increasing popularity of the prodigal son Pietro Delcorno highlights the ingenious and multifaceted uses of the parable within pastoral activities and shows the pervasive presence of the Bible in medieval communication The prodigal son narrative became the ideal story to convey a discourse about sin and penance grace and salvation In this way the parable was established as the paradigmatic biography of any believer

Trinitarian Pneumatological Personhood and the Theology of John Zizioulas Ronald L. Adkins II, 2023-02-28 In a growing secular society what distinguishes a Christian from a non Christian Is a Christian identified by certain religious and ceremonial activity social action principles or do their relationships identify them as Christian This book suggests that a Christian person is in a continual relationship with the Triune God through the Holy Spirit Furthermore this living relationship reflects the eternal relationship of the Father Son and Holy Spirit because people have been created in the image and likeness of the Triune God This book uses historical theological philosophical and biblical approaches to understand the Christian person Throughout this book the reader will be engaged with the modern Greek theologian John Zizioulas However this book is a study on the person of the Holy Spirit though never separated from the trinitarian relationship who makes a human person a Christian

**The Collected Sermons of David Bartlett** David L. Bartlett, 2020-01-21 This collection of fifty two sermons shows beloved New Testament scholar David Bartlett at his best Bartlett who died in 2017 spent his career teaching and mentoring preachers at The University of Chicago Divinity School Yale Divinity School Union Presbyterian Seminary and Columbia Theological Seminary as well as serving as a pastor in American Baptist churches Thus he has generations of friends and former students who knew him for his quick wit passion for justice and deep knowledge of the Bible Those traits show through in these sermons As Nora Tisdale says in the foreword All of the sermons in this volume give witness to Davids passion for preaching that is solidly grounded in the biblical text Most of them actually begin as Karl Barth urged preachers to begin with the biblical text If they dont begin there they always get there fairly quickly And Davids interpretations of texts often surprise the reader with their freshness and clarity In

addition to individual sermons several multiweek sermon series including a series on Who Is Jesus and Great Words of the Faith are included

**Be Opened! The Catholic Church and Deaf Culture** Lana Portolano, 2020-12-09 *Be Opened! The Catholic Church and Deaf Culture* offers readers a people's history of deafness and sign language in the Catholic Church. Paying ample attention to the vocation stories of deaf priests and pastoral workers, Portolano traces the transformation of the Deaf Catholic community from passive recipients of mercy to an active language minority making contributions in today's globally diverse church. Background chapters familiarize readers with early misunderstandings about deaf people in the church and in broader society along with social and religious issues facing deaf people throughout history. A series of connected narratives demonstrate the strong Catholic foundations of deaf education in sign language, including sixteenth-century monastic schools for deaf children and nineteenth-century French education in sign language as a missionary endeavor. The author explains how nineteenth-century schools for deaf children, especially those founded by orders of religious sisters, established small communities of Deaf Catholics around the globe. A series of portraits illustrates the work of pioneering missionaries in several different countries, apostles to the Deaf who helped to establish and develop deaf culture in these communities through adult religious education and the sacraments in sign language. In several chapters focused on the twentieth century, the author describes key events that sparked a modern transformation in Deaf Catholic culture. As linguists began to recognize sign languages as true human languages, deaf people borrowed the practices of Civil Rights activists to gain equality both as citizens and as members of the church. At the same time, deaf people drew inspiration and cultural validation from key documents of Vatican II, and leadership of the Deaf Catholic community began to come from the deaf community rather than to it through missionaries. Many challenges remain, but this book clearly presents Deaf Catholic culture as an important and highly visible embodiment of Catholic heritage.

**Scripting the Son** Kyle R. Hughes, 2024-11-05 In *Scripting the Son*, Kyle R. Hughes analyzes how dialogical texts in the Old Testament presented early Christian exegetes with riddles that were best solved through a person-centered reading strategy known as prosopological exegesis. From the method's roots in the pages of the New Testament through its increasingly careful application in the hands of church fathers such as Justin Irenaeus, Tertullian, and Origen, this book traces how prosopological exegesis contributed to the development of Christology in the pre-Nicene period. By examining the origins and evolution of this approach to biblical interpretation, Hughes demonstrates how the very words of Scripture exerted a pressure for a Trinitarian understanding of God that was rooted in the Old Testament and aligned with the emerging rule of faith, exemplifying the dynamic interplay between biblical interpretation and doctrinal formulation in the early centuries of Christianity.

**Martin Luther on Reading the Bible as Christian Scripture** William M. Marsh, 2017-07-17 Above all else, that the sixteenth-century German Reformer was known for, Martin Luther was a Doctor of the Holy Scriptures. One of the most characteristic features of Luther's approach to Scripture was his resolved christological interpretation of the Bible. Many of the Reformer's interpreters have looked back

upon Luther's Christ-centered exposition of the Scriptures with sentimentality but have often labeled it as Christianization particularly in regards to Luther's approach of the Old Testament dismissing its relevance for today's faithful readers of God's Word. This study revisits this assessment of Luther's christological interpretation of Scripture by way of critical analysis of the Reformer's prefaces to the Bible that he wrote for his translation of the Scriptures into the German vernacular. This work contends that Luther foremost believes Jesus Christ to be the *sensus literalis* of Scripture on the basis of the Bible's messianic promise not enforcing a dogmatic principle onto the scriptural text and its biblical authors that would be otherwise foreign to them. This study asserts that Luther's exegesis of the Bible's letter is his engagement with the biblical text is primarily responsible for his conviction that Christ is Holy Scripture's literal sense. *The History of Experience* Wolfgang Leidhold, 2022-10-14 In a wide arc from the Paleolithic to the present day this book explores the changing structure of human experience and its impact on the dynamics of cultures, civilizations and political ideas. The main thesis is a paradigm shift: the structure of human experience is not a universal constant but changes over time. Looking at the entire range of human history there are a total of nine transformations beginning with conscious perception and imagination in the Paleolithic and ending for the time being in modern times with the discovery of the unconscious. In between this book explores six more transformations that took place in different regions and at different times which include a sense of order, self-reflection, the eye of reason, spiritual experience as well as the experience of creativity and of consciousness. As such *The History of Experience* presents both a cross-cultural and comparative theory of experience and cultural dynamics and an exploration of rich materials from East and West. This book is of great use to upper-level undergraduates, postgraduates and scholars interested in the relationship between history, human experience, culture and political order. *Cultivating the Heart* Ayoush Lazikani, 2015-06-15 Detailed close analysis of early Middle English homiletic, hagiographic guidance and lyrical meditative texts provides readers with an insight into the affective literary strategies of a body of neglected material. Contextualization of English material in Latin and Anglo-Norman provides readers with a deeper knowledge of the multilingual culture of medieval England in the post-Conquest centuries. Substantial commentary on church wall paintings provides readers with a nuanced understanding of the ways in which the affective strategies of visual resources can be mapped onto texts.

**Biblical Criticism in Early Modern Europe** Grantley McDonald, 2016-07-27 Medieval western theologians considered the Johannine comma (1 John 5:7-8) the clearest biblical evidence for the Trinity. When Erasmus failed to find the comma in the Greek manuscripts he used for his New Testament edition, he omitted it. Accused of promoting Antitrinitarian heresy, Erasmus included the comma in his third edition (1522) after seeing it in a Greek codex from England, even though he suspected the manuscript's authenticity. The resulting disputes involving leading theologians, philologists and controversialists such as Luther, Calvin, Sozzini, Milton, Newton, Bentley, Gibbon and Porson touched not simply on philological questions but also on matters of doctrine, morality, social order and toleration. While the spuriousness of the Johannine comma was established by

1900 it has again assumed iconic status in recent attempts to defend biblical inerrancy amongst the Christian Right A social history of the Johannine comma thus provides significant insights into the recent culture wars *Sanctifying Theology* Jacob Lett, Jonathan M. Platter, 2023-10-30 Sanctification is not merely a practical and isolated doctrine but should permeate the whole horizon of theology dogmatics ethics practices as well as the sciences and the arts The essays are collected under the twin convictions that theology can be sanctified and sanctifying The whole of theology is inflected by holiness and so theology should aim to share in God's sanctifying work Sanctifying Theology contributes new possibilities in Wesleyan holiness theology and explores their contribution to various Christian doctrines and contemporary issues Written in honor of the work of Thomas Arthur Noble the essays in this book are attentive to the streams of theology that have most influenced him the fathers the Wesleys and the Torrances Both constructive and exploratory the topic of the essays cover among other things 1 consideration of how Wesleyan holiness theologies contribute to ecumenical theological discussions 2 readings of Wesleyan holiness theology through the lens of the church fathers and the Torrances and 3 explorations of how these conversations and sources might shape contemporary practical and ethical concerns The essays work both for the Wesleyan tradition and from the Wesleyan tradition for the church catholic showing how recent trajectories in Wesleyan holiness theology might contribute to broader discussions God Does His Best Work with Empty Nancy Guthrie, 2020-09-15 It's amazing how heavy the weight of emptiness can feel how much room it can take up in our souls how much pain can be caused by something that isn't even there But while we may see the emptiness of our lives as our greatest problem that's not how God sees it When God looks into the empty places of our lives He sees His greatest opportunity God does His best work in the emptiness of our Insatiable craving for things that don't satisfy Relational disappointments and loneliness Frustrated search for purpose and meaning Relentless desire for comfort and security Ongoing struggle to live with loss and unfulfilled dreams Join Nancy Guthrie in discovering why emptiness has never been and never will be a problem to God As Nancy pulls back the curtain on God's work to fill up emptiness as revealed throughout the Bible you'll experience page after page of grace and hope that your emptiness can and will be filled You'll begin to see that God really does do His best work with empty as he fills it with Himself **NIV, Lifehacks Bible** Zondervan, 2016-06-07 Practical and achievable techniques to build Godly habits and enhance your walk with God A Lifehack describes any advice shortcut tip or skill that will help you get things done more efficiently and effectively The NIV Lifehacks Bible uses lifehacking methods to give you practical and achievable tools to integrate spiritual habits into your busy technology centric 21st century life With 365 articles covering 30 life changing disciplines not only does this Bible illuminate scriptural wisdom on spiritual practices it provides practical tips and strategies for applying them every day Featuring a foreword by author and theologian Kevin DeYoung the NIV Lifehacks Bible is full of common sense articles on foundational topics such as prayer self reflection character formation and fasting as well as advice and helpful tips for building habits around these disciplines Features Complete text of the accurate readable and clear New

International Version NIV 4 Tips for Making Wise Decisions 6 Steps for Interpreting the Bible 7 Questions for Recognizing Intentional Sins 4 Tips for Finding Time to Pray      *The Brightest Mirror of God's Works* Nico Vorster, 2019-03-28 John Calvin's perspectives on the nature, calling and destiny of the human being is scattered all over his extensive corpus of writings. This book attempts to provide an accurate account of the main theological motifs that governed Calvin's doctrine on the human being while keeping in mind variable factors such as the historical development of Calvin's thought, the pastoral and often unsystematic orientation of his theology and the formative impact doctrinal controversies had on his thoughts. The contribution focuses specifically on Calvin's understanding of the created structure of the human being, her sinful nature, the human being's union with Christ, the limits of human reason, the anthropological roots of human society and gender. The primary aim is to make the original Calvin speak. But the contribution also addresses some of the most recent debates on Calvin's theology and identifies those impulses in his theological anthropology that bear potential for modern reflections on human existence. Like most of us, Calvin was a child of his time. However, his intellectual legacy endures and readers may well find his thoughts on the human being surprisingly refreshing and stimulating for modern anthropological and social discourses.

The Top Books of the Year Homilies For Holy Trinity Sunday 2014 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. Homilies For Holy Trinity Sunday 2014 : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Homilies For Holy Trinity Sunday 2014 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papien, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
