## **Homosexuality According To The Bible:**

**What Does the Bible Really Teach about Homosexuality?** Kevin DeYoung, 2015-04-16 In just a few short years massive shifts in public opinion have radically reshaped society's views on homosexuality. Feeling the pressure to forsake long held beliefs about sex and marriage, some argue that Christians have historically misunderstood the Bible's teaching on this issue. But does this approach do justice to what the Bible really teaches about homosexuality? In this timely book, award-winning author Kevin DeYoung challenges each of us—the skeptic, the seeker, the certain, and the confused—to take a humble look at God's Word. Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, DeYoung responds to popular objections raised by Christians and non-Christians alike, offering readers an indispensable resource for thinking through one of the most pressing issues of our day.

Two Views on Homosexuality, the Bible, and the Church Zondervan, 2016-11-29 Unique among most debates on homosexuality, this book presents a constructive dialogue between people who disagree on significant ethical and theological matters and yet maintain a respectful and humanizing posture toward one another. Few topics are more divisive today than homosexuality. *Two Views on Homosexuality, the Bible, and the Church* brings a fresh perspective to a well-worn debate. While Christian debates about homosexuality are most often dominated by biblical exegesis, this book seeks to give much-needed attention to the rich history of received Christian tradition, bringing the Bible into conversation with historical and systematic theology. To that end, both theologians and biblical scholars well-accomplished in their fields and conversant in issues of sexuality and gender articulate and defend each of the two views. Affirming, represented by William Loader and Megan K. DeFranza, Traditional, represented by Wesley Hill and Stephen R. Holmes. The main essays are followed by insightful responses that interact with their fellow essayists with civility. Holding to a high view of Scripture, a commitment to the gospel and the church, and a love for people—especially those most affected by this topic—the contributors wrestle deeply with the Bible and theology, especially the prohibition texts, the role of procreation, gender complementarity, and pastoral accommodation. The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion.

*What does the Bible Really Teach About Homosexuality?* Denmark Hill, 2015-04-17 In just a few short years, massive shifts in public opinion have radically reshaped society's views on homosexuality. Homoeroticism in the Biblical World Martti Nissinen, 2004-02-01 Nissinen's award winning book surveys attitudes in the ancient world toward homoeroticism that is erotic same sex relations Focusing on the Bible and its cultural environment Mesopotamia Greece Rome Israel Nissinen concisely and readably introduces the relevant sources and their historical contexts in a readable way Homoeroticism is examined as a part of gender identity i.e. the interplay of sexual orientation gender identification gender roles and sexual practice In the patriarchal cultures of the biblical world Nissinen shows homoerotic practices were regarded as a role construction between the active and passive partners rather than as expressions of an orientation moderns call homosexuality Nissinen shows how this applies to the limited acceptance of homoerotic relationships in Greek and Roman culture as well as to Israel's and the early church's condemnation of any same sex erotic activity For readers interested in the ancient world or contemporary debates Nissinen's fascinating study shows why the ancient texts both biblical and nonbiblical are not appropriate for use as sources of direct analogy or argument in today's discussion

**Pastoral Care of Gays, Lesbians, and Their Families** David K. Switzer, John Thornburg, 1999 This book written by a pastoral theologian with many years of experience in counseling gay and lesbian individuals and their families assists both pastoral caregivers and congregations in examining and enhancing their pastoral care of homosexuals and their families A deeply thoughtful book written with great sensitivity Pastoral Care of Gays Lesbians and Their Families provides factual information theological and biblical insight and practical counseling skills to help congregations become caring communities for gays and lesbians

**Jesus, the Bible, and Homosexuality** Jack Bartlett Rogers, 2006-01-01 In this sure to be controversial book former seminary professor and church official Jack Rogers argues unequivocally for the ordination of homosexuals and for the extension of full and equal rights in society to all people who are homosexual Christianity he observes has moved through history in the direction of ever greater openness and inclusiveness Today's church is led by many of those who were once cast out people of color women and divorced and remarried people It is inevitable he believes that gay lesbian bisexual and transgender people will one day walk in the same steps as other Christian leaders Rogers an evangelical begins by discussing his own personal change of heart and mind on the issue a change that has moved him into the middle of this controversy in his own church the Presbyterian Church U S A He examines how the church misused the Bible to justify slavery and the denial of rights to women and links these efforts to efforts today to use biblical texts to deny equal rights to gays and lesbians He shows how neither the Bible nor the Confessions are opposed to homosexuality and debunks frequently used fundamentalist stereotypes and myths about gays and lesbians Rogers concludes

with his thoughts on how the church can heal itself and move forward      **Homosexuality and the Bible** Dan Otto Via,2003 In this brief book two New Testament scholars discuss the relevant biblical texts on the subject of homosexual behavior and orientation      **The Bible in History** David W. Kling,2022-12-19 Over 15 years after its original publication *The Bible in History* remains an essential examination of the symbiotic relationship between Scripture and the social and cultural contexts shaping its interpretation David W Kling traces the fascinating story of how specific biblical texts sometimes a single verse other times a selection of verses or chapters even books have at various times emerged to be the inspiration of movements that have changed the course of history Episodes range from Anthony s call to the desert and a life of monasticism after hearing Jesus s directive to the rich young ruler to give up his possessions to the Anabaptists non violent ethic in following Jesus teaching in the Sermon on the Mount to the varied applications of the exodus motif in African American history This revised and expanded second edition adds two new chapters The first examines the text in Matthew 28 18-20 and considers the multitudinous interpretations before and after the text emerged as the iconic Great Commission of missionary motivation in the modern period The second assesses those biblical texts that encompass the divisive and ongoing issue of male homosexuality Both chapters engage the question of how the texts have shaped the times but as Kling argues the times have also exerted an enormous impact on shaping the interpretation of the texts and hence on the continuing disputes over the meaning of those texts      **The Homosexual Network** Enrique Rueda,1982      *The New Testament and Homosexuality* Robin Scroggs, Just what is a proper use of the Bible especially the New Testament in Christian debates about acceptance of homosexuals In addition to bringing clarity and honesty to issues of the relevance of the Bible this work brings a little more light and a little less heat to the discussion a little more acceptance of all persons on the other side and maybe even an awareness that in Christ there is really no other side at all      *Speaking of Homosexuality* Joe Dallas,2016-10-18 Former Gay Activist Paves the Way to Peaceful Conversation Homosexuality and gay marriage stand among perhaps the greatest defining cultural battles of our age There s no escaping the inevitable conversations so how does a Christian respond with love and biblical truth without adding fuel to the fire Drawing on nearly thirty years of counseling people struggling with homosexuality former gay activist Joe Dallas takes readers through virtually every argument they are likely to hear in favor of normalizing homosexuality He helps readers understand the views of LGBT people they may know and respond with clarity confidence and compassion He shows the most effective ways to engage the subject on social media and in everyday encounters with guidelines for talking points dialogue approach and tone and even provides sample dialogue Anyone who has been searching for ways to have productive loving conversations surrounding this critical topic will find this incredible resource a must have At one time or another every twenty first century Christian is likely to be confronted about his or her views on homosexuality But how can we approach this challenging issue in a way that faithfully reflects Jesus s heart and mind Joe Dallas answers that question in this clear and compelling guide for engaging others with both gentleness and

biblical truth Jim Daly president Focus on the Family I've often said no one understands the subject of same sex sexuality better than my friend Joe Dallas This book his best yet only confirms my conviction I'm not speaking merely of Joe's formidable knowledge of truth but also the wisdom of its application through crystal clear and concise communication In the wake of the June 2015 US Supreme Court's redefinition of marriage Speaking of Homosexuality will equip you to engage a topic that is foundational to human civilization Hank Hanegraaff president the Christian Research Institute host of the Bible Answer Man broadcast Speaking of Homosexuality is one of the most clear and informative books on the subject Dallas responds to the most common Revisionist arguments with clarity but also genuine kindness If you want one book to offer biblical and historical truth about homosexuality but also how to lovingly put that truth into action then you won't find a better book Sean McDowell PhD professor of Christian apologetics Biola University author Same Sex Marriage and Apologetics for a New Generation In answer to the urgency of our world's current situation Joe Dallas has now crafted a resourceful tool filled with biblical truth and insightful strategies Speaking of Homosexuality is essential for every person in need of answers for themselves a family member or a friend struggling with same sex attraction Joni Lamb cofounder Daystar Television Network There is no question that one of the most difficult issues facing the church today is the subject of homosexuality But God didn't leave us in the dark on the topic of human sexuality He gave us clear directives for this part of our lives so that we might experience the abundant life He promises But speaking those guidelines to a confused church and a hardening culture isn't easy No one does it better than Joe Dallas Like no other voice I hear Joe both lives and ministers with that continual balance of truth and love on this most contentious topic In a day where Christians are growing more silent we need a book like this to teach us how to winsomely engage while never retreating from God's protective Truth This is a must read for the church today Janet Parshall nationally syndicated talk show host
