Homosexuality and Christian Faith Walter Wink, 1998-12-01 Ideal for individual or group use this unique resource presents short pieces from some of the nation's most preeminent church leaders women and men Protestant and Catholic mainline and evangelical who address fundamental moral imperatives about homosexuality Through personal testimony factual clarification and moral suasion they invite the reader to open his or her heart to the Spirit to Gospel values and to full acceptance of gay and lesbian persons in the family of God

Homosexuality and Christian faith : questions of conscience for the churches Walter Wink (ed), 1999 *Homosexuality and Religion* Jeffrey S. Siker, 2006-11-30 Few issues today cause more public and private debate than the interaction of homosexuality and religion From the question of gay marriage to the place of gays and lesbians within faith communities religious leaders and lay members must deal with these issues for now and for years to come What is the historical position of the major denominations How are people of faith balancing their beliefs This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay lesbian bisexual and transgendered persons within their communities This is the most comprehensive volume to date on the intersections between religion and homosexuality

Two Views on Homosexuality, the Bible, and the Church Zondervan, 2016-11-29 Unique among most debates on homosexuality this book presents a constructive dialogue between people who disagree on significant ethical and theological matters and yet maintain a respectful and humanizing posture toward one another Few topics are more divisive today than homosexuality Two Views on Homosexuality the Bible and the Church brings a fresh perspective to a well worn debate While Christian debates about homosexuality are most often dominated by biblical exegesis this book seeks to give much needed attention to the rich history of received Christian tradition bringing the Bible into conversation with historical and systematic theology To that end both theologians and biblical scholars well accomplished in their fields and conversant in issues of sexuality and gender articulate and defend each of the two views Affirming represented by William Loader and Megan K DeFranza Traditional represented by Wesley Hill and Stephen R Holmes The main essays are followed by insightful responses that interact with their fellow essayists with civility Holding to a high view of Scripture a commitment to the gospel and the church and a love for people especially those most affected by this topic the contributors wrestle deeply with the Bible and theology especially the prohibition texts the role of procreation gender complementarity and pastoral accommodation The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

[The Bible on the Question of Homosexuality](#) Innocent Himbaza, Adrian Schenker (o.p.), Jean-Baptiste Edart, 2012 Innocent Himbaza and Adrien Schenker O P are biblical scholars at the University of Fribourg Switzerland Jean

Baptiste Edart a member of the Community of Emmanuel teaches at the John Paul II Institute for Marriage and Family in Rome Benedict M Guevin O S B professor of theology at Saint Anselm College translated the work into English [The Bible and Homosexuality for Progressive Christians](#) Donald Schmidt,2022-09-20 Did you know that there are no passages in the Bible that talk about homosexuality as a sexual orientation and that there are arguably only six or seven passages in the entire Bible that even touch on homosexual behaviour Did you know that some of the passages from the Hebrew scriptures we have assumed were about homosexuality were actually meant to chastise the community for their lack of hospitality How ironic that these same passages have been used by the church to express incredible inhospitality to the LGBTQ community This study looks at all these passages in depth but it also invites readers to look at the Bible as a whole and wonder about its overall message When we do that we see that compassion and inclusion are key for Jesus and for early disciples such as Philip as they should be for us *The Bible, Christianity, & Homosexuality* Justin R. Cannon,2008-07-14 There are many commendable books on the Bible and homosexuality which span anywhere from a hundred to several hundred pages in length For the curious such books can sometimes be inaccessible or more than they really want to read *The Bible Christianity Homosexuality* is a concise yet profound analysis of the Bible verses often misused to condemn gay and lesbian Christians This study was written to be accessible to all indeed something family members and friends of gay and lesbian Christians might actually take the time to read The Los Angeles Times describes this work as an illuminating analysis that argues the Bible doesn't condemn faithful gay relationships McGough 7 18 05 **Special Sexual Operations.Accounting for Resistance to the Colonial "Gift" of Homosexuality in Twenty-First Century Africa** Artwell Nhemachena,Munyaradzi Mawere,2024-03-01 Even as African states are currently legislating against homosexuality in order to protect their societies there are some emergent Eurocentric discourses seeking to legalize bestiality involving sex between humans and nonhuman animals Indeed binaries between humans and nonhumans are being challenged and speciesism is being deconstructed to pave the way for interspecies sex Critically interrogating these dissident and subversive sexualities in novel ways this book also deals with emergent humanoid sex robots which are challenging human marriages and families by replacing human spouses The book is relevant to anthropologists sociologists lawyers legislators politicians theologians historians philosophers and educators Huge commendations are due for the gargantuan work done on this book which speaks to the past present and future of African sexualities These are revolutionary thoughts that change the traditional Western scholarship landscape in the field of sexualities The book inculcates and imparts African people centred strategic architectural futuristic flavor for building Africa's competitive positioning in the discourses on sexualities for the centuries ahead Indeed it is commendable and deserves an award for revitalizing Africanity and Africanism renaissance I am sure this book is going to stimulate broad discussions from Africa and the rest of the world which have sadly been fed with Eurocentric single stories on African sexualities Professor Egnald P Mihanjo Saint Augustine University of Tanzania This is a must read

book It grapples with the important question Why the West would want to decolonize only by returning homosexuality to Africans and not by returning African land artefacts skulls and skeletons The book challenges the systemic humanophobic mission orchestrated by neo capitalists in the Euro American world and their allies in Africa Until we hold together the ethical and ontological boundaries of marriage as a divine cultural mandate secured in its sociogenic logicity all the debates about decolonization will not save us from the ultimate crime of promoting ontological disorderliness Charles Prempeh PhD Cantab Research Fellow Centre for Cultural and African Studies Kumasi Ghana and author of Gender Sexuality and Decolonisation in Postcolonial Ghana A Socio Philosophical Engagement Genders, Sexualities, and Spiritualities in African Pentecostalism Chammah J. Kaunda, 2020-06-22 This book examines the complex and multifaceted nature of African Pentecostal engagements with genders and sexualities In the last three decades African Pentecostalism has emerged as one the most visible and profound aspects of religious change on the continent and is a social force that straddles cultural economic and political spheres Its conventional and selective literal interpretations of the Bible with respect to gender and sexualities are increasingly perceived as exhibiting a strong influence on many aspects of social and public institutions and their moral orientations This collection features articles which examine sexualities and genders in African Pentecostalism using interdisciplinary methodological and theoretical approaches grounded within traditional African thought systems with the goal of enabling a broader understanding of Pentecostalism and sexualities in Africa **The Routledge International Handbook of Sex Therapy and Religion** Caleb Jacobson, 2025-09-30 The Routledge International Handbook of Sex Therapy and Religion is an invaluable resource for clinicians religious scholars clergy and anyone interested in the intersection of religion and sexual health By weaving together psychological theories religious ethics and cultural competence this volume provides a holistic approach to sex therapy that honors the faith and values of diverse religious traditions This handbook is not only a testament to the importance of integrating religious and cultural perspectives in therapeutic practice but also a vital tool for religious scholars and clergy in understanding and addressing sexual health issues within their communities It serves as a call to action for greater competency in addressing the complex needs of religious clients in matters of sex sexuality and gender **Sexuality and Gender** William R.G. Loader, 2021-03-15 This volume brings together essays on the theme of sexuality and gender by William R G Loader one of the leading specialists in the field arising from his extensive investigation of early Jewish and Christian literature about such issues as marriage adultery divorce celibacy gender roles and incest *Gender Talk* Johnnetta B. Cole, Beverly Guy-Sheftall, 2009-01-16 Why has the African American community remained silent about gender even as race has moved to the forefront of our nation s consciousness In this important new book two of the nation s leading African American intellectuals offer a resounding and far reaching answer to a question that has been ignored for far too long Hard hitting and brilliant in its analysis of culture and sexual politics Gender Talk asserts boldly that gender matters are critical to the Black community in the twenty first

century In the Black community rape violence against women and sexual harassment are as much the legacy of slavery as is racism Johnnetta Betsch Cole and Beverly Guy Sheftall argue powerfully that the only way to defeat this legacy is to focus on the intersection of race and gender Gender Talk examines why the race problem has become so male centered and how this has opened a deep divide between Black women and men The authors turn to their own lives offering intimate accounts of their experiences as daughters wives and leaders They examine pivotal moments in African American history when race and gender issues collided with explosive results from the struggle for women s suffrage in the nineteenth century to women s attempts to gain a voice in the Black Baptist movement and on into the 1960s when the Civil Rights movement and the upsurge of Black Power transformed the Black community while sidelining women Along the way they present the testimonies of a large and influential group of Black women and men including bell hooks Faye Wattleton Byllye Avery Cornell West Robin DG Kelley Michael Eric Dyson Marcia Gillispie and Dorothy Height Providing searching analysis into the present Cole and Guy Sheftall uncover the cultural assumptions and attitudes in hip hop and rap in the O J Simpson and Mike Tyson trials in the Million Men and Million Women Marches and in the battle over Clarence Thomas s appointment to the Supreme Court Fearless and eye opening Gender Talk is required reading for anyone concerned with the future of African American women and men *Neotestamentica et Philonica* David Edward Aune, Torrey Seland, Jarl Henning

Ulrichsen, 2014-04-09 *Neotestamentica et Philonica* is a collection of eighteen essays by an international group of scholars in honor of Peder Borgen They treat aspects of the study of the historical Jesus Paul and his Letters the Gospel of John and Philo of Alexandria These essays represent the cutting edge of New Testament and Philonic scholarship and will be important resources for students of these subject areas [Their Own Receive Them Not](#) Horace L. Griffin, 2010-11-01 In *Their Own Receive Them Not* Griffin provides a historical overview and critical analysis of the black church and its current engagement

with lesbian and gay Christians and shares ways in which black churches can learn to reach out and confront all types of oppression not just race in order to do the work of the black community **Open Wide the Gates** Brian D.

Cunnington, 2023-10-13 The culture wars show no sign of abating Same sex sexuality continues to be one of the most brutal and bloody fronts in those wars and Christians the fiercest combatants Friendships families churches and denominations continue to draw their lines in the sand split and go their separate ways Meanwhile the lives of many young and old are deeply scarred and some even lost in the crossfire It doesn t have to be that way Challenging the arguments that perpetuate that conflict *Open Wide the Gates* presents a carefully developed biblical theological and ethical argument for the welcome affirmation and inclusion of gays and lesbians in the life and ministry of the local church Its irenic tone and clearly articulated presentation provides pastors denominational leaders and concerned laypeople with a reliable guide for navigating these often turbulent waters In this comprehensive study Brian D Cunningham points to a path forward a path for following Jesus in the twenty first century characterized by grace love and hope a path that demonstrates the radical

Seibert, 2012 No one can read far in the Old Testament without encountering numerous acts of violence that are sanctioned in the text and attributed to both God and humans Over the years these texts have been used to justify all sorts of violence from colonizing people and justifying warfare to sanctioning violence against women and children Eric Seibert confronts the problem of virtuous violence and urges people to engage in an ethically responsible reading of these troublesome texts He offers a variety of reading strategies designed to critique textually sanctioned violence while still finding ways to use even the most difficult texts constructively thus providing a desperately needed approach to the violence of Scripture that can help us live more peaceably in a world
