Homosexuality And The Catholic Church:

“Who Am I to Judge?” Stephan Goertz, 2021-11-08 The Catholic Church still takes an ambivalent stance toward homosexuality declaring that homosexuals should be respected and not discriminated against while morally condemning their intimate relationships This volume presents exegetical theological and ethical arguments as well as evidence from the human sciences to advocate for the recognition of homosexuality as a natural variant of the human capacities to love and to form relationships

Accompanying those with Same-sex Attractions David Prosen, 2019-02-19 Author David Prosen speaks generously and with wisdom out of his own experience of same sex attractions without love all the rules and commandments in the world fall flat It is not for us to fix or change the person with same sex attractions our place is simply to love them Just like anyone else people with same sex attractions first need to hear that their heavenly Father cares for them Prosen reminds us of the power of affirming love in our own experience When someone takes the time to just be with us and tells us the truth in a compassionate way we are more likely to receive it Each of us then as spiritual mothers and fathers may be a vehicle for Christ's affirming love shining in the loneliness of same sex attractions Suzanne Baars PhD Catholic psychotherapist and founder of the Baars Institute David Prosen has written a powerful booklet that I wish every Catholic adult would read With incredible authenticity and transparency he takes the reader into the interior reality so often marked by wounds and pain of those who experience same sex attraction Yet he also points the way to hope and healing in Christ and the ways the Body of Christ can be a source of healing This book will change the way you see the world Dr John Bergsma PhD Catholic Bible scholar author speaker With compassion and honesty David Prosen reveals an empowering vision for sharing the liberating love of Jesus Christ with men and women trapped in the culture's false messaging and still longing for authentic love Lisa Mladinich host of Shalom World TV's WOMAN Strong Faith True Beauty About the Author David Prosen is a graduate of Franciscan University of Steubenville with an MA in counseling He has worked as a counselor in both secular and Catholic settings treating many different conditions including depression anxiety and more David was featured in Blackstone's film The Third Way Homosexuality and the Catholic Church and has had several articles published in Lay Witness Crisis Magazine and LifeSiteNews He has given numerous presentations across the country on same sex attractions from a Catholic perspective

Hidden Voices Anonymous, 2011-12-30 I've written this book to give voice to the thousands of hidden voices in the Catholic Church that feel the way I do and to give hope albeit just a little to those who struggle with the Catholic Church's stance on homosexuality What follows are some of my reflections on what it means to negotiate life as a gay priest in the Catholic Church to struggle with self and hierarchy and to move from silence and shame to hope and forgiveness Signed Anonymous

The Silence of Sodom Mark D. Jordan, 2000-06-07 The award winning author of *The Invention of Sodomy in Christian Theology* questions how the Catholic Church can be homophobic as well as homoerotic as he provides a deeply learned yet

entirely readable study of the relationship between male homosexuality and Catholicism **The Catholic Church and Homosexuality** Atila Sinke Guimarães,1999 [Listen to the Stories](#) Raymond C. Holtz,1991 *This Remarkable Gift* Maurice Shinnick,1997-10-01 This book should be read by every bishop priest and lay pastor in the Catholic Church as well as every gay or lesbian person who has concluded that being happily gay and Catholic is not possible The author provides an extremely accessible guide to Catholic teaching social theory and gay and lesbian theology which will enable every reader to truly appreciate the remarkable gift of being gay and Catholic Elizabeth Stuart Senior Lecturer in Theology University of Glamorgan Wales For generations gays and lesbians from Catholic backgrounds have struggled to reconcile their sexual orientation with their Church's rigid anti homosexual stance Some leave the Church in despair while others suppress their sexuality in order to remain in the Church Maurice Shinnick argues that homosexuality should be seen as a gift from God rather than a curse He shows how attitudes to homosexuality have developed in different Christian denominations around the world and offers a careful re reading of Catholic teaching This Remarkable Gift calls for a genuine dialogue between the Church and gay and lesbian people and offers a guide to the paths such a dialogue could follow **Fortunate Families** Mary Ellen Lopata,2003 Fortunate Families addresses the experience of Catholic parents who love their gay sons and lesbian daughters The book had its genesis in a descriptive survey of over 200 such parents It integrates results from the survey church documents and stories so readers can access what they need most Some readers will search for accurate information about Catholic teaching others may connect with the lived experience of other Catholic parents Still others will find examples of ministerial advocacy and support within the Catholic Church Fortunate Families has all this and more Conventional wisdom emphasizes the stories of parents who react to the news that their child is gay in verbally or physically abusive ways These stories are told so often they take on an aura of normalcy But there are other stories of parents who struggle against the pressures of society and church to find and believe in the goodness of their gay child It is critically important for parents to hear the stories of others who walked the same road before them who have come through the experience closer to their gay or lesbian child and who are willing to work to make the church more welcoming Equally important is the opportunity for pastoral ministers to hear the voices of these parents and understand the need for outreach and pastoral care for gay and lesbian Catholics and their families Fortunate Families will help prepare pastoral ministers help families come out of their isolation work through their confusion and pain and celebrate how fortunate they actually are *Gay Catholic Priests and Clerical Sexual Misconduct* Donald Boisvert,Robert Goss,2021-03-04 Why did it take 30 years for American bishops to listen to the victims of Catholic clerical abuse Gay Catholic Priests and Clerical Sexual Misconduct Breaking the Silence is a compelling indictment of Roman Catholic teachings on homosexuality and sexuality Inspired by The Silence of Sodom Homosexuality in Modern Catholicism Mark Jordan's controversial examination of homoeroticism in American Catholic culture this groundbreaking book examines how the current crisis of clerical abuse affects and stigmatizes gay priests living

The Gay Face of God Bruce Simpson, Bruce J. Simpson, 2004-04 The Gay community has triggered the greatest social debate in American history since the Civil Rights movement of the 1960's Not only has gay marriage seized the total attention of the American conservative movement but also the medieval and border line hysterical consciousness of the Roman Catholic Church as well as other churches worldwide This is the story of a man born of an act of violence who grew up as a gay man to become an Archbishop in the Old
