The Biography of Satan (Lady Valkyrie World Religions) Kersey Graves,2012-12-17 Who is Satan Where does Satan come from Does Satan have a twin brother Why is there a devil a heaven and a hell If the devil exists why does God allow Satan to exist This fascinating book attempts to decipher these as well as many other questions Our fascination of the unknown as well as our fears have shaped us throughout history If you do not want to blindly accept the reality that you are experiencing this book will take you through a quest for truths myths and possibilities to better help you understand Satan and the world we live in Visit ladyvalkyrie.com for more titles of the World Religions series as well as for Other titles *Deconstructing Literal Christianity and the Corporate Church* Goði André RavenSkúl Venås,2019-03-14 I created this book to convey what many people feel that they have been misguided by the church that promised to take care of them no matter what you believe it's all about believing and treating others well In the Name of Humanity Joseph Lewis,2003-04 How and why did circumcision begin Does every male child that comes into the world have a birth defect What outdated beliefs have also caused women to suffer for centuries If we were created in the image of God as the Bible tells us then why are we mutilating our children These questions and more are being asked by the author Joseph Lewis In this book he shares extensive research showing why he believes circumcision to be cruel brutal and unnecessary in addition to being completely unnatural Jesus

: God, Man, Or Myth? Herbert Cutner, 2000 Did pagan mythologies represent Christ's miracles in order to convince them to accept the Christian faith? Beyond these miracles, is there enough evidence to prove there was a Jesus? Cutner says no. He also says that the Apostle Paul never portrayed Jesus as a man but as a spiritual being. To Paul, Christ is found in a spiritual sense within oneself as opposed to being an actual historical personage. When the Church accepted Paul, this inner reflection was outwardly projected by the Church into an actual man-saviour according to Cutner. This might be why Paul was almost rejected by the Church; his views posed a danger to those who might rely on their own spiritual knowledge rather than the authority of the Church. Whether Jesus lived or not, we still have a lot to learn about ourselves and our true place in the universe. This book, although critical, may be useful in that respect.

Atrahasis Albert T. Clay, 2003 The word Atrahasis means extra wise and refers to the earliest known name of Noah who built an ark and saved mankind from destruction. This is that story from ancient Sumeria which many scholars believe was the original from which all known flood stories came from. This was the most popular story in the ancient world and has survived for over five thousand years. It is the only one that all cultures worldwide seem to share. Why? Was there really a great flood? And why do we not explore the oldest known version carefully for clues? That is the purpose of this book, which also includes a number of other interesting flood story fragments and documents.

Highlights of Templar History William Moseley Brown, Simeon B. Chase, 2003-04 The Knights Templar is a secret society that has existed for many centuries. Few books have been written about them from an insider's point of view. This book was originally released by the Grand Encampment of Knights Templar, United States of America, after seven years of historical research by an assigned committee. The author, Brown, was a member of that committee and their purpose was to provide Templars with an accurate history of their organization. It was for members only and much of the information is not found elsewhere. We've also added from another source their Constitution and Abbreviated By-Laws, out of print for over 100 years, as a service for potential members or for those who desire a better knowledge of the inner workings of the Templars. These two works combined together will hopefully shed new light on an interesting and sometimes mysterious organization.

Was Jesus Influenced by Buddhism? Dwight Goddard, 2000 Buddhism began and flourished half a millennium before Jesus was ever born. Five hundred years is a long time for a religion to grow, so Jesus could have easily been influenced by Buddhist teachings as proposed by this book. There were many years in the life of Jesus that remain unaccounted for. Goddard reveals evidence that the Essenes, of whom Jesus had contact with and may have been a member himself, had strong Buddhist influences. Reveals that the parallels between Jesus and the Buddha are more than just a coincidence.

The Great Secret Maurice Maeterlinck, 2003-04 This book, written by Nobel Prize winner Maurice Maeterlinck, should be the essential text for those seeking the hidden origin of religion and the meaning of life itself. The author explored the world's hidden mysteries for many years until stumbling upon a startling insight. This spiritual insight from long ago is revealed early in the book. He then follows it with a complete history of what arose on that foundation, how the secret was carried to other ancient cultures.

around the world then up into modern times **Mushrooms and Mankind** James Arthur,2000 For thousands of years on our planet humanity has been involved in a symbiotic relationship with plants Not only have plants supplied mankind with a never ending food source the necessary nourishment for our bodies and life itself but they have also served us in another way an extremely important and intricate one yet an often overlooked one This book uncovers the natural link between man consciousness and God Matrix of Power Jordan Maxwell,2000-05 Who really runs the world Who controls the money the politics and almost every facet of life without you knowing a thing about it Is such a thing possible Maxwell grew up in a family that had high ranking insiders in international politics and religion so had access to information that few people could imagine He continued with a lifetime of investigation and is now considered the worlds foremost authority on ancient religions and modern conspiracies He has appeared on three CBS television specials and countless radio shows His work on the true meaning of symbols in politics religion and major corporations is also covered in this highly illustrated book Explore this fascinating subject with a man who has devoted a lifetime of study to uncovering our hidden masters *The Publishers Weekly* ,1912 *The Book of Jasher* Flaccus Albinus Alcuins,2000 According to some sources this book was once the original start of the Bible We do know at one time that it was once part of the Bible being referred to in Joshua and Second Samuel It also survived the burning of the Alexandria Library in about 389 AD due to a fast acting custodian Albinus Alcuin later found this work and did the original translation of it from Hebrew in 800 AD It was later suppressed but rediscovered in 1829 when it was once again suppressed Only now has it reemerged to become widely available and judged properly for its value Note A more common 64 page version is in circulation but is a proven forgery **The World's Sixteen Crucified Saviors: Christianity Before Christ** Kersey Graves,2010-04-20 The World s Sixteen Crucified Saviors Christianity before Christ written by legendary author Kersey Graves is widely considered to be one of the greatest classic and historical texts of all time This great classic will surely attract a whole new generation of readers For many The World s Sixteen Crucified Saviors Christianity before Christ is required reading for various courses and curriculums And for others who simply enjoy reading timeless pieces of classic literature this gem by Kersey Graves is highly recommended Published by Classic Books International and beautifully produced The World s Sixteen Crucified Saviors Christianity before Christ would make an ideal gift and it should be a part of everyone s personal library
