EBOOK: Developmental Psychology, 2e Patrick Leman, Andy Bremner, 2019-01-23 EBOOK Developmental Psychology 2e

Developmental Psychology David Moshman, John A. Glover, Roger H. Bruning, 1987

Developmental Child Psychology: a Primer John DeFrancisco, 2015-04-19 This book is a primer a summary and review of theories and concepts in developmental psychology with an emphasis on child development It is intended for upper level undergraduate psychology students and graduate psychology students A primer for upper level undergrads and graduate students Yes my experiences and those of several of my colleagues show that although these students have had one or several classes in developmental psychology once they reach their senior year or enter graduate school their recollection of the basic tenets of developmental psychology and particularly child development has become limited This oftentimes necessitates spending inordinate hours of classroom time on reviewing developmental psychology fundamentals when instruction at this level should be focused on more complex issues and concerns This text then can be used in the following capacities in upper level classes to efficiently review and reconsider information to which students have presumably already been exposed to provide the prerequisites for more advanced study or to simply provide an overview and working knowledge of developmental theory and concepts

Developmental psychology : an introduction Howard Gardner, 1982

Developmental Psychology George Butterworth, Margaret Harris, 2002

Theories of Developmental Psychology Patricia H. Miller, 1993-01-01 This third edition of the book offers a current and comprehensive presentation of the main theories of developmental psychology The text places the major theories of development in historical and contemporary context giving readers breadth as well as depth of understanding
