Husband? Kathleen Whyman, 2024-07-17 I laughed out loud so many times reading this book It was so stinking fun It drew me in from the very beginning Haven't read a book quite like it Such a great story Reader review 5 stars A riotous read Women's Own She married him for better or worse But no one mentioned the ex wife When saying I do to the love of her life it didn't matter to Marie that Scott had been married before But four years later it's a different story These days Marie feels as though Scott sees more of his first wife and their children than he does of her and their energetic toddler All she wants is for them to be a happy blended family but it's not so easy when his ex wife refuses to let the two families meet Well Marie's had enough there's only so much a woman can take Now she's setting out to find his ex and prove that she's a decent person who can be trusted with the children But there's a slight catch Scott's asked her to let him handle it so she'll need to be discreet Which is difficult when her mum cousin and aunt decide to get involved and don't know the meaning of the word Marie's determined to make it work and pull off the impossible preferably without getting publicly humiliated arrested or even divorced With warmth wit and humour *Has Anyone Seen My Husband* is a hilariously relatable book that will have you feeling every kind of emotion from start to finish Get ready to love laugh and cringe in this unmissable read for fans of *Why Mummy Drinks* Fiona Gibson and *Confessions of a Forty Something* Authors and readers are LOVING *Has Anyone Seen My Husband* I hungrily devoured the book within two days whoops My eyes couldn't read this fast enough and I couldn't wait to
