Planning Latin America's Capital Cities, 1850-1950 Arturo Almandoz Marte,2002 In this first comprehensive work in English to describe the building of Latin America's capital cities in the postcolonial period Arturo Almandoz and his contributors demonstrate how Europe and France in particular shaped their culture architecture and planning until the United States began to play a part in the 1930s The book provides a new perspective on international planning

Havana Alfredo José Estrada,2025-09-23 Alfredo José Estrada's intimate ties to Havana form the basis for this autobiography written as though from the city's own heart Covering the island's five hundred year history Estrada portrays the adventurers and dreamers who left their mark on Havana including José Martí martyr for Cuban independence and Ernest Hemingway the most American of writers who became an unabashed Habanero Deeply personal and affecting Havana is the accessible and complete story of the city for the history buff and armchair traveler alike

Havana Mark Kurlansky,2018-03-06 A city of tropical heat ramshackle beauty and its very own cadence a city that always surprises Havana is brought to pulsing life by New York Times bestselling author Mark Kurlansky Award winning author Mark Kurlansky presents an insider's view of Havana the elegant tattered city he has come to know over more than thirty years Part cultural history part travelogue with recipes historic engravings

photographs and Kurlansky's own pen and ink drawings throughout Havana celebrates the city's singular music literature baseball and food its five centuries of outstanding neglected architecture and its extraordinary blend of cultures Like all great cities Havana has a rich history that informs the vibrant place it is today from the native Taino to Columbus's landing from Cuba's status as a U.S. protectorate to Batista's dictatorship and Castro's revolution from Soviet presence to the welcoming of capitalist tourism Havana is a place of extremes a beautifully restored colonial city whose cobblestone streets pass through areas that have not been painted or repaired since long before the revolution Kurlansky shows Havana through the eyes of Cuban writers such as Alejo Carpentier and Jos Mart and foreigners including Graham Greene and Hemingway He introduces us to Cuban baseball and its highly opinionated fans the city's music scene alive with the rhythm of son its culinary legacy Through Mark Kurlansky's multilayered and electrifying portrait the long elusive city of Havana comes stirring to life

Aesthetics and the Revolutionary City James Clifford Kent, 2018-09-22 Aesthetics and the Revolutionary City engages in alternative ways of reading foreign visual representations of Havana through analysis of advertising images documentary films and photographic texts It explores key narratives relating to the projection of different Havana imaginaries and focuses on a range of themes including pre-revolutionary Cuba the dream of revolution and the metaphor of the city frozen in time The book also synthesizes contemporary debates regarding the notion of Havana as a real and imagined city space and fleshes out its theoretical insights with a series of stand-alone important case studies linked to the representation of the Cuban capital in the Western imaginary The interpretations in the book bring into focus a range of critical historical moments in Cuban history including the Cuban Revolution and the Special Period and consider the ways in which they have been projected in advertising documentary film and photography outside the island

The Palgrave Handbook of Transnational Women's Writing in the Long Nineteenth Century Claire Emilie Martin, Clorinda Donato, 2024-03-14 This handbook explores the rich and as yet understudied field of women's writing during the nation-building years that characterized the global politics of the long nineteenth century In the wake of the American and French Revolutions the waning of the Spanish Empire subsequent Latin American uprisings and the Italian Risorgimento nineteenth-century women writers cracked wide open the myths of gender race and class that had sustained the ancien régime This volume shows that the transnational networks of women writing about politics sexuality economics and the forging of the modern nation were much broader and more inclusive at a global level than has previously been understood The handbook uniquely foregrounds French Italian Latin American and Spanish women writers focusing on the transnational nature of their relationships and cultural production within a growing body of research that casts an ever wider net in the effort to document women's voices

American Colonisation and the City Beautiful Ian Morley, 2019-10-30 Winner of the 2020 IPHS Koos Bosma Prize American Colonisation and the City Beautiful explores the history of city planning and the evolution of the built environment in the Philippines between 1916 and 1935 In so doing it highlights the activities of the Bureau of

Public Works Division of Architecture as part of Philippine national development and decolonisation Morley provides new archival materials which deliver significant insight into the dynamics associated with both governance and city planning during the American colonial era in the Philippines with links between prominent American university educators and Filipino architecture students The book discusses the two cities of Tayabas and Iloilo which highlight the significant role in the urban design of places beyond the typical historiographical focus of Manila and Baguio These examples will aid in further understanding the appearance and meaning of Philippine cities during an important era in the nation's history Including numerous black and white images this book is essential for academics researchers and students of city and urban planning the history and development of Southeast Asia and those interested in colonial relations

Exporting American Architecture 1870-2000 Jeffrey W. Cody, 2005-06-27 The export of American architecture began in the nineteenth century as a disjointed set of personal adventures and commercial initiatives It continues today alongside the transfer of other aspects of American life and culture to most regions of the world Jeffrey Cody explains how why and where American architects planners building contractors and other actors have marketed American architecture overseas In so doing he provides a historical perspective on the diffusion of American building technologies architectural standards construction methods and planning paradigms Using previously undocumented examples and illustrations he shows how steel frame manufacturers shipped their products abroad enabling the erection of American style skyscrapers worldwide by 1900 and how this phase was followed by similar initiatives by companies manufacturing concrete components

Great Houses of Havana Hermes Mallea, 2011-11-08 Great Houses of Havana celebrates one hundred years of creativity design and style that made the city the Paris of the Caribbean For four hundred years Havana was the center of Spanish trade in the western hemisphere With the expansion of the sugar industry independence from Spain and North American investment Havana became a city of great wealth great style and great houses in a vocabulary that was a unique amalgam of European American and Caribbean elements Great Houses of Havana traces the evolution of the Cuban home from the classic Spanish colonial courtyard house to the Tropical Modernist villas of the 1950s houses reflecting international architecture trends while remaining true to the Cuban tradition Cuba's social history is woven throughout the book Vintage photographs illustrate Havana's sophisticated lifestyle the masked balls yacht club picnics and dynastic weddings of fashionable Cubans and their international guests Popular cafes hotels theaters and weekend resorts are also featured creating a view of the privileged life inside the gated mansions of the city's grandest neighborhoods

Beyond the Walled City Guadalupe Garcia, 2016 Once one of the most important port cities in the New World Havana was a model for the planning and construction of other colonial cities This book tells the story of how Havana was conceived built and managed and explores the relationship between colonial empire and urbanization in the Americas Guadalupe Garcia shows how the policing of urban life and public space by imperial authorities from the sixteenth century onward was explicitly centered on politics of racial exclusion and social

control She illustrates the importance of colonial ideologies in the production of urban space and the centrality of race and racial exclusion as an organizing ideology of urban life in Havana Beyond the Walled City connects colonial urban practices to contemporary debates on urbanization the policing of public spaces and the urban dislocation of black and ethnic populations across the region Provided by publisher

Cuban Palimpsests Jose Quiroga, 2005 Four decades ago the Cuban revolution captured the world's attention and imagination Its impact around the world was as much cultural as geopolitical Within Cuba the state developed a strictly defined national and collective memory that led directly from a colonial past to a utopian future but this narrative came to a halt in the early 1990s The collapse of Cuba's sponsor the Soviet Union and the end of the Cold War preceded the so called Special Period in Times of Peace a euphemistic phrase that masked the genuine anxiety shared by leaders and people about the nation's future In *Cuban Palimpsests* Jos Quiroga explores the sites both physical and imaginative where memory bears upon Cuba's collective history in ways that illuminate this extended moment of uncertainty Crossing geographical political and cultural borders Quiroga moves with ease between Cuba Miami and New York He traces generational shifts within the exile community contrasts Havana's cultural richness with its economic impoverishment follows the cloak and dagger narratives of revolutionary and counterrevolutionary spy fiction and film and documents the world's ongoing fascination with Cuban culture From the nostalgic photographs of Walker Evans to the iconic stature of Fidel Castro from the literary expressions of despair to the beat of Cuban musical rhythms from the haunting legacy of artist Ana Mendieta to the death of Celia Cruz and the reburial of Che Guevara *Cuban Palimpsests* memorializes the ruins of Cuba's past and offers a powerful meditation on its enigmatic place within the new world order Jos Quiroga is professor and department chair of Spanish and Portuguese at Emory University He is the author of *Understanding Octavio Paz* and *Tropics of Desire Interventions from Queer Latino America*

Havana Joseph L. Scarpaci, Roberto Segre, Mario Coyula, 2002 Newly revised and redesigned this book assesses nearly 500 years of urban development and planning in Havana paying particular attention to the city's rich blend of Spanish Cuban Latin American North American architecture and design
