The Holy Trinity Revisited Thomas A Noble, Jason S Sexton, 2015-02-01 A critical engagement with Stephen Holmes's recent highly acclaimed work on the Trinity The Trinitarian resurgence has been celebrated by the majority of recent theologians and has impacted nearly every area of modern theology A careful rendering of the tradition reaches a high point in Stephen R Holmes *The Holy Trinity Understanding God's Life Paternoster* 2012 This book contains invited essays covering a range of perspectives and hosts contributors from around the world who are critically appreciative of Holmes' work and its significance for contemporary reflection on this doctrine of the Trinity

The Ecclesiology of St. Basil the Great Olga Druzhinina, 2016-06-22 In this book Olga Druzhinina analyzes St Basil's understanding of the church paying special attention to his Trinitarian approach to its life Although the role of God the Trinity in the life of the church occupies a considerable place in St Basil's thought as Druzhinina demonstrates it is a

subject that has not previously been addressed by scholars The analysis offered here of the life of the church as grounded in Trinitarian philanthropy provides fresh insights into St Basil's understanding of the worldwide fellowship of believers Druzhinina also brings into focus another neglected aspect of St Basil's ecclesiology his perception of the church as a two dimensional heaven and earth mystical reality with a strong bond between both parts the heavenly and the earthly

Trinitarian Doxology Kevin J. Navarro, 2023-01-26 Liturgical theology tends towards the anthropocentric focussing primarily on the behaviour of the worshippers The theology of Thomas F and James B Torrance however provides an alternative approach a Trinitarian and Christocentric study of liturgy which decentralises the worshippers position in liturgy and focusses instead on Christ the One who is worshipped In *Trinitarian Doxology* Kevin J Navarro examines the Torrances theology explicating and illuminating their work whilst simultaneously providing critical analysis which provides a lens for deeper understanding

Construing the Cross Frances M. Young, 2015-10-20 This book reconsiders ways in which the cross of Christ was construed before atonement theories narrowed the categories The typology of Passover is explored as probably the very first way in which Christians came to understand the passion The use of sacrificial imagery is re examined The significance of identifying the cross with the Tree of Life is traced across the centuries into medieval times along with other surprising links with the Eden narrative The validity of seeking imaginative insights to grasp what the cross signifies is given theological consideration in a chapter that moves into literary and liturgical reflections and is punctuated with cruciform poems The overall outcome is a quite paradoxical focus not on death but on life

Platter, 2023-10-30 Sanctification is not merely a practical and isolated doctrine but should permeate the whole horizon of theology dogmatics ethics practices as well as the sciences and the arts The essays are collected under the twin convictions that theology can be sanctified and sanctifying The whole of theology is inflected by holiness and so theology should aim to share in God's sanctifying work *Sanctifying Theology* contributes new possibilities in Wesleyan holiness theology and explores their contribution to various Christian doctrines and contemporary issues Written in honor of the work of Thomas Arthur Noble the essays in this book are attentive to the streams of theology that have most influenced him the fathers the Wesleys and the Torrances Both constructive and exploratory the topic of the essays cover among other things 1 consideration of how Wesleyan holiness theologies contribute to ecumenical theological discussions 2 readings of Wesleyan holiness theology through the lens of the church fathers and the Torrances and 3 explorations of how these conversations and sources might shape contemporary practical and ethical concerns The essays work both for the Wesleyan tradition and from the Wesleyan tradition for the church catholic showing how recent trajectories in Wesleyan holiness theology might contribute to broader discussions
