Perry, 2022-01-27 Jesus teaches us to pray Give us this day our daily bread But what does that really mean Obviously Jesus was not telling his disciples to simply pray for a morsel of literal bread every day right Isn't that obvious Bread in the Bible was a powerful symbol of God's provision the act of supplying with food drink or equipment for a journey So when you pray Give us this day our daily bread you are actually saying God I need you to supply me with everything I need to make it through this journey of life and I need you to do it EVERY DAY Well here it is all contained in this workbook coupled with the corresponding video presentation Simply spend 20-30 minutes with God every day and He will serve you His daily provision and every area of your life will grow to a remarkable and exponential proportion You will become very close to your Heavenly Father You will feel Him and hear Him speak to you every day What a wonderful unexplainable feeling Here is the daily Time with God formula P R S P P Pray 3-5 minutes R Read 5-10 minutes S Study 10-15 minutes P Pray 3-5 minutes You've prayed for years Give us this day our DAILY BREAD well now here it is **God's Inerrant Word** John Warwick

Montgomery, 2018-01-27 Editor John Warwick Montgomery b 1931 is one of the major philosophical apologists of the 20th century He is also a trained lawyer which influenced his historical legal approach to Christian apologetics He is perhaps best known as a writer for his books History and Christianity How Do We Know There is a God Faith Founded on Fact Evidence for Faith Where is History Going The Shape of the Past The Quest for Noah's Ark as well as for his debates with the infamous atheist Madalyn Murray O'Hair 1967 with Joseph Fletcher reprinted in Situation Ethics True or False with Death of God theologian Thomas Altizer reprinted in The Suicide of Christian Theology R C Sproul wrote in the Foreword to this 1974 book The essays in this book were written as research articles for delivery at the Conference on the Inspiration and Authority of Scripture in the fall of 1976 The Conference was sponsored by the Ligonier Valley Study Center a facility developed to make the resources of Christian scholarship available to today's laymen and pastors The eleven essays comprising the text of this book were all publicly delivered at the Ligonier Conference Pg 9 Essays are included by authors such as Montgomery J I Packer John Gerstner Clark Pinnock John Frame Sproul etc Montgomery states in his own Introduction that The Ligonier Conference was designed specifically to serve as an adrenal injection for the faint of heart who question the place of inerrancy in historic Christian theology or doubt that modern research is compatible with an errorless Bible The essayists may differ from each other in a number of respects but they hold in common the historic Christian confidence in an entirely trustworthy Bible They would impart that confidence to the readers of this volume Pg 14 Montgomery states in his first essay Embedded in the liberal evangelical's attempt to preserve an infallible Bible in spite of errors is a further and even more serious fallacy We invariably find that the non-revelational areas are the areas of science and history the areas of prime testability The result if one carries this line of reasoning to its logical conclusion is Where the Bible errs it is non-revelatory

when it is capable of being tested it is precariously revelatory only until proven wrong and where it cannot be tested it always remains revelatory and inerrant This is just like believers in sea serpents claiming that they appear only when no scientists are present Pg 31 32 Pinnock observes If we say as Vatican II does that inspiration guarantees only those truths necessary for salvation the question arises how much we need to know to be saved The way is open for someone to come along with the opinion that he need know very little Very little then is inerrantly taught in Scripture Pg 150 Sproul says in an essay Jesus understanding of the Old Testament Scriptures casts a shadow over his own sinlessness Jesus does not have to be omniscient to be infallible But he must be infallible to be sinless That is to say if Jesus claiming to be sent from God and invoking the authority of God in his teaching errs in that teaching he is guilty of sin The one who claims to be the truth cannot err and be consistent with that claim Anyone claiming absolute authority in his teaching must be absolutely trustworthy in what he teaches in order to merit absolute authority In light of his claims Jesus cannot plead invincible ignorance as an excuse for error Pg 253 These essays will be of great interest to any Christians studying the doctrine of biblical inerrancy by Steven H Propp Top 100 Reviewer

the Bible in much of Africa bearing in mind the diversities and complexities of the continent By studying the African origins of Christian hermeneutics the key achievements of Enlightenment perspectives and both the popular and scholarly approaches to the Bible in Africa today Under the Shade Tree proposes a synthesis that pushes back against the way the Bible is used in Africa to support various forms of deceptions fraud and charlatan expressions of Christianity It argues for critical study of the Bible as the word of God not only for biblical scholarship but also for ordinary people s reading of the Bible

Ser. 5. Vol. 3, no. 1-July 1874*, 1839 *Another Way* Jeremy Garber, 2019-07-25 How can theologians philosophers and ordinary people think about the Holy Spirit in the twenty first century This volume offers one model the pneumatology of minoritarian communal interpretation the alternative creation of meaning within an oppressive majority context Garber looks at the stories of Saul Ezekiel and Jesus in the Gospels the Radical Reformers of the sixteenth century and a contemporary group of spiritual but not religious artists to see how they understand the Spirit working in their lives He weaves together the theories of John Howard Yoder Deleuze and Guattari and media theorists like Stanley Fish Jeremy Stolow and Thomas Lindlof as a theological and philosophical background to those stories In the end the Holy Spirit is being weird like Jesus together and Garber offers some observations on what that might look like throughout history and today
