Home Game: An Accidental Guide to Fatherhood Michael Lewis, 2009-04-28 The bestselling author of *Moneyball* and *The Blind Side* offers a perfectly frank and mercilessly funny account of what actually happened immediately after the birth of each of his three children *Quicklet on Michael Lewis' Home Game: An Accidental Guide To Fatherhood* Karen Lac, 2012-04-04 ABOUT THE BOOK Parenthood is an experience often talked about but rarely understood by those who have not gone through it It is an experience that can hardly be described in words Author Michael Lewis in *Home Game An Accidental Guide to Fatherhood* never claims that he has written a definitive account of fatherhood Contrary to the title the book is not even really a guide to what one should expect and do when becoming a father Rather it is Lewis personal account of his experience of becoming a father to and raising three children Reading much like a diary he takes the reader on the journey that he and his wife Tabitha Soren went through Through Lewis personal account the reader gets a glimpse of what fatherhood is like Or more accurately what fatherhood was like for one man MEET THE AUTHOR Based in the San Francisco Bay Area Karen Lac has been writing since 1999 Her articles have appeared in print in *The Occidental Weekly* Her writing reflects her broad interests She writes travel entertainment political commentary health nutrition food education career and legal articles for numerous websites She holds a Bachelor of Arts in English Literature and a Bachelor of Arts in politics both from Occidental College EXCERPT FROM THE BOOK When Lewis became a father the only role model he had was his own father His own father like many men of that time whose primary responsibility was to provide economic security wasn't really involved in raising him The bulk of the dirty work was done by his mom Now fathers are expected to be involved Lewis knows that some people think that he should do more to help his wife out with the kids while there are others who think he's a saint for how much he does Lewis makes it clear in his book that as of yet there is no ideal model of fatherhood If there was then fatherhood and parenting in general wouldn't be so difficult and surprising Today fatherhood as practiced by Lewis father and that of most other fathers would be frowned upon and considered to be neglect CHAPTER OUTLINE *Quicklet on Michael Lewis Home Game An Accidental Guide To Fatherhood* About *Home Game An Accidental Guide to Fatherhood* Michael Lewis The Father Who Wrote an *Accidental Guide to Fatherhood* Overall Summary of *Home Game An Accidental Guide to Fatherhood* by Michael Lewis Chapter by Chapter Commentary Summary of *Home Game An Accidental Guide to Fatherhood* by Michael Lewis and much more Michael Lewis *Home Game An Accidental Guide To Fatherhood* **Home Game** Michael Lewis, 2010-06-07 The New York Times bestseller Hilarious No mushy tribute to the joys of fatherhood Lewis book addresses the good the bad and the merely baffling about having kids Boston Globe When Michael Lewis became a father he decided to keep a written record of what actually happened immediately after the birth of each of his three children This book is that record But it is also something else maybe the funniest most unsparing account of ordinary daily household life ever recorded from the point of view of the man inside The remarkable thing about this story isn't that Lewis is so unusual It's that he is so

typical The only wonder is that his wife has allowed him to publish it *Bibliotherapy* Bijal Shah,2024-02-22 Utterly fascinating I have long felt that books can be medicine Now I understand why Read this book Feel better Beth Kempton bestselling author of *Wabi Sabi* Japanese wisdom for a perfectly imperfect life One of the most fascinating books that I have read in years Beautifully written and full of insights this book demonstrates the healing power of stories and how you can transform your life through bibliotherapy Simon Alexander Ong bestselling author of *Energize* international keynote speaker and award winning coach In this unique and transformational guide to healing bibliotherapist and counsellor Bijal Shah explores the restorative power of reading *Bibliotherapy* traces the history of how therapeutic reading evolved including the important role played by the best writers such as the Stoics Montaigne Eliot and Wordsworth In doing so Bijal offers first hand stories from clients who have found solace in great works of literature when struggling with grief relationships or illness Full of practical advice and insights into how bibliotherapy really works Bijal offers an A to Z reading list of books for every mood and need A much needed reminder of how comforting and life changing reading can be *Bibliotherapy* is a sumptuous celebration of books that will invite you to see them as more than just an escape but a legitimate form of self care
