like broken bones but when it comes to our children's mental health the answers are much less clear and sometimes even contradictory. Pier Bryden and Peter Szatmari, top child and adolescent psychiatrists, are here to help. Using their combined six decades working with families and kids and their own experiences as parents, they break down the stigma of mental health illness and walk parents through the warning signs, risk factors, prevention strategies, and the process of diagnosis and treatment for mental health challenges arising from Eating disorders, Anxiety, Psychosis, Sleep Disorders, Substance Use Disorders, ADHD, Autism, Depression, Trauma, Suicidal thoughts and behaviors. The most important thing to remember as a parent is that you and your child are not alone. Wellness is a continuum and there is a lot parents can do to bring their child back to a place of safety. The road ahead isn't always easy or straightforward, but this guidebook offers essential advice that every parent needs to advocate for their child.

The Conscious Parent's Guide to Positive Discipline Jennifer Costa, 2016-02. Help your child learn self-discipline, cooperation, and responsibility. When a child misbehaves, the situation can quickly escalate into an uphill battle of yelling, tears, and resistance on both sides. But what if you could avoid all that? Conscious parenting is about being present with your child and taking the time to understand the reasons and motivations behind behaviors. This relationship-centered approach means that you respect your child's point of view as you both learn how to create a mutually beneficial set of behavioral rules. By practicing this mindful method, you can support your child emotionally and help nurture important social development. Parent coach Jennifer Costa teaches you how to communicate openly with your child about proper behavior, build a supportive home environment, determine your child's behavioral triggers, learn strategies that will help your child feel calm, teach your child long-term coping skills, discipline your child without embracing anger. With *The Conscious Parent's Guide to Positive Discipline*, you will learn to create a calm and mindful atmosphere for the whole family while helping your child feel competent, successful, and healthy.

A Parent's Guide to Building Resilience in Children and Teens Kenneth R. Ginsburg, Martha Moraghan Jablow, 2006. Today's children face a great deal of stress: academic performance, heavy scheduling, high achievement standards, media messages, peer pressures, family tension. Without healthier solutions, they often cope by talking back, giving up, or indulging in unhealthy behaviors. Show your child how to bounce back and THRIVE with coping strategies from one of the nation's foremost experts in adolescent medicine. This 7 C plan for resilience helps kids of all ages learn competence, confidence, connection, character, contribution, coping, and control to help them bounce back from challenges. You'll find effective strategies to help your children and teens make wise decisions, recognize and build on their natural strengths, deal effectively with stress, foster hope and optimism, develop skills to navigate a complex world, avoid risky behaviors, take care of their emotions and their bodies. Plus, two Personalized Stress Management Plans help your child create a customized strategy. It's everything your child needs to face life's challenges and bounce back with confidence.
