Facing "The Talk" Wendy Elizabeth Chapin, 2015-09-25 What are

we teaching our daughters about sex Professor Elizabeth Chapin inspires you to have open conversations about sex that will prepare your girls to make healthy wise and informed choices Give them more than a set of rules about sex instead offer them an alternative imagination that reframes what Western media culture defines sex to be *Homosexuality FAQs - A Christian Perspective eBook* Daniel Lim & Ian Toh, 2022-07-22 Homosexuality is not a recent phenomenon or a newly emerged issue It exists since the ancient time despite the suppression by tradition and culture It started to surface in recent years as technology and media have developed in racing speed The society has become more open and acceptive to the topic people started to reflect on the traditional thinking on human relationship voices and discussions regarding homosexuality are getting common The word homosexuality which merely means same sex relationship in the past has evolved to LGBTQ which covers Lesbians Gays Bisexuals Transgenders and Queers nowadays Although there are more discussions do we truly understand LGBTQ How should we discern the right and wrong From Christian perspective how should see it and live with its community Does the Bible provide us the answer In the past when religions are confronted by issues of homosexuality and LGBTQ they would quickly jump into a conclusion such as sin against the nature promiscuity unclean etc On one hand religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community on the other hand media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ so that people or religious bodies who hold different point of views may be labeled as conservative old fashioned traditional conventional etc Over time a gap has formed between LGBTQ and religious communities Nevertheless before we decide between the right and wrong or give people a label of unrighteousness could we jump out of the endless quarrel opposition or criticism Could we adjust our perspective to understand to observe and to contemplate the matter so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God

Homosexuality FAQs A Christian Perspective is a wonderful guide for Churches It helps readers to understand the issue more comprehensively find out the viewpoints of the Bible and learn how to reach out and serve LGBTQ community This book clears doubts and confusions on LGBTQ through 10 questions in the first section It tries to rebut general arguments from objective and scientific perspective In the second section it discusses LGBTQ from biblical perspective through 16 questions Lastly the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue Each answer begins with quick response to give readers the key concept then followed by elaboration and more supplementary information This structure is clear and easy to follow What I appreciate the most is that it does not merely lay out a pile of data and evidence but also shares ministry tips at the end of some answers so that readers can break through the frame of merely knowledge thinking and critique and more important they can learn how to bridge the gap between the LGBTQ and us counsel and serve LGBTQ community Whether you want to know more the issue or feel the burden to serve the LGBTQ community this book is worth to read Bishop Dr Titus Chung Anglican Diocese of Singapore President National Council of

Churches of Singapore **Examining the Impact of Trauma** Bradley D. Grammer, 2016-06-16 Through twenty five years of walking alongside those in conflict with their sexuality Brad has come to understand what is at the heart of same sex attraction trauma Little is understood about the concept of trauma and only recently has the method of trauma informed care come to the forefront of helping others People often react negatively to the concept of trauma being at the heart of any kind of gender identity or sexual confusion Christians also struggle to understand and provide loving help to those who have sought to overcome attractions they do not desire Believers need to be equipped with a deeper understanding of the foundations of same sex attraction whether they face these desires themselves or have loved ones for whom they care An integral part of helping those with same sex attraction is learning what we all have in common in experiences with trauma and our reactions to it Brad draws from his own story as well as his ministry experience to add to the discussion in hopes of filling in the gaps that remain unfilled on the issue of same sex attraction **Satisfaction Guaranteed** Jonathan

Berry, 2016-05-19 Convinced that real satisfaction can be found only in a relationship with Jesus Christ the author aims to encourage inspire and equip all who struggle with same sex temptations to resist but make him their greatest treasure and live life to the full He invites us to dig deep and discover great truths about our awesome God and his plans and purposes for our lives for only then can we live bravely boldly and counter culturally He writes candidly humbly and sensitively with fellow strugglers in mind but also their friends families and the church leaders who support them interweaving deeply personal stories from real life God is good He can be trusted even in the most painful situation The surprising paradox is that it is the narrow road that leads to the abundant life promised by Jesus All But Invisible Nate Collins, 2017-09-12 What does it mean to be gay and a Christian Beginning with how the Bible describes the Church author Nate Collins outlines a vision for community life that challenges Christians to examine obstacles that inhibit spiritual unity This new vision calls straight and non straight believers alike to patterns of Christian obedience that respect and honor their similarities and differences In addition Collins provides a theological framework for understanding how Genesis 1 2 describes both gender and sexuality He then unpacks biblical concepts like desire lust and temptation and applies them to modern constructs like sexual attraction and orientation Collins explores the theme of identity focusing on facets of personal identity that are central to the experience of Christian gender minorities He looks at what Scripture says about the formation and function of Christian identity highlighting several theological and sociological tensions Collins writes for believers who have a traditional sexual ethic and provides a compelling vision of gospel flourishing for gay lesbian and other same sex attracted individuals

Invitation to Christian Ethics Ken Magnuson, 2020-09-29 A comprehensive introduction to Christian ethics addressing today s most challenging moral issues Invitation to Christian Ethics is an indispensable guide for helping pastors counselors and everyday Christians navigate today s difficult moral questions Readers will benefit from Ken Magnuson s survey of ethics from a biblical perspective as well as contemporary theories of moral reasoning This survey is followed by twelve chapters

devoted to some of the thorniest issues Christians encounter today such as Sexuality including homosexuality sexual identity and gender Marriage and divorce Infertility and assisted reproductive technologies Abortion Physician assisted suicide Race relations Creation care Capital punishment Just war pacifism and the use of lethal force Magnuson provides biblical insight into each topic and presents key moral considerations He also answers specific practical questions that arise and concludes with a summary of his recommended approach to each issue Readers will learn how to grapple with difficult moral questions and will receive guidance for some of life's most challenging ethical conundrums **Christian Counseling Ethics**

Randolph K. Sanders, 2013-03-08 Editor Randolph K Sanders assembles a team of scholar practitioners to forge a comprehensive ethical approach to Christian counseling Christian psychotherapists pastors and others in the counseling profession will find here a ready resource for a wide array of contemporary clinical scenarios A War of Loves David Bennett, 2018-11-13 At 14 David Bennett came out to his parents At 19 he encountered Jesus Christ At that moment his life changed forever As a young gay man David Bennett saw Christianity as an enemy to freedom for LGBTQI people and his early experiences with prejudice and homophobia led him to become a gay activist But when Jesus came into his life in a highly unexpected way he was led down a path he never would have predicted or imagined In *A War of Loves* David recounts his dramatic story from his early years exploring new age religions and French existentialism to his university experiences as an activist Following supernatural encounters with God he embarked on a journey not only of seeking to reconcile his faith and sexuality but also of discovering the higher call of Jesus Christ *A War of Loves* investigates what the Bible teaches about sexuality and demonstrates the prodigal unqualified grace of God for all people David describes the joy and intimacy he found in following Jesus Christ and how love has taken on a radically new and far richer meaning for him *Costly*

Obedience Mark A. Yarhouse, 2019-06-25 Though we often hear about the gay problem today there is an even deeper problem in the church today one that we often overlook The call to follow Christ is a call to costly obedience for all not just for gay Christians Far too often the church has elevated homosexuality above other sins and required a costly obedience from gays that it is unwilling to demand of others And yet the answer is not to weaken the demands of obedience Instead gay Christians who make the difficult choice to align their lives with the biblical view of sexuality are a gift to the church reminding all of us that spiritual growth and maturity is costly There is a price to pay in following Christ and devoting our lives to the call of the gospel and it is one that we all must pay gay and straight Christians alike Through the stories and struggles of gay Christians who are reorienting their lives around the costly obedience required to follow Christ Mark Yarhouse and Olya Zaporozhets call the church to reorient as well leaving behind the casual morality that is widespread today to pursue the path of radical discipleship Unlike any other book on homosexuality and the church this is a call to examine your life and consider what God is asking you to lay down to take up your cross and follow him SCM Studyguide: Theology in the Contemporary World

Ben Pugh, 2017-11-30 No sooner have they mastered the basics than students of theology can quickly find themselves in over

their heads They are bombarded with claim and counter claim as soon as they want to tackle anything topical The contentious subjects tend to be the historical Jesus gender and sexuality or the atonement Other subjects might be less contentious but attract an astonishing excess of literature Take the vast literature tackling the subject of the Church for instance or the bloated body of tomes on various aspects of Pneumatology This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive approachable and informative It will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry Subjects covered include The Quests for the Historical Jesus Third Article Theology The Missional Church Liberation Theology Feminist LGBT and Queer Approaches Postmodern Faith and the Emerging Church Nonviolent Atonement Do Ask, Do Tell, Let's Talk Brad Hambrick, 2016-03-01 Conversations among friends accomplish more than debates between opponents Conversations on controversial issues do not go well when the dialogue happens community to community or figurehead to figurehead Whether it's race religion or politics groups don't talk well with groups Too much is at stake when we feel like our words and actions speak for the collective whole Platforms and podiums will never accomplish what can only be done around dinner tables and in living rooms Two individuals from those respective groups are much more likely to forge a good relationship influencing one another in various ways Unfortunately an individual who listens well is often viewed by his or her collective compatriots as engaging in compromise at the group level representing each side fairly feels too much like agreement That is why the aim of this book is friendship Friendship is the level at which influence can be had because the dialogue does not seek to represent an agenda but to understand a person Friendship is what protects good points from becoming gotcha moments The subject for which this approach may be most vital for the modern church may be homosexuality and same sex attraction SSA Yet our approach has tended to be more polemical or political than pastoral and personal Churches have articulated their position on a conservative sexual ethic Churches have re-examined the key biblical texts that are challenged in defense of a progressive sexual ethic As important as these things are however they do not equip everyday Christians to develop meaningful friendships with people who experience same sex attraction or have embraced a gay identity In the absence of relationship our theology becomes theory Many Christians are seeing that the church's unwillingness to befriend people who experience SSA has blocked us from engaging with the subject of homosexuality on a person to person level We are reticent to engage relationships where it feels probable that there will be awkwardness Admittedly this book is not as neat as you might like for it to be Many tensions will be navigated maybe not all contradictions will be avoided However when it comes to being salt and light for the sake of the gospel it seems far better to choose possible messiness over guaranteed ineffectiveness That means we must realize that it is good for us to have conversations where we don't know what to say This is part of the essence of being a growing person When we're not having conversations that challenge us to think about new things we will commit sins either of pride or apathy We should always be praying that God

will bring people into our lives who will provide the opportunity for us to ask new and important questions The desire of this book is to be a resource God uses to grow his people into excellent ambassador friends to their classmates colleagues and family members who experience SSA If this is what you want to do and be then God will be faithful to complete this work in you regardless of the strengths and weaknesses insights and oversights of this book Philippians 1:6 Thank you for taking this journey with me Brad Hambrick

Religious Trauma, Queer Identities Joel Hollier, 2023-04-06 In a polarised milieu that too often posits queer and Christian as competing realms this book explores the complexities of identity development religious traumatised and the task of creating safe faith spaces in which LGBTQA people can find healing particularly in the Evangelical context First Joel Hollier examines the historical path of Evangelicalism providing context for the current terrain of the culture war we find ourselves in He then parses out experiences of gender sexuality and religious spiritual identity development grounding them in an evolving theoretical base Finally Hollier offers a rounded critique of Evangelical church structures and mechanisms of trauma that hinder the healing process along with potential sources of healing Central to this work are the voices of LGBTQA people whose stories weave together a deeper understanding of the harms the Church has perpetrated and the path forward

Foundations for Youth Ministry Dean Borgman, 2013-10-01 Dean Borgman a nationally known youth ministry expert offers a new edition of his influential classic Reaching a broadly ecumenical audience this book challenges readers to think about the theological nature of youth ministry Questions for discussion and reflection are included This thoroughly updated edition was previously published as When Kumbaya Is Not Enough Praise for the first edition Writing with the lens of a theologian the heart of a pastor and welcome doctrinal breadth Borgman has provided a field book of pastoral theologies that takes seriously the social systems shaping the lives of adolescents This book is a significant step toward the long awaited conversation about theology and youth ministry in postmodern culture Kenda Creasy Dean Princeton Theological Seminary author of Almost Christian In this excellent work Borgman brings theological integrity depth and years of wisdom like nothing else I have seen in our field Jim Burns author of Teenology The Art of Raising Great Teenagers
