Christ's Teaching of Judgment to Christians David Rivington, 2017-07-06 Christ s Teaching of Judgment to Christians by David Rivington The most terrifying words ever spoken by the Lord Jesus Christ were spoken to Christians to His own disciples when He said Not everyone who says to Me Lord Lord shall enter the kingdom of heaven but he who does the will of My Father in heaven Many will say to Me in that day Lord Lord have we not prophesied in Your name cast out demons in Your name and done many wonders in Your name And then I will declare to them I never knew you depart from Me you who practice lawlessness Matthew 7 21 23 What does Jesus mean What are Christ s warnings to professing 21st century Christians today This book is written to answer Christ s own teaching to these questions and God s judgment upon every professing Christian I know of no chapter in all of Scripture which needs to be

taught and explained to Christians in this modern superficial and confused Church age more than Matthew chapter 7 David Rivington *My Testimonies of His Amazing Grace* Kin Szeto, 2024-08-28 My Testimonies of God's Grace and Mercy is compilation of stories that point to the goodness of God It is a demonstration of God's unchanging grace and mercy and faithfulness to an ordinary person Stories of faith inspire and encourage Someone who dared to believe in God and pray Because I chose to trust Him and confess repent and activate my faith in His Word gained and joy peace victory in the middle of daunting circumstances and open break troughs for victory I know if God did it once He would do it again Allow theses stories to minister to you of God's love and mercy and blessings I pray you will be blessed In his book My Testimonies of His Amazing Grace Kin Szeto shares powerful and personal testimonies to help his readers understand the Amazing Grace of God It is quite a testimony to read about how he came to receive Jesus Christ He shares his experience in his wilderness season and testifies that prayers bring about supernatural deliverance and strategies for confronting and overcoming strongholds He testifies also on how his life was protected based on Psalm 91 and so many other testimonies I highly recommend this book Rev Mwesigwa Samson Newton Ebenezer Reformed Church Uganda East Africa <https://www.cpermission.org/uganda>

The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism

Misled Allen Parr, 2023-06-13 The gospel is under attack today not only from outside cultural forces but also from within the church In Misled popular YouTuber and Bible teacher Allen Parr equips readers to identify and withstand seven of the most common false teachings that undermine the gospel and lead many well meaning Christians astray For an anxious and weary world the gospel of Jesus Christ is the one true source of deep peace and lasting joy But today many supposedly Christian teachers are spreading ideas that amount to what Paul called another gospel The result A generation of believers confused about what God really says what he offers and what he wants for his children From the heavy burden of legalism to an overemphasis on prosperity or spiritual gifts to warped understandings of grace every false teaching has two things in common they all use half truths that look and sound biblical making them very difficult to identify and they all harm and discourage those who are trying to follow the way of Jesus In Misled Allen Parr weaves

together stories from his own spiritual journey and the lives of those he s ministered to in order to show the painful consequences of following false teachings and to provide clear explanations of what the Bible really teaches about the gospel Readers will learn about seven of the most misleading and harmful messages that run rampant within the church today be equipped to identify not only wolves in shepherd s clothing who peddle counterfeit gospels but also well intentioned teachers whose half truths are no less harmful to the church and discover how they can find the freedom peace and joy that only comes from embracing the gospel in all its purity and simplicity With the same balanced Bible based approach that has made Parr s YouTube channel a go to resource Misled offers clarity and hope for anyone who has felt discouraged or confused in their spiritual journey and invites readers to find everything they ve been searching for in the true gospel

What the Bible Says about Speaking in Tongues John Argubright,2014-05-22 The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him crucified would be preached to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics

of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets They Make It Sound So Easy Mary Bernice,2025-06-04 On one previous occasion Mary Bernice had gone to a church service The church was an hour and a half drive from her home but she felt that is where the Lord wanted her When she would arrive at church she would stop at the restroom and fix herself up after the long drive before entering the service One of these times a young lady came into the restroom asking if anyone had some pain reliever because she had a bad headache When she got to Mary Bernice she asked for pain reliever Mary Bernice told her that she had no pain pills but if she would like she would pray for her She welcomed the prayer offer Mary Bernice prayed for her healing and went on into the service After the service the young lady caught up with Mary Bernice to tell her that the headache had completely gone away without her having to take any pain pills What a testimony of God s Word at work God has shared with His children through His Word the importance of faith They Make It Sound So Easy addresses some often subconscious thoughts that unaddressed could be a hindrance to a believer s manifestation of healing God s Word will put to flame and expose under the surface lies that lead to discouragement and it will also rekindle the born again believer s spirit with the reminder of their victory in Christ Jesus This book is intended to encourage believers with the truth that they are loved by God and can walk in victory over those defeated illnesses All to God s Glory by Christ Jesus Be not afraid only believe Mark 5 36 **INSINCERE, IRRELEVANT, INVALID** Dustin M. Fugate,2022-04-04 Whether it be over politics religion or types of flooring in their houses the younger generations seem to always end up falling short of the older generation s standards Perhaps deservedly so the younger generations are keenly aware of the criticisms they receive from their elders especially when it comes to the Church and Christianity Join Dustin as he navigates through the religious and cultural foundations in which the younger generations were reared and search for clues as to why the younger generations always seem to get stuck with the brunt of the blame for the current state of the Modern Church Who is truly at fault Did these younger generations get dealt a bad hand Or are they just selfishly abusing and carelessly handling what was given to them Insincere Irrelevant Invalid seeks to shed light on what has happened to these younger generations and help readers understand exactly why there is such a rapidly growing schism between the Modern Church and the younger generations while properly defining what Church is who it is for man s role and why we Worship **The Spirit of Praise** Monique M. Ingalls,Amos Yong,2015-06-18 In The Spirit of Praise Monique Ingalls and Amos Yong bring together a multidisciplinary scholarly exploration of music and worship in global pentecostal charismatic Christianity at the beginning of the twenty first century The Spirit of Praise contends that gaining a full understanding of this influential religious movement requires close listening to its songs and careful attention to its patterns of worship The essays in this volume place ethnomusicological theological historical and sociological perspectives into dialogue By engaging with these disciplines and exploring themes of interconnection interface and identity

within musical and ritual practices the essays illuminate larger social processes such as globalization sacralization and secularization as well as the role of religion in social and cultural change Aside from the editors the contributors are Peter Althouse Will Boone Mark Evans Ryan R Gladwin Birgitta J Johnson Jean Ngoya Kidula Miranda Klaver Andrew Mall Kimberly Jenkins Marshall Andrew M McCoy Martijn Oosterbaan Dave Perkins Wen Reagan Tanya Riches Michael Webb and Michael Wilkinson
