Smith,Daniel C. Barkley,Daniel D. Cornwall,Eric W. Johnson,J. IPPY Silver Medal Winner in U S History During the Civil War his movements from battlefield to battlefield were followed in the North and in the South nearly as closely as those of generals though he was not in the military After the war his swift response to Ku Klux Klan violence sparked passage of a landmark civil rights law though he was not a politician When he died in 1888 newspapers reported his death from coast to coast yet he s unknown today He was the man who delivered the

most valuable ingredient in U S soldiers fighting spirit during those terrible war years letters between the front lines and the home front He was Absalom Markland special agent of the United States Post Office and this is his first biography At the beginning of the Civil War at the request of his childhood friend Ulysses S Grant Markland created the most efficient military mail system ever devised and Grant gave him the honorary title of colonel He met regularly with President Abraham Lincoln during the war and carried important messages between Lincoln and Generals Grant and William Tecumseh Sherman at crucial points in our nation s peril When the Ku Klux Klan waged its reign of terror and intimidation after the Civil War Markland s decisive action secured the executive powers President Grant needed to combat the Klan Nearly every biography of Lincoln Sherman and Grant includes at least one footnote about Markland but his important sometimes daily interaction with them during and after the war has escaped modern notice until now Absalom Markland is a forgotten American hero Delivered Under Fire tells his amazing story
