issues and offers the beginning of a theology of other religions *Can We Still Believe the Bible?* Craig L. Blomberg, 2014-04-01 Challenges to the reliability of Scripture are perennial and have frequently been addressed. However, some of these challenges are noticeably more common today and the topic is currently of particular interest among evangelicals. In this volume, highly regarded biblical scholar Craig Blomberg offers an accessible and nuanced argument for the Bible's reliability in response to the extreme views about Scripture and its authority articulated by both sides of the debate. He believes that a careful analysis of the relevant evidence shows we have reason to be more confident in the Bible than ever before. As he traces his own academic and spiritual journey, Blomberg sketches out the case for confidence in the Bible in spite of various challenges to the trustworthiness of Scripture, offering a positive, informed, and defensible approach.

Ve-'Ed Ya'aleh (Gen 2:6), Volume 2 Peter Machinist, Robert A. Harris, Nili Samet, Noga Ayali-Darshan, 2021-09-17 Sixty-six colleagues, friends, and former students of Edward L. Greenstein present essays honoring him upon his retirement. Throughout Greenstein's half-century career, he demonstrated expertise in a host of areas, astonishing in its breadth and depth, and each of the essays in these two volumes focuses on an area of particular interest to him. Volume 1 includes essays on ancient Near Eastern studies, Biblical Hebrew, and Northwest Semitic languages and biblical law and narrative. Volume 2 includes essays on biblical wisdom and poetry, biblical reception and exegesis, and postmodern readings of the Bible. 40 Questions About the End Times Eckhard J. Schnabel, 2012-01-12 This contribution to the 40 Questions series continues the tradition of excellent research presented in accessible language and clear writing. Designed for both students and general readers, this resource helps them make sense of one of the Bible's most difficult topics. Eckhard Schnabel, a professor at a leading seminary and the author of several major works, looks at the future of the world, the church, and Israel; the return of Jesus and the millennium; and the final judgment. He answers questions related to the rapture, the 144,000, the identity of the two witnesses, Armageddon, how to interpret Revelation, heaven and hell, and so forth. The result is an even-handed treatment that avoids sensationalism and a newspaper headline approach to prophecy; that is, interpreting prophecy according to current events. Rather, Schnabel carefully studies the biblical text in light of its first-century context and draws biblically based conclusions. **The Missionary Family** Dwight P. Baker, Robert J. Priest, 2014-08-29 The title of this book points to a feature the missionary family often considered to be distinctive of the Protestant missionary movement. Certainly, the presence of missionary families in the field has been a central factor in enabling, configuring, and restricting Protestant missionary outreach. What special concerns does sending missionary families raise for the conduct of mission? What means are available for extending care and support to missionary families? These issues are the focus of the chapters in part 1 of this book. In recent years, an increasing number of reports have surfaced of sexual abuse in mission settings. Some reports have been based on recovered memories, the assessment of which raises difficult questions. Clearly, sexual abuse in mission settings and how to understand allegations of abuse based on recovered memories are matters of grave concern to mission.

agencies and mission supporters as well as to missionary families Part 2 serves the mission community by scrutinizing such matters offering legal historical and psychological perspectives on the topic In a new feature Forum on Sexual Orientation and Mission An Evangelical Discussion the Evangelical Missiological Society takes up a pressing issue of our day Fourteen evangelical scholars participate in the discussion found in part 3 Far from being the final word this forum is presented with the prayer that it will serve as an opening to and basis for ongoing missiological conversation about an urgent and timely topic
