Khrushchev The Man And His Era

Alan J. Levine

Khrushchev The Man And His Era:

Khrushchev William Taubman, 2003 Tells the life story of twentieth century Soviet leader Nikita Khrushchev featuring information from previously inaccessible Russian and Ukrainian archives

Khrushchev Prof. William Taubman, 2017-10-05 Taubman delivers a political and biographical tour de force something approaching a definitive work Simon Sebag Montefiore The Financial Times Outstanding superbly gripping and surely definitive Daily Telegraph Taubman has produced an utterly convincing picture of the contradictory Khrushchev from his peasant origins and meteoric rise through purges politburo plotting brave de Stalinisation and the erratic blustering bull in a china shop style that eventually alienated his colleagues and took the world to the brink of Armageddon over Cuba SUNDAY TIMES Unlikely to be surpassed any time soon either in richness or complexity A monumental biography New York Times William Taubman's brilliant biography of one of the key figures of the Soviet Union is a study in contrasts how the boy from a peasant background rose to the heights of power how a single minded ambitious political player survived twenty years under Stalin how he opened up to the West after Stalin's death and yet brought the world close to oblivion in the Cuban Missile Crisis What emerges is a fascinating picture of a man constantly torn between benevolence and malevolence a man who made himself cultured and yet who could never really escape his image as a bullying country bumpkin most famously demonstrated by his interruption of Macmillan's speech to the UN in 1960 by banging his shoe on the table the urbane Macmillan responded Mr President perhaps we could have a translation I could not quite follow William Taubman has previously edited collections of Nikita Khrushchev's speeches and reminiscences and is completely immersed in this subject his biography is likely to remain the standard work for years to come

Khrushchev , Presents Soviet political leader Nikita Khrushchev's 1894-1971 Secret Speech at the Twentieth Congress of the Communist Party of the Soviet Union on February 24-25 1956 The speech discusses Soviet leader Joseph Stalin 1879-1953 and the cult of personality Notes that Stalin abused his power and terrorized the Soviet people

Khrushchev William Taubman, 2009-07-10 A portrait of the head of the Soviet Union whose rule followed Stalin's identifies his impact on the country and the rest of the world citing how his career reflected of the Soviet experience and tracing his efforts to reform communism and ease the cold war Reprint 20 000 first printing

Gorbachev William Taubman, 2017-09-05 Finalist for the National Book Critics Circle Award in Biography Longlisted for the Andrew Carnegie Medal for Excellence in Nonfiction The definitive biography of the transformational Russian leader by the Pulitzer Prize winning author of Khrushchev Essential reading for the twenty first century Radhika Jones The New York Times Book Review When Mikhail Gorbachev became the leader of the Soviet Union in 1985 the USSR was one of the world's two superpowers By 1989 his liberal policies of perestroika and glasnost had permanently transformed Soviet Communism and had made enemies of radicals on the right and left By 1990 he more than anyone else had ended the Cold War and in 1991 after barely escaping from a coup attempt he unintentionally presided over the collapse of the Soviet Union he had tried to save In the

first comprehensive biography of the final Soviet leader William Taubman shows how a peasant boy became the Soviet system's gravedigger how he clambered to the top of a system designed to keep people like him down how he found common ground with America's arch conservative president Ronald Reagan and how he permitted the USSR and its East European empire to break apart without using force to preserve them Throughout Taubman portrays the many sides of Gorbachev's unique character that by Gorbachev's own admission make him difficult to understand Was he in fact a truly great leader or was he brought low in the end by his own shortcomings as well as by the unyielding forces he faced Drawing on interviews with Gorbachev himself transcripts and documents from the Russian archives and interviews with Kremlin aides and adversaries as well as foreign leaders Taubman's intensely personal portrait extends to Gorbachev's remarkable marriage to a woman he deeply loved and to the family that they raised together Nuanced and poignant yet unsparing and honest this sweeping account has all the amplitude of a great Russian novel [Gorbachev William Taubman,2013-05](#)

The Many Lives of Khrushchev's Thaw Stephen V. Bittner,2008 The Arbat neighborhood in central Moscow has long been home to many of Russia's most famous artists writers and scholars as well as several of its leading cultural establishments In an elegantly written and evocative portrait of a unique urban space at a time of transition Stephen V Bittner explores how the neighborhood changed during the period of ideological relaxation under Khrushchev that came to be known as the thaw The thaw is typically remembered as a golden age a period of artistic rebirth and of relatively free expression after decades of Stalinist repression By considering events at the Vakhtangov Theater the Gnesin Music Pedagogy Institute the Union of Architects and the Institute of World Literature Bittner finds that the thaw was instead characterized by much confusion and contestation As political strictures loosened after Stalin's death cultural figures in the Arbat split often along generational lines over the parameters of reform and over the amount of freedom of expression now permitted De Stalinization provoked great anxiety because its scope was often unclear Particularly in debates about Khrushchev's urban planning initiatives which involved demolishing a part of the historical Arbat to build an ensemble of concrete and steel high rises a conflict emerged over what aspects of the Russian past should be prized in memory the late tsarist city the utopian modernism of the early Soviet period or the neoclassical and gothic structures of Stalinism Bittner's book is a window onto the complex beginning of a process that is not yet complete deciding what to jettison and what to retain from the pre Soviet and Soviet pasts as a new Russia moves to the future [The Soviets' Greatest Gambit Alan J. Levine,2021-08-19](#)

Adam J Levine analyzes the origins of the Cuban Missile Crisis with a particular focus on Nikita Khrushchev's motives and the response of the Kennedy administration Levine's account presents a different portrayal of the events than popularly told shedding light on John F Kennedy's decision making practices and personal behavior while out of public eye [The Encyclopedia of Diplomacy, 4 Volume Set Gordon Martel,2018-04-30](#)

The Encyclopedia of Diplomacy is a complete and authoritative 4 volume compendium of the most important events people and terms associated with diplomacy and international relations from

ancient times to the present from a global perspective An invaluable resource for anyone interested in diplomacy its history and the relations between states Includes newer areas of scholarship such as the role of non state organizations including the UN and M decins Sans Fronti res and the exercise of soft power as well as issues of globalization and climate change Provides clear concise information on the most important events people and terms associated with diplomacy and international relations in an A Z format All entries are rigorously peer reviewed to ensure the highest quality of scholarship Provides a platform to introduce unfamiliar terms and concepts to students engaging with the literature of the field for the first time

Russian and Soviet History Steven A. Usitalo, William Benton Whisenhunt, 2008-01-28 An original and thought provoking text Russian and Soviet History uses noteworthy themes and important events from Russian history to spark classroom discussion Consisting of twenty essays written by experts in each area the book does not simply repeat the conventional themes found in nearly all Russian history texts anthologies and documentary compilations Rather it showcases current thinking on Russian cultural political economic and social history from the end of the sixteenth century to the demise of the Soviet experiment Informed by archival work in the former Soviet Union and a broad range of published sources this book is intended to introduce students to Russian history in an accessible and provocative format Its eclectic essays offer readers an incomparable taste of the complexity and richness of Russia as it has evolved from late Muscovy to the modern era This text is perfect for undergraduate and graduate students in Russian history and is a great resource for scholars in the field Contributions by Sergei Arutiunov Richard Bidlack Kees Boterbloem James Cracraft Chester S L Dunning Colum Leckey Alexander M Martin Susan P McCaffray Martha Merritt Patrick O Meara Scott W Palmer Jelena Pogosjan Thomas E Porter Ana Siljak Douglas Smith William Taubman Steven A Usitalo Jeffrey Veidlinger Rex A Wade and William Benton Whisenhunt

Last Resort Beyond Last Resort Walter Herbst, 2025-04-29 John F Kennedy was an embattled president He was consistently at odds with the Joint Chiefs the CIA the radical right and Fascist groups in America and Western Europe who considered him too weak to contain the spread of communism After the Cuban Missile Crisis the animosity for the young President grew as JFK cracked down on right wing Cuban exile groups in America by preventing them from running sabotage raids against the Cuban mainland Confusion reigned for at the same time Robert Kennedy was putting together a coalition of left wing Cuban exiles to launch a second invasion of Cuba at the end of 1963 Meanwhile a right wing Cuban exile group operating independently of the Kennedys was looking to assassinate JFK which they believed would be a catalyst to compel the United States to invade Cuba with its military in retaliation The plan could have worked because of Lee Harvey Oswald He was a Marxist and Castro supporter who had defected to the Soviet Union in 1959 had renounced his citizenship and had revealed military secrets to the Russians He allegedly tried to shoot right wing General Edwin Walker was a member of the pro Castro Fair Play for Cuba Committee and in the summer of 1963 he was arrested in New Orleans for handing out pro Castro literature in public He traveled to Mexico City and tried to reach Havana two months before the JFK assassination He

wrote a letter to the Russian Embassy in Washington D C upon his return saying he used an alias while he was in Mexico He was measured as 5 9 tall during his autopsy which was two inches shorter than when he left the Marines four years before All this made him the perfect patsy to be used to justify a second invasion of Cuba So why didn t the United States invade Cuba after the JFK assassination when they had the opportunity to do so once and for all The answer to that question is West Berlin the gateway to Western Europe and a city President Kennedy was determined to protect at all costs even if it meant sacrificing Cuba to the Communists And a second invasion of Cuba placed Berlin in jeopardy so it could not be allowed to happen Another group came together in the spring of 1963 made up of CIA right wing Cold War veterans like Allen Dulles James Angleton Henry Hecksher William Harvey and Tracy Barnes These men had fought the Nazis during World War but came to consider them the lesser of two evils compared to the Soviet Union when the war was over And they were hell bent on keeping communism out of Europe by any means possible For over a decade leading up to JFK s Presidency they had collaborated with ex Nazis European Monarchists and French military Fascists in the war against communism to keep Europe safe So it was not surprising that they all came together once again to assassinate President Kennedy not to justify an invasion of Cuba but to prevent that from occurring They knew that if a second invasion of Cuba were to happen the Soviets would take West Berlin which would almost certainly have led to World War III So as a Last Resort Beyond Last Resort this group inevitably concluded that the only choice they had was to remove JFK from power before it was too late And mixed up in the middle of it all was Lee Harvey Oswald *Barbarism and Civilization* Bernard Wasserstein,2009 History Total Cold War Kenneth Alan Osgood,2006 Osgood focuses on major campaigns such as Atoms for Peace People to People and cultural exchange programs Drawing on recently declassified documents that record U S psychological operations in some three dozen countries he tells how U S propaganda agencies presented everyday life in America to the world its citizens living full happy lives in a classless society where economic bounty was shared by all Osgood further investigates the ways in which superpower disarmament negotiations were used as propaganda maneuvers in the battle for international public opinion He also reexamines the early years of the space race focusing especially on the challenge to American propagandists posed by the Soviet launch of Sputnik *Khrushchev's Cold Summer* Miriam Dobson,2011-10-15 Between Stalin s death in 1953 and 1960 the government of the Soviet Union released hundreds of thousands of prisoners from the Gulag as part of a wide ranging effort to reverse the worst excesses and abuses of the previous two decades and revive the spirit of the revolution This exodus included not only victims of past purges but also those sentenced for criminal offenses In Khrushchev s Cold Summer Miriam Dobson explores the impact of these returnees on communities and more broadly Soviet attempts to come to terms with the traumatic legacies of Stalin s terror Confusion and disorientation undermined the regime s efforts at recovery In the wake of Stalin s death ordinary citizens and political leaders alike struggled to make sense of the country s recent bloody past and to cope with the complex social dynamics caused by attempts to reintegrate the large influx of

returning prisoners a number of whom were hardened criminals alienated and embittered by their experiences within the brutal camp system Drawing on private letters as well as official reports on the party and popular mood Dobson probes social attitudes toward the changes occurring in the first post Stalin decade Throughout she features personal stories as articulated in the words of ordinary citizens prisoners and former prisoners At the same time she explores Soviet society s contradictory responses to the returnees and shows that for many the immediate post Stalin years were anything but a breath of spring air after the long Stalinist winter

China's Western Frontier and Eurasia Zenel Garcia, 2021-09-16 China has emerged as a dominant power in Eurasian affairs that not only exercises significant political and economic power but increasingly ideational power too Since the founding of the People s Republic Chinese Communist Party leaders have sought to increase state capacity and exercise more effective control over their western frontier through a series of state building initiatives Although these initiatives have always incorporated an international component the collapse of the USSR increasing globalization and the party s professed concerns about terrorism separatism and extremism have led to a region building project in Eurasia Garcia traces how domestic elite led narratives about security and development generate state building initiatives and then region building projects He also assesses how region building projects are promoted through narratives of the historicity of China s engagement in Eurasia the promotion of norms of non interference and appeals to mutual development Finally he traces the construction of regions through formal and informal institutions as well as integrative infrastructure By presenting three phases of Chinese domestic state building and region building from 1988 present Garcia shows how region building projects have enabled China to increase state capacity control and development in its western frontier Recommended for scholars of China s international relations and development policy

Berlin 1961 Deluxe Frederick Kempe, 2011-05-10 A breathtaking Deluxe eBook featuring forty one videos from the NBC archive including rare footage not seen in thirty years a video introduction by Tom Brokaw and a detailed timeline of events in this brilliant account of one of the epic dramas of the Cold War In June 1961 Nikita Khrushchev called Berlin the most dangerous place in the world He knew what he was talking about Much has been written about the Cuban Missile Crisis a year later but the Berlin Crisis of 1961 was more decisive in shaping the Cold War and more perilous For the first time in history American and Soviet fighting men and tanks stood arrayed against one another only yards apart One mistake one overzealous commander and the trip wire would be sprung for a war that would go nuclear in a heartbeat On one side was a young untested U S president still reeling from the Bay of Pigs disaster On the other was a Soviet premier hemmed in by the Chinese East Germans and hardliners in his own government Neither really understood the other both tried cynically to manipulate events And so week by week the dangers grew Based on a wealth of new documents and interviews filled with fresh sometimes startling insights written with immediacy and drama *Berlin 1961 Deluxe* is a masterful look at key events of the twentieth century with powerful applications to these early years of the twenty first Frederick Kempe is president and CEO of the Atlantic Council

and previously spent more than twenty five years as a reporter columnist and editor for The Wall Street Journal This is his fourth book Kempe lives in Washington D C **Vodka Politics** Mark Schrad,2014-03 Alcohol and alcoholism have long been prominent features in Russian life and culture But as Mark Schrad vividly shows in Vodka Politics it has also been central to Russian politics Not simply a chronicle of drinking in Russia this book shows how alcohol has been a key shaping force in Russian political history **Humanities** ,2008 **Brothers at War** Sheila Miyoshi Jager,2013-06-24 The most balanced and comprehensive account of the Korean War The Economist Sixty years after North Korean troops crossed the 38th parallel into South Korea the Korean War has not yet ended Sheila Miyoshi Jager presents the first comprehensive history of this misunderstood war one that risks involving the world s superpowers again Her sweeping narrative ranges from the middle of the Second World War when Korean independence was fiercely debated between Roosevelt Stalin and Churchill to the present day as North Korea with China s aid stockpiles nuclear weapons while starving its people At the center of this conflict is an ongoing struggle between North and South Korea for the mantle of Korean legitimacy a brother s war which continues to fuel tensions on the Korean peninsula and the region Drawing from newly available diplomatic archives in China South Korea and the former Soviet Union Jager analyzes top level military strategy She brings to life the bitter struggles of the postwar period and shows how the conflict between the two Koreas has continued to evolve to the present with important and tragic consequences for the region and the world Her portraits of the many fascinating characters that populate this history Truman MacArthur Kim Il Sung Mao Stalin and Park Chung Hee reveal the complexities of the Korean War and the repercussions this conflict has had on lives of many individuals statesmen soldiers and ordinary people including the millions of hungry North Koreans for whom daily existence continues to be a nightmarish struggle The most accessible up to date and balanced account yet written illustrated with dozens of astonishing photographs and maps Brothers at War will become the definitive chronicle of the struggle s origins and aftermath and its global impact for years to come *The Rise and Fall of the Soviet Union* Martin McCauley,2014-01-14 An expert in probing mafia type relationships in present day Russia Martin McCauley here offers a vigorously written scrutiny of Soviet politics and society since the days of Lenin and Stalin John Keep Professor Emeritus University of Toronto The birth of the Soviet Union surprised many its demise amazed the whole world How did imperial Russia give way to the Soviet Union in 1917 and why did the USSR collapse so quickly in 1991 Marxism promised paradise on earth but the Communist Party never had true power instead allowing Lenin and Stalin to become dictators who ruled in its name The failure of the planned economy to live up to expectations led to a boom in the unplanned economy in particular the black market In turn this led to the growth of organised crime and corruption within the government The Rise and Fall of the Soviet Union examines the strengths weaknesses and contradictions of the first Marxist state and reassesses the role of power authority and legitimacy in Soviet politics Including first person accounts anecdotes illustrations and diagrams to illustrate key concepts McCauley provides a seminal history of twentieth century Russia

Khrushchev The Man And His Era Book Review: Unveiling the Power of Words
