Bilingual Children's Language and Literacy Development Roger Barnard, Ted Glynn, 2003-01-01 This book contains case studies relating the experience of bilingual children in various settings in New Zealand primary schools The contexts include a Maori bilingual school a Samoan bilingual unit and mainstream classrooms which cater for immigrant and deaf children Suggestions for educational policy teacher development and research are made **Addressing Difficulties in Literacy Development** Gavin Reid, Janet Soler, Janice Wearmouth, 2013-09-27 This book outlines and critiques international strategies and programmes designed to address difficulties in literacy development The high profile team of contributors consider teaching programmes which operate at family school pupil and teacher levels They argue that school is not the only legitimate location for literacy education and show how difficulties in literacy can be addressed sequentially both in and out of the school context Issues addressed include the dilemmas facing practitioners in choosing between multiple approaches to practice the factors which must be addressed in strategies which operate at the level of the family and the community how to ensure the school can support programmes designed to improve literacy learning how to put theory into practice in programmes designed for use with individual students the teacher as reflective practitioner developing professional practice which effectively raises literacy achievement This book will be of interest to postgraduate students teachers researchers educational professionals and policymakers who are looking for practical strategies to address difficulties in literacy development This reader forms the basis of the Open University's Difficulties in Literacy Development course and is ideal for similar courses nationally and internationally Phonics Handbook Tom Nicholson, 2006-02-03 One in four school students struggle to read The Phonics Handbook has been written to give assistance to teachers in helping students with reading difficulties Taking a phonological approach the book is set out in the form of lesson plans designed to be used instantly requiring no preparation The book is based on the wisdom gained from working with hundreds of students who have attended the author's after school reading clinic This is reflected in the practical approach to helping students of all ages including those with English as a second language and those with a range of difficulties including special needs motivational and attention problems Phonics Handbook includes lesson plans for every phonics skill from the basic alphabet sounds through to blends digraphs syllable breaking and decoding Latin and Greek words Each lesson is followed by a worksheet for

students Using this format the book incorporates diagnostic assessment to measure what students need at the outset of teaching as well as measuring whether the tutoring has been effective Additional teaching strategies are given to reinforce spelling and assist reading comprehension Strategies for hard to teach students and information on reporting to parents are included incorporating research on the best tutoring methods Independence in Reading Don Holdaway,1980 Grade level 1 2 3 4 5 p e i t *Developing a Leadership Role Within the Key Stage 1 Curriculum* Julie Davies,1995 Since 1989 initial teacher training courses in England and Wales have recognized the need for teachers to take a lead in a school subject area in their first appointment There is no longer a place for a primary school teacher newly qualified or not whose sole responsibility is his or her own class Further a teacher must have specific specialist knowledge and expertise in particular subjects which must be disseminated to the rest of the staff A teacher also needs to develop the skills of communication leadership and persuasion **Developing A Leadership Role Within The Key Stage 2 Curriculum** Mike Harrison,2002-01-04 Since 1989 initial teacher training courses in England and Wales have included teacher preparation for taking a lead in a school subject area in their first appointment There is no longer a place for a teacher newly qualified or not in primary schools whose sole responsibility is for his or her own class A teacher must have specific specialist knowledge and expertise in particular subjects which must be shared with all staff This text contains the latest curriculum and assessment changes It aims to help students and newly qualified teachers to understand the complexities of being a co ordinator of a National Curriculum subject in Key Stage 2 and reports on best practice *Behaviour Analysis in Educational Psychology* Kevin Wheldall,Frank Merrett,Ted Glynn,2017-09-13 In the early 1980s there had been a marked increase in the application of behavioural methods in schools However much of this work was weak conceptually and limited in its remit Behaviour analysis has more to offer education than smarties and time out Originally published in 1986 this collection of twenty papers many of them experimental serves to demonstrate the power of behaviour analysis in a wide variety of applications The editors stress the importance of antecedent control as well as consequence management strategies and illustrate their relevance in solving problems in everyday situations at school and in the home The Editors whose own work is well represented in this collection are acknowledged as leading researchers in this field **Fluency Instruction** Timothy V. Rasinski,Camille L. Z. Blachowicz,Kristin Lems,2012-04-16 Subject Areas Keywords assessments decoding elementary English language learners fluency literacy instruction oral reading primary grades prosody reading comprehension reading expressiveness reading methods secondary struggling readers Description This accessible guide brings together well known authorities to examine what reading fluency is and how it can best be taught Teachers get a clear practical roadmap for navigating the often confusing terrain of this crucial aspect of balanced literacy instruction Innovative approaches to instruction and assessment are described and illustrated with vivid examples from K 12 classrooms The book debunks common misconceptions about fluency and clarifies its key role in comprehension Effective practices are presented for

developing fluency in specific populations including English language learners adolescents and struggling readers

Data Culture and the Organisation of Teachers' Work Nerida Spina, 2020-05-31 Data Culture and the Organisation of Teachers Work provides an in depth look at how the political and media scrutiny of teachers pupils and schools now organises teaching and learning Spina also examines how educational data is used in schools and where it fails to take account of the everyday experiences of school leaders teachers and students Drawing on primary research and discussing practice in relation to the National Assessment Programme Literacy and Numeracy NAPLAN this book discusses the strengths and weaknesses of a data driven approach the restrictions this can impose and how to navigate them as a teacher Ideal for scholars and postgraduate students of education this book provides a comprehensive institutional ethnographic look into the daily lived experiences of teachers and the effects of standardised testing

Leading improvement in literacy teaching and learning Robyn Cox, 2022-11-01 School leaders have ready access to assessment data motivating efforts to improve literacy outcomes of their students but it can be difficult for principals to decide how to achieve these goals within their school s existing strategic plans and policies With an opening chapter focusing on using and interpreting evidence Dr Robyn Cox outlines the key areas of oral language grammar vocabulary and reading as well as diagnostics and intervention *Leading improvement in literacy teaching and learning* provides a framework for a set of high impact strategies that individually and together can be the focus of teacher professional learning school improvement and student literacy achievement
