Watchman Prayer Dutch Sheets, 2008-10-01 WANTED mothers fathers laypeople and leaders to serve as watchmen sentinels who stand watch on behalf of our families our churches and our nation After reading Watchman Prayer readers who accept this assignment will be equipped to discern the direction of the Lord and the plans of the enemy They will learn how with the Holy Spirit s leading anyone can pray a perimeter of protection around their loved ones their city and the church and then unravel the schemes of the devil with strategic prayer Join with Dutch Sheets and a host of others to take on this critical role and play a key part in the church s ultimate victory Everyone must be on the alert Read Watchman Prayer and learn everything you need to know about this sacred calling a calling God is sending out to all of His people Facing West David R. Swartz, 2020 In 1974 nearly 3 000 evangelicals from 150 nations met at the Lausanne Congress on World Evangelization Amidst this cosmopolitan setting and in front of the most important white evangelical leaders of the United States members of the Latin American Theological Fraternity spoke out against the American Church Fiery speeches by Ecuadorian Ren Padilla and Peruvian Samuel Escobar revealed a global weariness with what they described as an American style of coldly efficient mission wedded to myopic right leaning politics Their bold critiques electrified Christians from around the world The dramatic growth of Christianity around the world in the last century has shifted the balance of power within the faith away from the traditional strongholds of Europe and the United States to the Global South To be sure Western missionaries have carried religion abroad but the line of influence has often run the other way David R Swartz demonstrates that evangelicals in the Global South spoke frankly to American evangelicals on matters of race imperialism theology sexuality and social justice From the left they have pushed for racial egalitarianism ecumenism and more substantial development efforts From the right they have advocated for a conservative sexual ethic They forced American Christians to think more critically about their own assumptions The United States is just one node of a sprawling global network that includes Korea India Switzerland the Philippines Guatemala Uganda and Thailand Telling stories of the diverse array of

evangelicals around the world Swartz shows that evangelical networks don't only extend outward but back home from the ends of the earth
