needs an expert in Braille he turns his sights on the company's sister organization the Washington Bureau of Intelligence and Security which actually deals in the gathering and dissemination of intelligence The job is good but still no girlfriend April O Shay has a secret she's been keeping for years To prevent a spiteful coworker from outing her to friends family and other coworkers she leaves the small town where she's lived all her life and moves to DC With the help of her previous boss ife that's happy except for one minor detail she's not comfortable returning to the dating scene As much as she'd like to find a boyfriend she's afraid her secret will come between them And then one day Kyle is sent on assignment to the Rib Shack to observe a shady character who wants to get his talons into the gay son of the Secretary of the Treasury There he meets April and is quick to realize he's fascinated by her As for April she takes one look at his violet eyes and is smitten It's like at first sight for the two with the promise of developing into much more But Kyle works for an organization that could send him out to kill someone at any time and April has her own secret she's guarding When April reveals she must return home for Christmas for the first time in many years Kyle suggests he accompany her Will her refusal result in their relationship teetering on the brink or will they find a way to trust each other enough to hold on to what they have

Shore Robert Ruby, 2014-06-10 The true story of how the first English colony in the New World was lost to history then found again three hundred years later England's first attempt at colonizing the New World was not at Roanoke or Jamestown but on a mostly frozen small island in the Canadian Arctic Queen Elizabeth I called that place Meta Incognita the Unknown Shore Backed by Elizabeth I and her key advisors including the legendary spymaster Sir Francis Walsingham and the shadowy Dr John Dee the erstwhile pirate Sir Martin Frobisher set out three times across the North Atlantic in the process leading what is still the largest Arctic expedition in history In this forbidding place Frobisher believed he had discovered vast quantities of gold the fabled Northwest Passage to the riches of Cathay and a suitable place for a year round colony But Frobisher's dream turned into a nightmare and his colony was lost to history for nearly three centuries In this brilliantly conceived dual narrative Robert Ruby interweaves Frobisher's saga with that of the nineteenth century American Charles Francis Hall

whose explorations of this same landscape enabled him to hear the oral history of the Inuit passed down through generations It was these stories that unlocked the mystery of Frobisher's lost colony Unknown Shore is the story of two men's travels and of what these men shared three centuries apart Ultimately it is a tale of men driven by greed and ambition of the hard labor of exploration of the Inuit and their land and of great gambles gone wrong [Lexical Borrowing in American Sign Language](#) Robbin Battison,1978
