The Role of Leadership in Human Resource Management Shuming ZHAO,Mingwei Liu,Meng Xi,Cherrie Jiuhua Zhu,Hong Liu,2024-08-30 This book underscores the crucial link between leadership and human resource management HRM and their collective impact on organizational outcomes It highlights the need for integrating research in both fields to fully understand their effects at organizational team and individual levels The interaction between leadership and HRM which can either complement or substitute for one another is beginning to be explored in recent studies Specifically the book points out the relevance of cultural institutional and historical contexts in the Asia Pacific particularly in China where Western models may not capture the unique aspects of leadership and HRM It discusses the significance of paternalistic leadership and specific HRM practices in China emphasizing their implications for performance The book argues for the importance of examining these interactions comprehensively suggesting that a combined study of leadership and HRM across different levels and

contexts presents valuable research avenues The twelve chapters in this volume offers insights into leadership and HRM in China showcasing a variety of leadership behaviours and HRM practices The chapters in this book were originally published as a special issue of Asia Pacific Business Review The World's Most Powerful Leadership Principle James C. Hunter,2004-06-29 To lead is not to be the boss the head honcho or the brass To lead is to serve Although serving may imply weakness to some conjuring up a picture of the CEO waiting on the workforce hand and foot servant leadership is actually a robust revolutionary idea that can have significant impact on an organization s performance Jim Hunter champions this hard soft approach to leadership which turns bosses and managers into coaches and mentors By hard Hunter means that servant leaders can be hard nosed even autocratic when it comes to the basics of running the business determining the mission where the company is headed and values what the rules are that govern the journey and setting standards and accountability Servant leaders don t commission a poll or take a vote when it comes to these critical fundamentals After all that s what a leader s job is and people look to the leader to set the course and establish standards But once that direction is provided servant leaders turn the organizational structure upside down They focus on giving employees everything they need to win be it resources time guidance or inspiration Servant leaders know that providing for people and engaging hearts and minds foster a workforce that understands the benefits of striving for the greater good The emphasis is on building authority not power on exerting influence not intimidation While many believe that servant leadership is a wonderful inspiring idea what s been missing is the how to the specifics of implementation Jim Hunter shows how to do the right thing for the people you lead A servant leader or a self serving leader Which one are you With Jim Hunter s guidance everyone has the potential to develop into a leader with character who leads with authority **The Executive's Guide to Consultants: How to Find, Hire and Get Great Results from Outside Experts** David Fields,2012-10-23 Maximize Your Return on Expertise Research shows a high proportion of consultants fail to deliver results on time on budget and on target Rare is the project that exceeds your expectations But help is here The Executive s Guide to Consultants explains how to ensure that every project delivers measurable benefits every time This book will help you find experts invest wisely accelerate change and achieve your most important goals by tapping into the genius of others The Executive s Guide to Consultants contains breakthrough ideas covered by no other book including Sophisticated new contract structures that maximize your ROI Essential methods for reducing project risk Cutting edge techniques for making change stick after the consultant leaves You will also learn to Spot chameleons and other low quality consultants who peddle tired ideas and deliver disappointing outcomes Get better results faster while lowering fees Find the ideal consultant coach agency or advisor for your precise situation Enforce accountability with outside experts and your own internal team Imagine if you could collect the wisdom of dozens of the country s top CEOs combine it with the experience of a hall of fame consultant and add a bucketful of unconventional thinking You d have The Executive s Guide to Consultants Easy to read and packed with examples checklists templates and guidelines this book is the

ultimate toolkit for maximizing your ROI from outside experts Get extraordinary results from every consultant you hire An extraordinary book Clear comprehensive and eminently readable it is THE book on how you can extract true business value from outside experts Scott Cotherman Chairman TBWA WorldHealth subsidiary of Omnicom Group Inc This is the Master Class for those who are smart innovative ahead of the pack and who intend to stay that way If you re not yet in that league you should read this book twice Alan Weiss author Million Dollar Consulting and The Consulting Bible A terrific guidebook with much of the advice equally applicable in managing your organization s internal talent It s an easy engaging read with a wealth of insights and detailed action steps I highly recommend it Brian Walker President and CEO Herman Miller Inc A powerful antidote to the strained relationship between consultants and clients Garry Ridge CEO WD 40 Company This book shows you how to make your consultants work stick No more major investments in experts or programs that evaporate after only a few months or years De Lyle Bloomquist President Tata Global Chemicals Fields s messages are delivered in the way that all executives would like our outside resources to do it capably with straight talk and incredible insight Ralph Scozzafava Chairman and CEO Furniture Brands

Dynamic Management and Leadership in Education Anthony Kelly, 2021-11-29 This book presents a new integrated theory of dynamic management and leadership in one comprehensive approach It offers a new way of looking at the field drawing on a wide body of research and practice in the fields of leadership and management across all sectors in education and more broadly The book focuses on management against a backdrop of leadership theory Including examples of practice and application in schools colleges and universities it uses a range of historical leadership approaches to scaffold different management techniques that are known to work in effective organisations It explores the overlap between management and leadership as dynamic theoretical and practical activities merging the two together into a holistic model that can be applied by managers working in educational settings Its twenty six chapters also consider the praxis of educational leadership and management from political economic and ethical perspectives in relation to issues such as equity and widening participation and outline how managership impacts on student achievement Offering a unique balance of theory and practice across school college and university sectors the book will be of great interest to researchers academics graduate students and practitioners in the field of educational leadership and management and will be important reading for all stakeholders in the area of educational effectiveness and improvement
