

Ingmar Bergman Ingmar Bergman

Daniel Humphrey, Hamish Ford

Ingmar Bergman Ingmar Bergman:

Ingmar Bergman Peter Cowie,1982 **Ingmar Bergman** Geoffrey Macnab,2009-06-17 Ingmar Bergman was the last and arguably the greatest of the old style European auteurs and his influence across all areas of contemporary cinema has continued to be considerable since his death in July 2007 Drawing on interviews with collaborators and original research this book puts Bergman s career into the context of his life and offers a new and revealing portrait of this great filmmaker Geoffrey Macnab explores the often painfully autobiographical nature of his work while also looking in detail at Bergman as a craftsman He considers Bergman s working relationship with his actors especially the actresses he helped make into international stars his passion for theatre literature and classical music and his obsession with death and cruelty The book traces his traumatic childhood asking how his experiences growing up as the son of a strict Lutheran pastor fed into his later writing and filmmaking It also looks at his political life chronicling his teenage flirtation with Nazism his bitter spat in the mid 70s with the Swedish authorities over his tax affairs and his often vexed relationship with his fellow Swedes Geoffrey Macnab also considers how Bergman s work was financed and distributed his relationship with US agents and how close he came to working in Hollywood When I was 10 years old I received my first rattling film projector with its chimney and lamp which went round and round and round I found it both mystifying and fascinating *Ingmar Bergman* Jerry Vermilye,2002-01-01 He always is very very close to the camera and he is terribly inspiring I don t know what his magic is but it is something that makes you want to give everything you have He has respect for actors and for everybody A bad director very often doesn t have that respect Liv Ullman s words about Ingmar Bergman hint at the consummate director he was one who knew the business the strengths and weaknesses of actors and crews the arrangement of the set the framing of the camera and all other particulars of the fine art of directing This work presents Bergman s life and work beginning with his youth in Uppsala Sweden and covering his formative years his development as an artist and his career as a world renowned director A brief synopsis for each of Bergman s films is provided with such information as producer screenwriter cinematographer editor art director music sound credits running time casts Bergman s own comments and the reactions of critics **Ingmar Bergman** Birgitta Steene,2005 Exhaustive compendium by one of the world s foremost experts on the Swedish master covers Bergman s life his cultural background his entire artistic career and extensive annotated bibliographies of interviews and critical writings on Bergman *Images* Ingmar Bergman,2011-08-10 Ingmar Bergman s career spanned forty years as he produced more than fifty films many of which are considered classics When he began this book Bergman had not seen most of his movies since he made them Resorting to scripts and working notebooks and especially to memory he comments brilliantly and always cogently on his failures as well as his successes on the themes that bind his work together on the relationship between his life and art More clearly than ever before *Images* allows us to listen to as Woody Allen put it Bergman s voice of genius *Ingmar Bergman* Robert Emmet Long,1994 Ingmar Bergman is among

the world's most influential directors of the postwar cinema Drawing on extensive research and numerous interviews Robert Emmet Long explores all of Bergman's films and stage productions Illustrated with 200 photographs 40 in color this volume belongs in the library of fine film aficionados everywhere

The Best Intentions Ingmar Bergman, 1993 Film legend Ingmar Bergman's moving novel based on his parents' tormented courtship love and marriage Incorporating film into the narrative flow Bergman has written a novel of great beauty a work filled with anguish and love sacrifice and reconciliation The Best Intentions was also written as a script for the film by Billie August which won the Golden Palm Award at Cannes in 1992

Ingmar Bergman Ingmar Bergman, 2007 Interviews with the famed director of Wild Strawberries Scenes from a Marriage The Seventh Seal Saraband and other films

Ingmar Bergman Stuart M. Kaminsky, Joseph F. Hill, 1975

Verzameling eerder gepubliceerde analyses van het werk van de Zweedse cineast geb. 1918 zowel door filmdeskundigen als door critici met een andere benadering

Ingmar Bergman Directs John Ivan Simon, 1974

Talking with Ingmar Bergman Ingmar Bergman, 1983

Ingmar Bergman Revisited Maaret Koskinen, 2008 This title is a collection of essays based on a major international symposium held in Stockholm in 2005 on Ingmar Bergman's legacy Moving beyond simple auteurist readings of his films these writings evaluate the theatrical and literary sides of Bergman's work to reconsider his achievements

Ingmar Bergman Birgitta Steene, 1987 The films of Swedish director Ingmar Bergman are renowned for their largely spare and stark aesthetic an existential framework and plots driven by a fascination with death and the moral torments of the human soul Birgitta Steene offers here in *Ingmar Bergman A Reference Guide* an essential and unparalleled resource on the life and work of Bergman Plumbing the depths of these trademark Bergman themes Steene traces as well the indelible mark he left on world cinema through his other cinematographic work and writings Over the decades Bergman's stature and image have evolved in fascinating ways an iconoclast of the 1950s a bourgeois traditionalist of the 1960s and an icon in the 1980s This exhaustive compendium considers each phase of his career exploring his deep and vast oeuvre in all its controversy and complexity and analyzes his intriguing and unique motifs such as his efforts to expose dead conventions and his portrayals of Woman as the archetype of humanity As well as providing a detailed account of Bergman's life and chronicling his career as a filmmaker and theater director including his work for television Steene offers transcripts of some of the numerous interviews and conversations she conducted with Bergman Writings by and about Bergman and a detailed chronological survey of his film and theatrical work completes this eminently readable and thoroughly researched volume A wide-ranging and groundbreaking work of film history *Ingmar Bergman* is the definitive reference for scholars of the Scandinavian master

A Companion to Ingmar Bergman Daniel Humphrey, Hamish Ford, 2025-02-25 The first book in English to address Ingmar Bergman's cinema through a broad array of classical and contemporary approaches Widely acclaimed around the world from the mid 1950s to the early 1980s Ingmar Bergman's films were often considered outmoded by the turn of the last century as exemplars of a long-gone European art cinema However in more recent years his work has

been reconsidered with fresh eyes recognized as speaking to global audiences about ideas of contemporary relevance such as the dysfunctions of personal romantic and family relations gender performance and sexual identity social engagement and alienation questions of racial difference and power living with and articulating challenges to mental health and the causes thereof questions of religious belief or values and their secular replacements the reality and guilt of Scandinavian and European privilege and the challenges of morally vertiginous daily life for subjects born of ever later modernity *A Companion to Ingmar Bergman* brings together 32 original essays by established scholars and exciting new voices in the field Representing a uniquely wide range of approaches in academic film studies and beyond the chapters that make up the volume illuminate a body of work that changed the way cinema is created defined experienced understood and interpreted Thematically organized into four parts the Companion discusses gender exploration and self representation in Bergman's cinema draws evolutionary insights from *The Seventh Seal* explores existential feelings and religious iconography in the early 1960s trilogy journeys through the filmmaker's island landscape in the context of cinematic tourism and much more Throughout the book hailing from a range of global contexts and backgrounds the authors provide fresh insights into a deeply complex and challenging film artist often from unexpected perspectives An innovative mixture of new scholarship and fresh updated employments of older approaches *A Companion to Ingmar Bergman* Examines Bergman's cinema through methodologies as diverse as Film Philosophy Star Studies Bisexual Studies Tourism Studies Transgender Studies and Evolutionary Studies Applies recent and contemporary theories such as Affect Theory Queer Theory and Neo Formalism to Bergman's films Delves into the director's early period in the late 1940s 1950s through his most challenging modernist period in the 1960s and into the 1980s Analyzes seminal films such as *The Virgin Spring* and *Cries and Whispers* from wholly new perspectives Engages with films long considered problematic by commentators plus unproduced Bergman screenplays including *All These Women* *The Petrified Prince* *Face to Face* and *From the Life of the Marionettes* *A Companion to Ingmar Bergman* is a must read for advanced undergraduate and graduate film students postgraduate scholars college and university lecturers and researchers particularly those interested in the application of classical and modern approaches to the study of twentieth century cinema and Bergman fans around the world

Ingmar Bergman Richard Lippe, Robin Wood, 2012-12-15

An expanded version of Robin Wood's influential study of Ingmar Bergman including more recent essays on the director At a time when few reviewers and critics were taking the study of film seriously Robin Wood released a careful and thoroughly cinematic commentary on Ingmar Bergman's films that demonstrated the potential of film analysis in a nascent scholarly field The original *Ingmar Bergman* influenced a generation of film scholars and cineastes after its publication in 1969 and remains one of the most important volumes on the director This new edition of *Ingmar Bergman* edited by film scholar Barry Keith Grant contains all of Wood's original text plus four later pieces on the director by Wood that were intended for a new volume that was not completed before Wood's death in 2010 In analyzing a selection of Bergman's films Wood makes a compelling

case for the logic of the filmmaker's development while still respecting and indicating the distinctiveness of his individual films. Wood's emphasis on questions of value: What makes a work important? How does it address our lives? informed his entire career and serve as the basis for many of these chapters. In the added material for this new edition, Wood considers three important films Bergman made after the book was first published: *Cries and Whispers*, *Fanny and Alexander*, and *From the Life of the Marionettes*, and also includes significant reassessment of *Persona*. These pieces provocatively suggest the more political directions Wood might have taken had he been able to produce *Ingmar Bergman Revisited* as he had planned to do before his death. In its day, *Ingmar Bergman* was one of the most important volumes on the Swedish director published in English, and it remains compelling today despite the multitude of books to appear on the director since. Film scholars and fans of Bergman's work will enjoy this updated volume.

The Films of Ingmar Bergman L. Hubner, 2007-02-07

Laura Hubner is one of the first critics to analyse the elements of illusion in key films by Bergman and relate these to cultural and artistic influences on his creative output: the phenomenon of Bergman as art film director and debates about modernism, postmodernism, and emerging feminist discourses on gender and multiplicity.

Ingmar Bergman: An Artist's Journey Roger W. Oliver, 2012-02-07

At 77, Bergman no longer works in film, the medium that brought him world fame; he gave it up in 1983 when he announced that *Fanny and Alexander* would be his last film. This ingenious little collection is Oliver's attempt to say something meaningful about Bergman, the masterful artist of many mediums: film, theater, television, print. The Renaissance artist. To accomplish the goal, Oliver selected essays that address Bergman's work as a film director by such noted directors as Woody Allen, François Truffaut, Jean-Luc Godard, with actors in film and on stage by such as Liv Ullmann, Max von Sydow, Bibi Andersson, as it relates to his intellect by such as James Baldwin, Caryl Chessman, James John Lahr.

Ingmar Bergman Roger W. Oliver, 1995

The Fifth Act Ingmar Bergman, Linda Haverty Rugg, Joan Tate, 2001

The scripts of award-winning film director Ingmar Bergman have been among the most important documents in film history. Though his vision in such films as *Wild Strawberries* and *The Seventh Seal* has shaped our thinking about the cinema, none of his most recent films have been shown in U.S. theaters. This book brings to English readers for the first time some of the finest creations of Bergman's mature years. In these three scenarios of extraordinary frankness, even rawness, Bergman shows his tender yet realistic views on the world of theater, cinema, and acting, culminating with *In the Presence of a Clown*, where he returns to the character of his Uncle Carl, an irrepressible inventor who comes up with an early version of the talking film. These most recent scripts, in effect, Bergman's own fifth act, add an important and moving chapter to his life work. A preface contextualizing the scripts within Bergman's oeuvre has been added by Lasse Bergström, a noted Swedish film critic as well as the publisher of Bergman's work in Sweden.

Private Confessions Ingmar Bergman, 1997

Ten years ago, Ingmar Bergman traded in the technological tools of filmmaking for the simpler devices of prose. Yet the cinematic lens still seems to reside between his thoughts and his words. *Private Confessions* continues Bergman's autobiographical project, which he

began in two earlier novels and two volumes of memoirs In the spare words of blocking and camera angles this slim novel stages a story of adultery through which we see Bergman s attempts to understand his parents troubled relationship Through a series of revelatory confessions Anna tells of her affair with her husband s young friend Tomas and her unhappiness with her life as wife of a dour country pastor Bergman nails scenes in taut prose and stunning bursts of dialogue but the overall story is unrelenting with little to hold as beautiful save the starkness of Bergman s expression and the deep probing of his own creative psyche

Embark on a transformative journey with Explore the World with is captivating work, **Ingmar Bergman Ingmar Bergman** .
