Peace, Power, and Presence Jonathan Evatt, 2008-04 Why is your life the way it is How do your thoughts emotions and beliefs affect your perception of the world around you How does this perception influence your power and therefore affect your state of Inner Peace Most importantly how can you approach your life as it is right now in such a way so as to liberate yourself from suffering and become established in a lasting state of Peace in the Power to fulfil your purpose and in absolute Presence to the perfection that you are In this groundbreaking new book Peace Power and Presence Jonathan Evatt brings clarity to key principles and perspectives on these and other challenging questions The result is nothing short of your becoming empowered to recognize the ultimate answers already emerging from the essence within you You will pierce through the many veils of deception so prevalent in the world today and step into a Life of Freedom defined not by some external source of knowledge but by the immaculate wisdom of your own Being In what is set to become a key point of reference for those individuals interested in spiritual and human freedom Jonathan makes no attempt to show you how to live your life Instead he shares with you a new way to approach the life you are already living an approach that will bring into actualization your innate qualities of Enlightenment for a Life of Freedom AWARDS Winner of a Shortlisting Award in the Mind Body Spirit genre 2006 Ashton Wylie Charitable Trust Unpublished Manuscript Award **Sri Guru Granth Sahib, Vol. 1**, 2005 Book 12. «The Transmutation Diary.
