Kissed by Words A. I. R., 2014-04 Greetings family friends and readers I have selected a few works from my book of Poetry to give you a glimpse of what is yet to come Some of my writings are against the grain of American Life and some we all can relate to I have published these works in hopes that some may gain a sense of relief knowing we all are the same in certain aspects through my sorrow as well as my glee With that said Enjoy and share with family friends and coworkers Much Obligated

The Bedtrick Wendy Doniger, 2022-08-22 Somehow I woke up one day and found myself in bed with a stranger Meant literally or figuratively this statement describes one of the best known plots in world mythology and popular storytelling In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova the erudite and irrepressible Wendy Doniger shows us the variety danger and allure of the bedtrick or what it means to wake up with a stranger The Bedtrick brings together hundreds of stories from all over the world from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of Here you will find wives who accidentally commit adultery with their own husbands You will read Lincoln's truly terrible poem about a bedtrick You will learn that in Hong Kong the film *The Crying Game* was retitled *Oh No My Girlfriend Has a Penis* And that President Clinton was not the first man to be identified by an idiosyncratic organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can't people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell Funny sexy and engaging The Bedtrick is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover

Pastoral Drama and Healing in Early Modern Italy Federico Schneider,2016-05-13 Pastoral Drama and Healing in Early Modern Italy represents the first full length study to confront seriously the well rehearsed analogy of the pastoral poet as healer Usually associated with the edifying function of the Renaissance pastoral this analogy if engaged more profoundly raises a number of questions that remain unanswered to this day How does the pastoral heal How exactly do the inner workings of the text cater to the healing What socio cultural conventions make the healing possible What are the major problems that pastoral poetry as mimesis must overcome to make its healing morally legitimate In the wake of Derrida s seminal work on the Platonic pharmakon which has in turn led recent criticism to formulate a much more concrete understanding of the theater drug analogy the stringent approach to the therapeutic function of the Renaissance pastoral offered in this work provides a valuable critical tool to unpack the complexity contained within a little understood cliché
