No Idle Hands Anne L.

MacDonald, 2010-11-17 Fascinating What is remarkable about this book is that a history of knitting can function so well as a survey of the changes in women's roles over time The New York Times Book Review An historian and lifelong knitter Anne Macdonald expertly guides readers on a revealing tour of the history of knitting in America In No Idle Hands Macdonald considers how the necessity and the pleasure of knitting has shaped women's lives Here is the Colonial woman for whom idleness was a sin and her Victorian counterpart who enjoyed the pleasure of knitting while visiting with friends the war wife eager to provide her man with warmth and comfort and the modern woman busy creating fashionable handknits for herself and her family Macdonald examines each phase of American history and gives us a clear and compelling look at life then and now And through it all we see how knitting has played an important part in the way society has viewed women and how women have viewed themselves Assembled from articles in magazines knitting brochures newspaper clippings and other primary sources and featuring reproductions of advertisements illustrations and photographs from each period No Idle Hands capture the texture of women's domestic lives throughout history with great wit and insight Colorful and revealing vivid This book will intrigue needlewomen and students of domestic history alike The Washington Post Book World **The Unlikely Yarn of the Dragon Lady** Sharon J. Mondragón, 2021-09-21 A knitting group's change of scenery changes lives in unexpected ways Margaret Rose Jane and Fran had a good thing going meet every week in the quiet of their peaceful chapel and knit prayer shawls No muss just ministry That is until their pastor boots them out of the church in his last ditch effort to revive the dwindling congregation Uptight Margaret isn't having it Knitting prayer shawls where people can watch is the most ridiculous idea she's ever heard of and she's heard plenty Prayer belongs in the church not out among the heathen masses How are they supposed to knit holiness into these shawls if they're constantly distracted by the public But with no choice the others embrace the challenge They pack their knitting bags and drag Margaret grumbling the whole way to the mall with them She can't wait to prove them all wrong when it fails miserably and show the pastor that she always knows best Without the familiar mold the group has been stuck in their own losses pain and struggles rise to the surface And the people and situations they encounter every time they try to sit quietly and knit are taking them a lot further out of their comfort zone than they ever imagined Can they find the courage to tackle the increasing number of knotty issues they learn

about in the community or will the tangle be too much to unravel Sharon J Mondragon's debut is warm and delightful full of real laughter grief and personality It beautifully illustrates the power of women across generations to reach people for Christ
