Knock Knock Pack This! Pad Knock Knock,2005 **Deep Down in the Jungle...** Roger D. Abrahams,2018-04-20 With the growth of interest in folklore it becomes increasingly evident that the presentation of a collection needs some rationale more than the fact that traditional materials have been collected and properly annotated Much has been gathered and is now accessible through journals archives and lists If a corpus of lore is not presented in some way which bears new light on the process of word of mouth transmission on traditional forms or expressions or on the group among whom the lore was encountered there is little reason to present it to the public This work represents an attempt to present a body of folklore collected among one small group of Black Americans in a neighborhood in South Philadelphia The author s approach toward collection and presentation has been intensive He has tried to collect in depth and to recreate in his presentation the social background in which the lore was found and to relate the lore with the life and the values of the group Abraham s work is a departure from any past methods of analyzing folklore and therefore a description of the author s point of view and his method will be given first The majority of this work was written before his methodology was actually formulated However throughout the project the object was to illuminate as fully as possible the lore of one small group of African Americans from urban Philadelphia The methodology which developed did so because of this objective more than anything else Though the formulation of this theory may seem ex post facto it is included because it clarified much during the rewritings of this book and more importantly because it will clarify many matters for the lay reader and for the professional folklorist ,

Multifactorial Analysis in Corpus Linguistics Stefan Thomas Gries, 2005-04-29 This book presents a novel analysis of the word order alternation of English transitive

phrasal verbs Particle Movement from a cognitive functional and psycholinguistic perspective Its main objective however is a methodological one namely to demonstrate the superiority of corpus based multifactorial and probabilistic approaches to grammatical phenomena over traditional analyses based on acceptability judgements and minimal pair tests The advantages resulting from the advocated multifactorial approach to Particle Movement are Particle Movement can be described at a previously unknown level of detail all determinants ever proposed to govern the alternation can be integrated into a single hypothesis explaining the alternation constructions can be compared to each other with respect to their degree of prototypicality and similarity it is possible to actually predict with a high degree of accuracy which of the two word orders native speakers will subconsciously choose in the natural production of speech and text thereby passing the most rigorous test conceivable finally competing hypotheses can be compared in terms of their predictive power Apart from these methodological points the study also addresses the more theoretical and linguistic question of how to explain such results It is argued that theories of language production that rest on the notion of processing effort are contrary to some contemporary analysts not ideally suited to explain such phenomena and that interactive activation models of language production allow for a more elegant interpretation and implementation of the results Oxford American Writer's Thesaurus Christine A. Lindberg, 2012 The perfect tool for finding the perfect word the Oxford American Writer's Thesaurus is an invaluable source of inspiration as well as an authoritative guide to selecting and using vocabulary Packed with information this essential guide for writers includes more than 300 000 synonyms and 10 000 antonyms with real life example sentences to help you pick the correct word The text is peppered with thought provoking reflections on favorite and not so favorite words by contemporary writers in a variety of genres including David Auburn Melissa Etheridge Joshua Ferris Francine Prose David Foster Wallace Zadie Smith and Simon Winchester many newly commissioned for this edition This unique thesaurus also contains expert notes on American English usage hints for choosing between similar words a Word Finder section organized by subject and a comprehensive language guide The third edition newly revised and updated now has hundreds of new words senses and phrases New features include over 200 literary and humorous quotations highlighting notable usages of words and a revised graphical word toolkit featuring common word combinations based on evidence in the Oxford Corpus There is also a new introduction by noted language commentator Ben Zimmer **Federal Handbook for Preparation of Household Goods for Shipment and Storage** United States. Federal Supply Service, 1958 Code 3 Sean C. Cusack, 2008-05-31 The year was 1995 and three very successful private ambulance companies joined forces in a mammoth merger to thwart the impending threat of FMR Frequent Medical Response the U S A's largest nationally based private ambulance company Power Ambulance from Chicago Reagan Stiller Ambulance from Greater Chicagoland and Baileys Ambulance from southern Illinois and Indiana combined forces to become Tri Medic Transport Incorporated Code 3 The Rise Fall of a Private Ambulance Empire proves that people from all walks of life are attracted to the strange realm that is Emergency Medical Services E M S

But like average employees many of them come and go Like druggies they get their quick fix and then they leave E M S sees them come and go like the motions of the ocean But what they leave behind are their unforgettable stories Code 3 The Rise Fall of a Private Ambulance Empire is not your typical novel about the heroisms of what takes place in the back of an ambulance rather Code 3 takes you on a fast paced lights and sirens ride through the delightful disgraces that are hidden well from the public eye The tribulations of the mighty E M S Tri Medic are well chronicled in this in depth partisan culture of the unique private ambulance company world Code 3 The Rise Fall of a Private Ambulance Empire is a dauntless expos of Nazi Germany and the Titanic Disaster uniquely intertwined in the unforgiving E M S field of battle Code 3 is set inside a huge garage on the north side of Chicago that is a branch of the massive private ambulance company merger It was inside this garage that most of the mayhem took place making for an unforgettable reading experience Like the stories and characters involved in the inception of this novel you will never forget it
