Knowing Jesus Is Enough for Joy, Period! S. M. Wibberley, 2010-06-11 Introducing World Missions (Encountering Mission) A. Scott Moreau, Gary R. Corwin, Gary B. McGee, 2015-06-09 This bestselling textbook by leading missionary scholars offers an engaging introduction to the work of missions in the contemporary world. It provides a broad overview of the biblical, theological, and historical foundations for missions. It also considers personal and practical issues involved in becoming a missionary, the process of getting to the mission field, and contemporary challenges a mission worker must face. Sidebars, charts, maps, and numerous case studies are included. This new edition has been updated and revised throughout and features a full color interior. Additional resources for professors and students are available online through Baker Academic's Textbook eSources.

Environmental Missions Lowell Bliss, 2013-10-16 *Planting Churches and Trees* Environmental Missions defines an emerging category in missions, one that takes seriously both the mandate to evangelize the world and the responsibility of caring for God's good earth. Lowell Bliss was a traditional church planting missionary in India when his best Hindu friend there died of malaria. This was just one of the events that led him to reexamine the politically charged term "environment," understanding it now as simply that which surrounds those we love, those for whom Jesus died. In other words, the church is called to reach not only vulnerable people but the space in which they live and breathe. Pointing to the narrative of Scripture and the history of missions, Bliss shows us that the gospel of Jesus Christ is good news for the whole creation; that we must unite two traditionally separate endeavors to fulfill the entirety of God's commission; and that the challenge of the environmental crises of our day is also one of our greatest opportunities to reach the least reached with the love of Christ.

Knowing Jesus Is Enough for Joy, Period! Study Guide Edition S.M. Wibberley, 2010-06-01 Wibberley's book puts together all of the significant aspects of spiritual life. Other books have done this, but the level of practical integration in this book succeeds where other books fail. Not just another book on spiritual life, this book contains lessons learned over a quarter century of labor for the advancement of the gospel in a difficult, unreached country. These lessons have profundity, simplicity, and applicability for everyone from seasoned pastor to new convert. Read it, digest it, and put the lessons into practice. Walking with Jesus will not be the same.

My Journey and Time Alone with God John R. Walden, 2015-05-14
My grandfather taught me many things as I sat and listened to him Most importantly I learned that he was a God fearing man I believe that God used my grandfather to instill hardworking values in me as well I miss him greatly and I miss the times I was able to learn from his ways of living As I grew I began to recognize the importance of being still and listening with all my being to him This has perhaps been one thing that God has used in my life to draw me to Him His Holy Word says for us to be still before Him and know that He is God So I was drawn by His Holy Spirit to listen with all my heart to His guidance And as I spent time before Him I learned to recognize the voice of God through His precious Holy Spirit within I could not get enough of His powerful presence so I sat long hours alone before Him and this book is the result In my time alone with God I asked a lot of questions about life and I have come to understand much more than I ever knew God says if you will seek Him you will find Him and if you call on Him He will answer you He will speak to you and through you by His Holy Spirit presence within Gods love is extended to us through His Son Jesus Christ who gave His very life to set us free from the bondages of sin What is a journey to you When you spend time with the Father He will take you on a journey of victory When you truly seek Him with all your heart He will give you His wisdom His knowledge and His understanding As you acknowledge His presence and power throughout life your journey has begun
