Judy Freeman, 2004 *Children's Literature in the Classroom* Diane M. Barone, 2011-03-08 Many reading programs today overlook an essential component of literacy instruction helping children develop an enduring love of reading This authoritative and accessible guide provides a wealth of ideas for incorporating high quality children's books of all kinds into K-6 classrooms Numerous practical strategies are presented for engaging students with picturebooks fiction nonfiction and nontraditional texts Lively descriptions of recommended books and activities are interspersed with invaluable tips for fitting authentic reading experiences into the busy school day Every chapter concludes with reflection questions and suggestions for further reading The volume also features reproducible worksheets and forms **The Publishers Weekly**, 2008 School Library Journal, 2010 **Book Crush** Nancy Pearl, 2009-09-29 Do you remember your first book crush You know the first time a book completely captured your imagination transported you to a magical place or introduced you to a lifelong friend you will never forget In Book Crush popular librarian and reading enthusiast Nancy Pearl reminds us why we fell for reading in the first place how completely consuming and life changing a good book can be Pearl offers more than 1,000 crush worthy books organized into over 100 recommended reading lists aimed at youngest middle grade and teen readers From picture books to chapter books YA fiction and nonfiction Pearl has developed more smart and interesting thematic lists of books to enjoy Parents teachers and librarians are often puzzled by the unending choices for reading material for young people It starts when the kids are toddler and doesn't end until high school graduation What's good what's not and what's going to hold their interest Popular librarian Nancy Pearl points the way in Book Crush *Good Books Matter* Larry Swartz, Debbie Nyman, 2008 Based on extensive research on the features that make children's books appealing and appropriate this valuable teacher resource offers guidance on selecting books strategies for specific grade levels suggestions for extension and tips for assessment This teacher friendly book is organized around the major genres traditional literature picture books nonfiction poetry and multicultural texts that will inspire young readers Throughout the book teachers will find suggestions for using literature to implement shared reading reading aloud and response strategies with emergent developing and independent readers This comprehensive book is rooted in the belief that educators must consider and offer a wide range of choice to ensure that students read good books It argues that the choices children make about what they read should be governed by their interests and desire to learn not by a grade or reading level **Mechanically Inclined** Jeff Anderson, Lisa Thibodeaux, 2024-12-09 Some teachers love grammar and some hate it but nearly all struggle to find ways of making the mechanics of English meaningful to kids As a middle school teacher Jeff Anderson also discovered that his students were not grasping the basics and that it was preventing them from reaching their potential as writers Jeff readily admits I am not a grammarian nor am I punctilious about anything so he began researching and testing the ideas of scores of grammar experts in his classroom gradually finding successful ways of integrating grammar instruction into writer's workshop Just in time for its 20th anniversary this long awaited second edition of Mechanically Inclined continues to merge the best of writer's

workshop elements with relevant theory about how and why skills should be taught It connects theory about using grammar in context with practical instructional strategies explains why kids often don't understand or apply grammar and mechanics correctly focuses on attending to the high payoff or most common errors in student writing and shows how to carefully construct a workshop environment that can best support grammar and mechanics concepts In this new edition longtime colleague Lisa Thibodeaux joins Jeff in emphasizing four key elements for grammar instruction short daily instruction in grammar and mechanics within writer's workshop using high quality mentor texts to teach grammar and mechanics in context visual scaffolds including wall charts and visual cues that can be pasted into writer's notebooks regular short routines like express lane edits that help students spot and correct errors automatically Comprising an overview of the research based context for grammar instruction a series of over forty detailed lessons updated research compelling new mentor texts and an appendix of helpful forms and instructional tools Mechanically Inclined is a boon to teachers regardless of their level of grammar phobia It shifts the negative rule plagued emphasis of much grammar instruction into one which celebrates the power and beauty these tools have in shaping all forms of writing
