Handbook Of The Politics Of The Arctic:

Handbook of the Politics of the Arctic Leif Christian Jensen, Geir Hønneland, 2015-09-25 The Arctic has again become one of the leading issues on the international foreign policy agenda in a manner unseen since the Cold War Drawing on the perspectives of geo politics and international law this Handbook offers fresh insights and perspectives on the most pressing issues grouped under the headings of political ascendancy climate and environmental issues resources and energy and the response and policies of affected countries *Handbook on the Politics of Antarctica* Klaus Dodds, Alan D. Hemmings, Peder Roberts, 2017-01-27 The Antarctic and Southern Ocean are hotspots for contemporary endeavours to oversee the last frontier of the Earth The Handbook on the Politics of Antarctica offers a wide ranging and comprehensive overview of the governance geopolitics international law cultural studies and history of the region Four thematic sections take readers from the earliest human encounters to contemporary resource exploitation and climate change Written by leading experts the Handbook brings together the very best interdisciplinary social science and humanities scholarship on the Antarctic and Southern Ocean **The GlobalArctic Handbook** Matthias Finger, Lassi Heininen, 2018-06-27 This book offers a systematic and comprehensive introduction to the Arctic in the era of globalization or as it is referred to here the GlobalArctic It provides an overview of the current status of the Arctic as a result of global change while also considering the changes in the Arctic that have a global effect It positions the Arctic within a broad international context it addresses four main themes are discussed economics and resources environment and earth system dynamics peoples and cultures and geopolitics and governance Gathering together expert authors and building on long term research activities it serves as a valuable reference for future research endeavors **Arctic Governance: Volume 3** Geir Hønneland, Ida Folkestad Soltvedt, Svein Vigeland Rottem, 2019-12-04 The Polar North is known to be home to large gas and oil reserves and its position holds significant trading and military advantages yet the maritime boundaries of the region remain ill defined In the twenty first century the Arctic is undergoing profound change As the sea ice melts a result of accelerating climate change global governance has become vital In this the third of three volumes the latest research and analysis from the world s leading Arctic research body the Fridtjof Nansen Institute is brought together for the first time Arctic Governance Norway Russia and Asia investigates the foreign policy discourses of Arctic governance specifically as regarding international relations and competing interests between Norway Russia and various Asian states *Handbook on Geopolitics and Security in the Arctic* Joachim Weber, 2020-06-25 Against the backdrop of climate change and tectonic political shifts in world politics this handbook provides an overview of the most crucial geopolitical and security related issues in the Arctic It discusses established shareholder s policies in the Arctic those of Russia Canada the USA Denmark and Norway as well as the politics and interests of other significant or future stakeholders including China and India Furthermore it explains the economic situation and the legal framework that governs the Arctic and the claims that Arctic states have made in order to expand their territories and

exclusive economic zones While illustrating the collaborative approach represented by institutions such as the Arctic council which has often been described as an exceptional institution in this region the contributing authors examine potential resource and power conflicts between Arctic nations due to competing interests The authors also address topics such as changing alliances between Arctic nations new sea lines of communication technological shifts and eventually the return to power politics in the area Written by experts on international security studies and the Arctic as well as practitioners from government institutions and international organizations the book provides an invaluable source of information for anyone interested in geopolitical shifts and security issues in the High North *North America's Arctic Borders* Heather Nicol, Andrew Chater, 2021-10-12 Although part of a broader circumpolar world North America's Arctic and sub Arctic borders and the establishment of new boundaries in the wake of significant and regionally unique change are increasingly relevant in the broader global world Indeed the Arctic reality has been dramatically reshaped by new territorial configurations and comprehensive land claims increasing flows of international investment and trade focused upon resource industries and hydrocarbon extraction the growing importance and role of sub national entities organizations and Indigenous governments shifting geopolitical interests and existential challenges created by climate change and environmental security This book demonstrates how North America's Arctic borders are being reshaped by globalization even as these borders are adjusting to new internal pressures such as devolution and the rise of sub national territorial interests **Arctic governance** Elana Wilson Rowe, 2018-06-08 This electronic version has been made available under a Creative Commons BY NC ND open access license The volume explores a question that sheds light on the contested but largely cooperative nature of Arctic governance in the post Cold War period How does power matter and how has it mattered in shaping cross border cooperation and diplomacy in the Arctic The role of power in global governance cooperation has been explored in international relations and political geography literature yet largely overlooked in an Arctic context Through carefully selected case studies from Russia's role in the Arctic Council to the diplomacy of indigenous peoples organizations this book seeks to shed light on how power performances are enacted to constantly shore up Arctic cooperation in key ways The conceptually driven nature of the inquiry makes the book appropriate reading for courses in international relations and political geography while the carefully selected case studies lend themselves to courses on Arctic politics *Britain and the Arctic* Duncan Depledge, 2017-12-16 British interest in the Arctic has returned to heights not seen since the end of the Cold War concerns about climate change resources trade and national security are all impacted by profound environmental and geopolitical changes happening in the Arctic Duncan Depledge investigates the increasing geopolitical significance of the Arctic and explores why it took until now for Britain once an Arctic state itself to notice how close it is to these changes what its contemporary interests in the region are and whether the British government's response in the arenas of science defence and commerce is enough This book will be of interest to both academics and practitioners seeking to understand

contemporary British interest and activity in the Arctic

The Arctic and World Order Kristina Spohr, Daniel S. Hamilton, Jason C. Moyer, 2021-01-26 The Arctic long described as the world's last frontier is quickly becoming our first frontier the front line in a world of more diffuse power sharper geopolitical competition and deepening interdependencies between people and nature A space of often bitter cold the Arctic is the fastest warming place on earth It is humanity's canary in the coal mine an early warning sign of the world's climate crisis The Arctic regime has pioneered many innovative means of governance among often contentious state and non state actors Instead of being the last white dot on the map the Arctic is where the contours of our rapidly evolving world may first be glimpsed In this book scholars and practitioners from Anchorage to Moscow from Nuuk to Hong Kong explore the huge political legal social economic geostrategic and environmental challenges confronting the Arctic regime and what this means for the future of world order *Arctic: New Political Economy* Alexander Bezgodov, 2023-11-15 Alexander Bezgodov a well known researcher of macroeconomics and social issues is devoted to the Arctic one sixth of the planet's surface which for many has remained an afterthought But in recent years the Arctic has changed dramatically with the global transformation of the climate turning deserted ice expanses into fairly safe land hospitable for a short time In two or three decades it may become comfortable With property in the Arctic having yet to be formalized the stakes are high World powers located thousands of miles from the Arctic Ocean are claiming their rights to a share of the common heritage of humanity In this book the author provides a comprehensive analysis of how economically successful states have sought to develop the planet's resources in the neutral spaces of the Arctic Ocean Other topics include the history of polar expeditions and discoveries the start of permafrost territories by pioneers the cultivation of relations with indigenous peoples the evolution of international Arctic law and the developing map of territorial and neutral waters Arctic highlights the stakes and why there will be plenty to argue about while also proposing solutions that could prevent a crisis

The Palgrave Handbook of Arctic Policy and Politics Ken S. Coates, Carin Holroyd, 2019-11-14 The Arctic has for some forty years been among the most innovative policy environments in the world The region has developed impressive systems for intra regional cooperation responded to the challenges of the rapid environmental change empowered and engaged with Indigenous peoples and dealt with the multiple challenges of natural resource development The Palgrave Handbook on Arctic Policy and Politics has drawn on scholars from many countries and academic disciplines to focus on the central theme of Arctic policy innovation The portrait that emerges from these chapters is of a complex fluid policy environment shaped by internal national and global dynamics and by a wide range of political legal economic and social transitions The Arctic is a complex place from a political perspective and is on the verge of becoming even more so Effective proactive and forward looking policy innovation will be required if the Far North is to be able to address its challenges and capitalize on its opportunities

Handbook on the Politics of Small States Godfrey Baldacchino, Anders Wivel, 2020-03-28 Comprehensive and timely this Handbook identifies the key characteristics

challenges and opportunities involved in the politics of small states across the globe today Acknowledging the historical legacies behind these states the chapters unpack the costs and benefits of different political models for small states

Survival October-November 2020: Pandemics and politics The International Institute for Strategic Studies (IISS), 2023-04-21 Survival the IISS's bimonthly journal challenges conventional wisdom and brings fresh often controversial perspectives on strategic issues of the moment In this issue Adam Roberts explores pandemics and politics through the ages arguing that trust in leadership is essential in the struggle against infectious diseases Rebecca Barber and Sarah Teitt contend that ASEAN should take a more activist approach to the Rohingya crisis to salvage its credibility Greg Austin assesses the strategic implications of China's weak cyber defences ystein Tunsj casts doubt on the prospect of the Arctic becoming a theatre of great power conflict And eight more thought provoking pieces as well as our regular book reviews and Noteworthy column

Critical Geopolitics of the Polar Regions Dorothea Wehrmann, 2018-11-13 Focusing on both Polar Regions this book provides a comprehensive understanding of political processes related to the rapidly changing Arctic and Antarctic where the environmental impacts of human activities are extremely visible Environmental changes in the Arctic and the Antarctic are increasingly seen as barometers of the global impact of human activities while newly arising economic opportunities in both Polar Regions prompt predictions that they will be the site of future conflicts This book maps and analyses the different actors involved in the politics of the Polar Regions to explain why similar patterns of interpretation of such major issues have become dominant in practical popular and formal geopolitical discourses Disentangling the politics the author illustrates how the ordering principles have evolved explains recent dynamics in political processes and provides the groundwork needed to better forecast future trends By focusing on the Americas the only continent that borders both Polar Regions the author shows how geographic proximity inspires interaction and cooperation among state and non state actors in very different ways This volume will be of interest to scholars and students of political science political geography international relations global governance and cultural studies It will have an international appeal particularly in the Americas and other countries with growing interests in the Polar Regions

Arctic Energy and Social Sustainability Hanna Lempinen, 2018-11-05 In recent years the Arctic has become the focus of political popular and scholarly debates around the future of our world's Energy Increasing consumption dwindling reserves climate warming and developing technologies are expected to push energy related activities ever further into the previously inaccessible north Within this framework energy in the Arctic is predominantly understood as synonymous with oil and gas production for international exports meanwhile any social sustainability concerns associated with energy related developments remain largely neglected or reduced to regional socioeconomic concerns Lempinen adopts an alternative approach exploring how energy and its societal aspects are defined and debated in the context of the circumpolar north Combining an in depth conceptual discussion on energy and the social dimension of sustainability with an empirical focus on the scientific and political truths produced about energy and society in

the Arctic energyscape this book is an enlightening read for students scholars and professionals interested in issues related to energy and society in the Arctic or beyond Historical Dictionary of Environmentalism Peter Dauvergne,2016-09-09 To capture the diversity within environmentalism this dictionary takes a global tack with a focus on ideas events institutions initiatives and green movements since the 1960s It strives to avoid a common error in many histories of environmentalism to exaggerate the input of the wealthy countries of Europe and North America and understate the influence of Africa Asia South and Central America and the Polar Regions It aims as well for a more comprehensive analysis than most histories of the modern environmental movement understanding environmentalism as emerging not only from grassroots and formal nongovernmental associations but also from corporate governmental and intergovernmental organizations and initiatives This assumes the ideas and energy infusing environmentalism with political purpose arise from hundreds of thousands of sources from corporate boardrooms to bureaucratic policies to international negotiations to activists Thus environmentalists are not only indigenous people blocking a logging road Greenpeace activists protesting a seal hunt or green candidates contesting an election an equal or larger number of environmentalists are working within the Japanese bureaucracy to implement environmental policies within the World Bank to assess the environmental impacts of loans within Wal Mart to green its purchasing practices or within intergovernmental forums to negotiate international environmental agreements This second edition of Historical Dictionary of Environmentalism contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries on important events issues organizations ideas and people shaping the direction of environmentalism worldwide This book is an excellent access point for students researchers and anyone wanting to know more about environmentalism Indigenous Peoples and Borders Sheryl Lightfoot,Elsa Stamatopoulou,2023-12-04 The legacies of borders are far reaching for Indigenous Peoples This collection offers new ways of understanding borders by departing from statist approaches to territoriality Bringing together the fields of border studies human rights international relations and Indigenous studies it features a wide range of voices from across academia public policy and civil society The contributors explore the profound and varying impacts of borders on Indigenous Peoples around the world and the ways borders are challenged and worked around From Bangladesh s colonially imposed militarized borders to resource extraction in the Russian Arctic and along the Colombia Ecuador border to the transportation of toxic pesticides from the United States to Mexico the chapters examine sovereignty power and obstructions to Indigenous rights and self determination as well as globalization and the economic impacts of borders Indigenous Peoples and Borders proposes future action that is informed by Indigenous Peoples voices needs and advocacy Contributors Tone Bleie Andrea Carmen Jacqueline Gillis Rauna Kuokkanen Elifuraha Laltaika Sheryl Lightfoot David Bruce MacDonald Toa Elisa Maldonado Ruiz Binalakshmi Bina Neptram Melissa Z Patel Manoel B do Prado Junior Hana Shams Ahmed Elsa Stamatopoulou Liubov Suliandziga Rodion Sulyandziga Yifat Susskind Erika M Yamada *Oceanic Histories* David Armitage,Alison Bashford,Sujit

Sivasundaram, 2017-12-07 *Oceanic Histories* is the first comprehensive account of world history focused not on the land but viewed through the 70% of the Earth's surface covered by water. Leading historians trace the history of the Indian Pacific and Atlantic Oceans and seas from the Arctic and the Baltic to the South China Sea and the Sea of Japan Korea's East Sea over the longue durée. Individual chapters trace the histories and the historiographies of the various oceanic regions with special attention given to the histories of circulation and particularity the links between human and non human history and the connections and comparisons between parts of the World Ocean. Showcasing oceanic history as a field with a long past and a vibrant future these authoritative surveys original arguments and guides to research make this volume an indispensable resource for students and scholars alike

The Routledge Handbook of Polar Law Yoshifumi Tanaka, Rachael Johnstone, Vibe Ulfbeck, 2023-07-25 Polar law describes the normative frameworks that govern the relationships between humans States Peoples institutions land and resources in the Arctic and the Antarctic. These two regions are superficially similar in terms of natural environmental conditions but the overarching frameworks that apply are fundamentally different. The Routledge Handbook of Polar Law explores the legal orders in the Arctic and Antarctic in a comparative perspective identifying similarities as well as differences. It points to a distinct discipline of Polar law as the body of rules governing actors spaces and institutions at the Poles. Four main features define the collection: the Arctic Antarctic interface the interaction between global regional and domestic legal regimes the rights of Indigenous Peoples and the increasing importance of private law. While these broad themes have been addressed to varying extents elsewhere the editors believe that this Handbook brings them together to create a comprehensive if never exhaustive account of what constitutes Polar law today. Leading scholars in public international and private law as well as experts in related fields come together to offer unique insights into polar law as a burgeoning discipline

Cold Waters Markku Lehtimäki, Arja Rosenholm, Elena Trubina, Nina Tynkkynen, 2022-11-01 This book addresses the Arctic and the northern regions by exploring cold waters and northern seascapes. It focuses on cultural discourses and artistic representations concerning the human experience and imagination of how the Arctic Ocean has been explored and used. It aims to assess what is specific to the northern waters vis-à-vis other sea and water areas in the world. The contextual background is provided by the fundamental shift from terra based thinking towards aqua based thinking including the histories of the northern waters and the innovative ocean studies of the last decades. This book will be of interest to readers in Arctic studies and Sea and Ocean studies including those with interests in literature history cultural and film studies anthropology and politics Environmental History and Cultural studies as well as in Russian studies. The book has been assembled with a view towards upper level undergraduate and post graduate students and scholars and will also be appropriate for courses in the fields mentioned above. The book will be of interest to specialists working in and with Arctic environmental issues. There is a broad array of international academic networks environmental governance and cultural associations outside academia whose members may also find the book of interest.

Handbook Of The Politics Of The Arctic Introduction

In the digital age, access to information has become easier than ever before. The ability to download Handbook Of The Politics Of The Arctic has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Handbook Of The Politics Of The Arctic has opened up a world of possibilities. Downloading Handbook Of The Politics Of The Arctic provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Handbook Of The Politics Of The Arctic has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Handbook Of The Politics Of The Arctic. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Handbook Of The Politics Of The Arctic. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Handbook Of The Politics Of The Arctic, users should also

consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Handbook Of The Politics Of The Arctic has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Handbook Of The Politics Of The Arctic Books

What is a Handbook Of The Politics Of The Arctic PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Handbook Of The Politics Of The Arctic PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Handbook Of The Politics Of The Arctic PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Handbook Of The Politics Of The Arctic PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Handbook Of The Politics Of The Arctic PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a

PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
