European Union Providing comprehensive content and combining theoretical and practical aspects it covers all of the major issues surrounding mutual recognition The book analyses its definition genesis principles case law implementation and evaluation Special attention is given to mutual recognition measures namely European arrest warrant i e surrender procedure mutual recognition of custodial sentences and measures involving deprivation of liberty mutual recognition of probation measures and alternative sanctions mutual recognition of financial penalties mutual recognition of confiscation orders the European supervision order in pre trial procedures i e mutual recognition of supervision measures as an alternative to provisional detention the European investigation order i e free movement of evidence and the European protection order i e mutual recognition of protection orders Instead of focusing solely on a criminal law approach the book also considers the subject from the perspectives of European Union law and International criminal law      **The EU Charter of Fundamental Rights** Steve Peers,Tamara Hervey,Jeff Kenner,Angela Ward,2021-11-18 this most thorough commentary must be regarded as the Bible on the Charter Peter Oliver Common Market Law Review This second edition of the first commentary of the EU Charter of Fundamental Rights in English written by experts from several EU Member States provides an authoritative but succinct statement of how the Charter impacts upon EU domestic and international law Following the conventional article by article approach each commentator offers an expert view of how each article is either already being interpreted in the courts or is likely to be interpreted Each commentary is referenced to the case law and is augmented with extensive references to further reading This is a much welcomed new edition of the authoritative guide to the Charter

**Proportionality of Criminal Penalties in EU Law** Lorenzo Grossio,Stefano Montaldo,Valsamis Mitsilegas,2025-02-06 This book develops a systematic analysis of the principle of proportionality of penalties in EU law Until now the principle has been mainly assessed from a criminological point of view By departing from existing literature the book advances an original EU law perspective on proportionality of penalties which underlies the analysis of its theorisation place and influence on domestic criminal systems Building upon this approach scholarly contributions in the book systematically delve into the various implications of the principle in EU law while paying particular attention to its profound interaction with criminal law concepts      *The Principle of Mutual Recognition in EU Law* Christine Janssens,2013-10-31 Examining the principle of mutual recognition in the EU legal order this book takes a cross policy approach to focus on the principle in the internal market and in the criminal justice area It asks whether the principle of mutual recognition as developed in relation to the free movement provisions internal market can equally be applied in judicial cooperation in criminal matters the area of freedom security and justice and if such a cross policy application is desirable Divided into three parts the book first looks at the way this principle functions in the internal market Part II examines how the principle works in judicial cooperation in criminal matters with the final part answering the book s central questions In each part further related questions are asked What is the object of the principle of mutual recognition Who are the main actors involved How does the mechanism of

mutual recognition operate with an emphasis on the existing limits to mutual recognition How does mutual recognition relate to harmonization and to mutual trust What is the relevance of equivalence requirements and the distribution of competence between the home issuing State and the host executing State What are the main characteristics of the principle of mutual recognition And is it a workable principle Through an in depth analysis of the relevant Treaty provisions EU legislation EU case law and EU policy documents the book comes to the conclusion that a cross policy application of the principle of mutual recognition is both feasible and desirable

*EU Justice and Home Affairs Law* Steve Peers, 2016 The aim to this series is to publish important and original studies of the various branches of EU law Each work provides a clear concise and critical exposition of the law in its social economics and political context at a level which will interest the advanced student the practitioner the academic and government and community officials Formerly the Oxford European Community Law Library Book jacket

**Crime, Criminal Law and Criminal Justice in Europe** Hans-Jörg Albrecht, André Klip, 2013-02-15 This unique collection of essays celebrates the twentieth anniversary of the seminal journal the European Journal of Crime Criminal Law and Criminal Justice as well as the outstanding and uninterrupted work over that period of its founding Editor in Chief Professor Cyrille Fijnaut The volume consists of a selection of some of the most ground breaking articles published over the past twenty years covering the three areas of focus of the journal problems of crime developments in criminal law and changes in criminal justice It thus explores such diverse issues as the problems of crime in Central and Eastern Europe after the disappearance of the Soviet Union and the collapse of Yugoslavia the allocation of criminal law power in the European Union police cooperation in the border areas of the Member States the criminalization of white collar crime the establishment of European police services and of a European Public Prosecutor's Office new forms of criminal justice cooperation between the Member States and many others The journal's unique multidisciplinary approach and its commitment to offer insights from a wide variety of European countries and language areas ensure that a varied range of perspectives are offered on the topics discussed The result is an enlightening and highly readable anthology shedding light on the extraordinary developments that have taken place in the area of crime and punishment in Europe

**The Needed Balances in EU Criminal Law** Chloé Brière, Anne Weyembergh, 2017-12-28 This important volume provides an up to date overview of the main questions currently discussed in the field of EU criminal law It makes a stimulating addition to literature in the field while offering its own distinctive features It takes a four part approach firstly it addresses issues of a constitutional nature such as the EU competence in the field of criminal law the importance of the principle of subsidiarity and the role played by the different EU institutions Secondly it looks at issues linked to the quest of the right balance between diversity and unity and focuses in particular on the special relationship between approximation and mutual recognition Thirdly it focuses on the balance between security and freedom or in other words between the shield and sword functions of EU criminal law Special attention is given here to transatlantic cooperation data protection terrorism the

European Arrest Warrant and the European Investigation Order Finally it examines the importance of balanced relations between criminal justice actors *The Oxford Handbook of Criminal Process* Darryl K. Brown, Jenia Iontcheva Turner, Bettina Weisser, 2019-02-22 The Oxford Handbook of Criminal Process surveys the topics and issues in the field of criminal process including the laws institutions and practices of the criminal justice administration The process begins with arrests or with crime investigation such as searches for evidence It continues through trial or some alternative form of adjudication such as plea bargaining that may lead to conviction and punishment and it includes post conviction events such as appeals and various procedures for addressing miscarriages of justice Across more than 40 chapters this Handbook provides a descriptive overview of the subject sufficient to serve as a durable reference source and more importantly to offer contemporary critical or analytical perspectives on those subjects by leading scholars in the field Topics covered include history procedure investigation prosecution evidence adjudication and appeal *The Development of Transnational Policing* John McDaniel, Karlie Stonard, David Cox, 2019-10-10 This book draws together the insights of eminent academics and specialists to present an overview of past and present approaches to transnational policing throughout the Anglophone world It aims to revitalize the study of transnational policing by showing that past and present developments in this field remain poorly understood while also suggesting future avenues of research Containing chapters on police history police accountability gendered hate crime in an increasingly online world counter radicalisation strategies being pursued around the world internet facilitated sex trafficking and changes in organised crime amongst others the authors adopt revisionist orthodox and progressive views in order to challenge our understanding and appreciation of developments in transnational policing All of the chapters in the book use policing models employed within the UK as either their focal point or as a point of comparison so that direct comparisons and contrasts can be examined The Development of Transnational Policing illustrates distinctive and separate aspects of what remains an undoubtedly complex and dynamic field but also forms an overview of developments and the dearth of academic research which surround them in order hopefully to inspire researchers policymakers and practitioners alike **EU Criminal Law** Valsamis Mitsilegas, 2009-03-16 EU Criminal Law is perhaps the fastest growing area of EU law It is also one of the most contested fields of EU action covering measures which have a significant impact on the protection of fundamental rights and the relationship between the individual and the State while at the same time presenting a challenge to State sovereignty in the field and potentially reconfiguring significantly the relationship between Member States and the EU The book will examine in detail the main aspects of EU criminal law in the light of these constitutional challenges These include the history and institutions of EU criminal law including the evolution of the third pillar and its relationship with EC law harmonisation in criminal law and procedure with emphasis on competence questions mutual recognition in criminal matters including the operation of the European Arrest Warrant and accompanying measures action by EU bodies facilitating police and judicial co operation in criminal matters such as Europol

Eurojust and OLAF the collection and exchange of personal data in particular via EU databases and co operation between law enforcement authorities and the external dimension of EU action in criminal matters including EU US counter terrorism co operation The analysis is forward looking taking into account the potential impact of the Lisbon Treaty on EU criminal law

**The Legal Regulation of Environmental Crime** Valsamis Mitsilegas, Elena Fasoli, Fabio Giuffrida, Malgosia Fitzmaurice, 2022-01-17 The Legal Regulation of Environmental Crime The International and European Dimension provides a comprehensive analysis of the international and EU legal regimes for tackling environmental crime The book includes an in depth analysis of the major international conventions as they relate to the regulation of environmental crime CITES Basel MARPOL and provides a holistic overview of the evolution and content of EU law in the field of environmental crime covering substantive criminal law harmonisation judicial cooperation and the role of EU criminal justice bodies and agencies Europol Eurojust and the EPPO in fighting environmental crime Further the book addresses key recent policy and legislative developments in the field and offers a timely contribution to legal reform in view of the publication of new proposals on legislation on environmental crime at EU level
