Handcuffs Kisses And Awkward Situations:

Handcuffs, Kisses and Awkward Situations Olivia Harvard, 2014-10-24 Nora Montgomery's primary goal was to remain seemingly unnoticed until graduation and that meant staying away from Ryder Collins. But when both she and Ryder are selected to participate in the local police department's handcuff demonstration they find themselves inescapably chained together. The tension between them is thick filled with unresolved issues from their past friendship. But things get a whole lot worse when the officer loses the key and the pair are forced to accommodate each other until a replacement is available. Being handcuffed to the opposite gender was sure to introduce some extremely uncomfortable situations. Things are about to get awkward right.
