

Hansel and Gretel overheard what their stepmother had said. They were very sad.

Hansel crept outside and found some white pebbles. They shone brightly in the moonlight. He filled his pockets with the pebbles and crept back inside.

Once upon a time, there lived 2 children called Hansel and Gretel. They lived with their father and stepmother in a house in the woods. Their father was a woodcutter.

Hansel and Gretel

The stepmother was very poor. He could no longer provide food for them. One night, his wife suggested that they take the children into the forest and leave them there.
