

Welcome to the Dear Mrs. Parks Enrichment List!
This item was designed to help strong students challenge themselves and expand their learning; it corresponds with Gregory J Reed's compilation of letters in Dear Mrs. Parks from the Harcourt Trophies anthology. In my classroom, I give high performing students the list when we start working with the story, and they use any downtime in or out of class to progress with whatever item is most interesting to them. They get a chance to earn extra credit while pursuing their interests, and they have more practice taking ownership of their learning! Enjoy!

Dear Mrs. Parks Enrichment

1. This selection is organized into questioning letters that are answered with real ideas. Think of a piece of wisdom that you have learned about what it's like to be a 4th grader. Write a letter of advice to a 4th grader telling them at least 3 things that are important to know as their 4th-grade year.
2. Research Dr. Martin Luther King, Jr., and create a flow diagram to compare and contrast his contribution to the Civil Rights movement with Rosa Parks.
3. Research the State of Alabama. Find the answer to these questions or any others that you'd like to investigate. What place is it called that's the average temperature (and snow/precipitation) there today? What's the capital? How many more are the answers? What kind of agricultural activities take place? What does their flag look like? How many African Americans are currently elected by a government of white the state?
4. Research the history of the Montgomery Bus boycott. How did this boycott help to create important change in Alabama? Would you have made this choice if you were a student in a northern state in 1955 who learned about what Rosa Parks had done?
5. Imagine that you were faced with a situation where you're someone badly or not nearly as badly as another kid. What strong positive ways could you think of to help what that situation? What kind of dialogue could you have with the person who was being unfair? Write a narrative story to tell what could happen.
6. Research Rachel Carson. Another strong woman whose contribution helped the United States to change the way it thought about dangerous pesticides. Design a project to show how Rachel Carson's contribution is similar to that of Rosa Parks.
7. List 10 character traits that you believe a hero should have. Create a diagram or poster to explain why a leader should have those characteristics.
8. Write each of these words on a piece of scratchboard paper. Create a word web to show how they are related, and think of 3 more related words for each and write the related words down in a different color(small potential inspire related usual matter dignity)
9. Rosa Parks thought that "you can never learn very much if you don't ask questions". Throughout your day, think of 20 questions that you have about the way your world works. They could be about what life is like for you at home, at school, even on the playground! At the end of the day, choose the most important questions and find an answer!
