

A painting depicting a Victorian-era street scene. In the background, a large brick factory with a tall chimney emitting smoke stands against a hazy, yellowish sky. The street is filled with people, including several women in the foreground. One woman in a red dress is bent over, possibly washing clothes. Another woman in a white dress is sitting on a bench, holding a bundle. A woman in a blue dress and white apron is standing, looking down. To the right, a woman in a white dress is standing near a building. The overall atmosphere is one of poverty and hardship, typical of the Industrial Revolution.
