**Handbook for Handguns: A Practical Guide to Ownership, Selection & Use** Charles Bruckerhoff, 2014-07-22 Handbook for Handguns provides insights and instructions about revolvers and pistols that will be of equally great interest for someone who is basically curious about handguns as well as beginning and more experienced shooters Bruckerhoff s thorough discussion begins with rights and liberties established by the Founding Fathers and includes an overview of federal and state laws pertaining to firearms history of firearms development gun safety rules modern revolvers and pistols ammunition ballistics live fire and safe storage It also contains full color photographs throughout the book that make details of handguns clear and useful

**Gun Control in the United States** Gregg Lee Carter, 2017-01-23 This up to date second edition work will stimulate and clarify readers thinking on the key issues surrounding guns in the United States especially on the debate over gun control Most public debate and discussion about guns in U S society is rarely guided by research not surprising as most individuals have a personal opinion on this highly inflammatory topic based on their upbringing or personal experiences Additionally most research about gun use in America is confusing and contradictory making it difficult for citizens to gain much from their attempts to investigate the topic objectively This book offers concise understandable coverage of all aspects of the issue including incidence of gun violence gun control gun rights government regulation legislation and court decisions gun organizations for gun control and for gun rights gun enthusiast subcultures for example hunters target shooters and collectors and U S attitudes toward guns Many of the covered topics are placed in historical and cross cultural perspective The new edition of Gun Control in the United States A Reference Handbook enables the reader to navigate and interpret the research to become sufficiently educated on any specific aspect of the gun issue to make an informed decision for example whether to support stricter or more lenient gun control whether to become a gun owner whether to support a particular political party or candidate or whether to develop or to refine a particular philosophy regarding guns Other aspects of the contemporary gun debate that are addressed include whether the Supreme Court s ruling that the Second Amendment guarantees an individual right will withstand future challenges whether the strong gun regulations used in Europe would be effective and applicable in reducing gun violence in

the United States and whether the diversity explosion created by the high rate of immigration from countries where guns are strictly controlled will soon change the politics of the U S gun control debate

**Survival Guns: A Beginner's Guide** Steve Markwith, 2014-08-18 Survival Guns A Beginner's Guide is the first firearms book in the Survival Guns series that covers building a basic firearm battery Steve Markwith will take the reader through the process of selecting and buying firearms and accessories via a planned process that meets your needs and budget Steve outlines some underlying principles to work toward the goal of building a coordinated battery beginning with just a short list of essential systems that constitute a baseline inventory The book's premise is built on starting with a clean slate While some readers may already own guns and pursue the tendency to weave what they already own into the mix those end results may be less than ideal Steve takes the reader through a logical approach to building a planned but practical collection that will suit a variety of needs While this book and Steve's similar manuals is written for beginning to intermediate users those familiar with firearms will also find the content of value The information contained within is detailed covering far more than just a firearm itself leaving the reader confident in his/her plan to acquire guns and accessories in a reasoned logical way *Exporters Directory/U.S. Buying Guide*, 1985

**Local Politics: A Practical Guide to Governing at the Grassroots** Terry Christensen, Tom Hogen-Esch, 2014-12-18 Unlike most competing texts that are densely written and heavily theoretical with little flavor of political life this book is a readable jargon free introduction to real life local politics for today's students While it encompasses local government and politics in cities and towns across America Local Politics A Practical Guide to Governing at the Grassroots gives special attention to the politics of suburbia where many students live and encourages them to become engaged in their own communities The book is also distinguished by its strong emphasis on nuts and bolts practical politics It provides focused discussion of institutions roles and personalities as well as the dynamic environment of local politics demographics immigration globalization etc and major policy issues budgets land use transportation education etc Other texts treat communities as abstractions and readers as passive observers Local Politics A Practical Guide to Governing at the Grassroots is designed to inspire civic engagement as well as understanding It features In Your Community research projects for students in every chapter along with informative tables clear charts essential terms and guides to useful websites

**The Theatrical Firearms Handbook** Kevin Inouye, 2014-05-30 The Theatrical Firearms Handbook is the essential guide to navigating the many decisions that are involved in the safe and effective use of firearm props for both the stage and screen This book establishes baseline safety protocol while empowering performers and designers to tell their story of conflict in a way that makes the most of both established convention and current tools of the trade Within these pages are practical instruction couched in the language of theatre and film making firearms technology and concepts approachable to dramatic artists without any dumbing down of the subject material It contains over 100 illustrations This handbook is equally at home within the worlds of academic training professional performance and independent or community theatre and video
