Hank Williams From Life To Legend:

Hank Williams Jerry Rivers,1980* The Hank Williams Reader Patrick Huber,Steve Goodson,David Anderson,2014-02

When Hank Williams died on New Year s Day 1953 at the age of twenty nine his passing appeared to bring an abrupt end to a saga of rags to riches success and anguished self destruction As it turned out however an equally gripping story was only just beginning as Williams s meteoric rise to stardom extraordinary musical achievements turbulent personal life and mysterious death all combined to make him an endlessly intriguing historical figure For more than sixty years an ever lengthening parade of journalists family and friends musical contemporaries biographers historians and scholars ordinary fans and novelists have attempted to capture in words the man the artist and the legend The Hank Williams Reader the first book of its kind devoted to this giant of American music collects more than sixty of the most compelling insightful and historically significant of these writings Among them are many pieces that have never been reprinted or that are published here for the first time The selections cover a broad assortment of themes and perspectives ranging from heartfelt reminiscences by Williams s relatives and shocking tabloid expos s to thoughtful meditations by fellow artists and penetrating essays by prominent scholars and critics Over time writers have sought to explain Williams in a variety of ways and in tracing these shifting interpretations this anthology chronicles his cultural transfiguration from star crossed hillbilly singer songwriter to enduring American icon The Hank Williams Reader also features a lengthy interpretive introduction and the most extensive bibliography of Williams related writings ever published *A Psychological Biography of Hiram "Hank" Williams* Paul R. Nail, Ph.D.,2024-04-09 Volume II picks up in 1943 44 right where Volume I left off with Hank s courtship and marriage to first wife Audrey Sheppard Guy Williams his rise to fame at the Louisiana Hayride 1948 49 and at the Grand Ole Opry 1949 50 before success began closing in on him by December 1950 Hank was only 27 years old at the time and no one knew that he had only two more years to live Despite Hank s growing alcoholism marital and health problems and eventual addiction to prescription drugs his last two years were perhaps the most productive and successful of his career A special feature of Volume II is that Dr Nail devotes an entire chapter to the art and craft of songwriting Here Nail provides what I believe is the most accurate and comprehensive analysis to date of the relative contributions of Hank and his publisher song editor Fred Rose to Hank s songs Like Volume I Volume II is a must read for anyone seeking greater understanding and insight into the short but fabulous life and career of the legendary Hank Williams I wholeheartedly recommend it Ed Guy noted Hank Williams expert **Hank Williams** George Koon,1983-07-12 Product information not available **The First Generation of Country Music Stars** David Dicaire,2015-01-27 This book focuses on 50 of the most important entertainers in the history of country music from its beginnings in the folk music of early America through the 1970s Divided into five distinct categories it discusses the pioneers who brought mountain music to mass audiences cowboys and radio stars who spread country music countrywide honky tonk and bluegrass musicians who differentiated country music during the 1940s the major

contributions that female artists made to the genre and the modern country sound which dominated the genre from the late 1950s to the mid 1980s Each entry includes a brief biography of the chosen artist with special emphasis on experiences which influenced their musical careers Covered musicians include Fiddlin John Carson Riley Puckett Gene Autry Roy Rogers Bob Wills Bill Monroe Hank Williams Sr Dale Evans June Carter Cash Loretta Lynn Buck Owens Roy Clark Willie Nelson and Merle Haggard

The Encyclopedia of Popular Music Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day [Sing a Sad Song; the Life of Hank Williams](#) Roger M. Williams,1970 *Stars of Country Music* Bill C. Malone,Judith McCulloh,1975 A collection of essays written in celebration of the fiftieth anniversary of the Grand Ole Opry that provides portraits of the personal lives and careers of nineteen country music stars with a chapter devoted to early pioneers such as Fiddlin John Carson and Carl T Sprague [Focus On: 100 Most Popular American Male Guitarists](#) Wikipedia contributors, **Popular Music** Roman Iwaschkin,2016-04-14 This is a comprehensive guide to popular music literature first published in 1986 Its main focus is on American and British works but it includes significant works from other countries making it truly international in scope
