Hossfeld,1877      *Insiders' French* Eleanor Levieux,Michel

Levieux,1999-04-07 If you had been living in France in the 1990s the language you would have heard on the radio and television or seen in the newspapers would be far removed from the French language of ten or twenty years ago The country and its language have changed tremendously in a relatively short period of time and as a result English speakers with a grounding in French can still find themselves struggling to understand terms commonly encountered in contemporary French society Luckily Eleanor and Michel Levieux now bring us up to date with their *Insiders French* an utterly entertaining and informative guide to the language of the new France This new France is a country poised to experience the European single currency but uncertain about being part of Europe It is hooked on fast food but ambivalent about the country where it originated France today has record unemployment and an increasingly controversial immigrant population Clearly given the rapidly changing conditions and lifestyles conventional French dictionaries alone cannot completely inform readers and visitors *Insiders French* offers a solution to the incomprehension a unique handbook in which you ll find the language of European union the space program abortion and women s rights high tech industries and health care among other topics Entries proceed by association of ideas and related terms with extensive cross referencing while still being alphabetized for easy reference like a standard dictionary Cartoons from major French journals add to your understanding and enjoyment *Insiders French* opens up the secret territory of French politics and culture that is often not understood by visitors or students and it does so with wit and verve qualities that remain in the French language despite its recent changes

*Lexicon of conversational French*, by A. Holloway assisted by H. Lefebvre, E. Champion, and H. Tréneri Alfred Holloway,1889     **A pocket dictionary of the French and English languages** Dictionaries. [French-English.],1853
