Cognitive-Behavioral Therapy for Sexual Dysfunction Michael Metz, Norman Epstein, Barry Mccarthy, 2017-11-13

Cognitive Behavioral Therapy for Sexual Dysfunction provides clinicians and graduate students with a comprehensive biopsychosocial model of useful practical empirically based strategies and techniques to address common sexual dysfunctions. It is the most comprehensive volume describing the couple cognitive behavioral approach to assessment, treatment, and relapse prevention of sexual dysfunction. The focus is on sexual desire and satisfaction with an emphasis on the Good Enough Sex (GES) model of sharing sexual pleasure rather than an individual perfect intercourse performance test. This title reflects the contributions of Mike Metz to the field of couple sex therapy.

Psychological and Medical Perspectives on Fertility Care and Sexual Health Kim Bergman, William D. Petok, 2021-10-21

Psychological and Medical Perspectives on Fertility Care and Sexual Health provides the necessary specialized training of sexual dysfunction and sex therapy to those in reproductive medicine. Understanding and knowledge about these sexual dysfunctions is needed for reproductive specialists to identify sexual problems, provide treatment if they are able, or make appropriate referrals and coordinate care for more specialized and specific needs as part of the patients' overall reproductive medical management. This must have reference explores the intimate interface of sexuality and fertility, male and female sexual function, cultural influences on women, Eastern medicine, and more. Provides the first of its kind book for clinicians that summarizes literature and interventions and brings together the current researchers and thinkers on this topic. Explores diverse populations typically left out, including lesbian, gay, bisexual, transgender individuals, women, and people of color. Presents a treatment dilemma for many health care providers: should one condition be treated before the other, or should concurrent services be offered? Identifies common sexual problems/dysfunctions presented by infertility patients. Describes interventions for these problems and identifies resources for appropriate treatment of sexual dysfunction.

Sexual Offender Treatment Geris Serran, 2005-12-13 The knowledge base on sexual offender treatment has become so extensive that following established paths is no longer the only way to expand understanding and improve the assessment and treatment of clients. Written by established and recognised experts, Sexual Offender Treatment: Controversial Issues explores only the most current, novel and controversial issues in the field of sexual offender treatment. This comprehensive text covers a wide range of issues such as recidivism, risk assessment, diagnostic problems, preparatory programs, psychopathy, and online sexuality. The contributors to this book are speculative and provocative yet base their controversial approaches on evidentiary findings. With fresh and alternative perspectives offered in each chapter, this volume aims to generate discussions and challenge the reader to reconsider their position on the issues. This innovative collection will appeal to all those working with sexual offenders in a range of capacities.

A Clinician's Guide to Systemic Sex Therapy Nancy Gambescia, Gerald R. Weeks, Katherine M. Hertlein, 2015-12-07 The second edition of A Clinician's Guide to Systemic Sex Therapy has been completely revised, updated, and expanded. This volume is written for beginning psychotherapy practitioners in order to guide them through the complexities of sex therapy and help them to be more efficient in their treatment. The authors offer a unique theoretical approach to understanding and treating sexual

problems from a systemic perspective incorporating the multifaceted perspectives of the individual client the couple the family and the other contextual factors Both beginning and experienced sex relationship therapists will broaden their perspectives with the Intersystem approach and gain information rarely seen in sex therapy texts such as how to thoroughly assess each sexual disorder the implementation of various treatment principles and techniques how to incorporate homework dealing with ethical dilemmas understanding different expressions of sexual behavior and addressing the impact of medical problems on sexuality Aside from bringing the diagnostic criteria up to date with the DSM 5 this new edition contains a new chapter on sensate focus an expanded section on assessment more information about development across the lifespan and more focus on diversity issues throughout the text Psychiatric and Mental Health Nursing Mary Chambers, 2017-04-07

This new edition of a bestselling evidence based textbook provides a comprehensive overview of psychiatric and mental health nursing Keeping service users and their recovery at the centre of care the holistic approach will help nurses to gain the tools and understanding required to work in this complex area Extensively updated for this new edition the text looks at Aspects of mental health nursing covering topics such as ethics developing therapeutic relationships and supervision The foundations of mental health nursing discussing diagnosis assessment and risk Caring for those experiencing mental health distress looking at wide range of troubles including anxiety bipolar disorder eating disorders and issues around sexuality and gender Care planning and approaches to therapeutic practice exploring ideas pathways and treatments such as recovery CBT psychodynamic therapies and psychopharmacology Services and support for those with mental health distress covering topics such as collaborative work involvement of service users and their families and carers and a range of different mental healthcare settings Mental health nursing in the twenty first century highlighting emerging and future trends including the political landscape physical health and health promotion and technological advances This accessible and comprehensive textbook integrates service user perspectives throughout and includes student friendly features such as learning outcomes key points summaries reflection points and further reading sections It is an essential resource for all mental health nursing students as well as an invaluable reference for practising nurses *Professional Sexual Misconduct in Institutions* Werner Tschan, 2013-10-01

Essential reading about a notoriously difficult problem how abusive professionals manipulate their clients and what we as organizations and individuals can do about it Professional sexual misconduct PSM is a problem that is notoriously difficult to address and that can be a minefield for all concerned for victims for the institutions where it takes place and also because outstanding and supposedly responsible members of society may be accused of abuse Here Werner Tschan one of the world's leading experts on the prevention of PSM outlines an up to date approach to PSM and other professional disruptive behaviors He describes practical ways to prevent PSM as well as effective treatments for victims and those accused Using examples from real life cases from around the world he also discusses how PSM is a societal problem and what we can do to stop it Recent headline cases involving a variety of organizations medical media church schools sport

industry show that institutions can be ideal environments for PSM and so great emphasis is placed in this volume on preventive measures that we can and must take at an institutional level With clear jargon free writing this book is essential reading for all professionals interested in preventing and dealing with PSM as well as of interest to victims and their families as well
