Fabozzi, CFA, 1998-02-15 U S investors are pouring billions of dollars into the international fixed income markets In Perspectives on International Fixed Income Investing an international cast of experts discusses proven strategies for investing successfully in these challenging markets Topics addressed include assessing credit risk managing currency volatility understanding local markets and maximizing yields Introduction to Fixed Income Analytics Frank J. Fabozzi, CFA, Steven V. Mann, 2001-05-15 The

expanding variety of fixed income vehicles in addition to their increasing intricacy has generated difficulties for finance managers and investors in determining accurate valuations and analyses Introduction to Fixed Income Analytics has proven to be today s most complete reference on the subject through its revolutionary insights into the time value of money and its techniques for estimating yield volatility as well as for analyzing valuations yield measures return risk and more

International Capital Markets, August 2001 Mr. Donald J. Mathieson, Mr. Garry J. Schinasi, 2001-08-22 This paper reports the on off nature of emerging market access to international capital markets appears to have become a key characteristic of international financial markets Emerging market borrowers have begun to adapt when the market for US dollar denominated bonds has closed these borrowers turn to the syndicated loan markets attempt to issue in bonds denominated in euro or yen or issue in local currency bond markets In addition they employ staff with extensive experience in investment banking and

securities trading exploit windows of opportunity to prefund their yearly financing requirement and engage in debt exchanges to extend the maturity of their debt and avoid a bunching of maturities The consolidation of financial institutions is driven by attempts to exploit economies of scale and scope and technological advances such as the Internet and deregulation that facilitate universal banking activities are making it easier to reap such economies Advances in technology are also transforming the securities trading industry **The Handbook of Stable Value Investments** Frank J.

Fabozzi,1998-07-15 Stable value investments can be a crucial aspect of any financial manager's portfolio decisions yet few books provide in depth coverage of issues concerning their management underwriting and pricing In *The Handbook of Stable Value Investments* Frank Fabozzi gives you the comprehensive specialized information on these investments that is available nowhere else *Bond Portfolio Management* Frank J.
