Hail Mary Corner Hail Mary Corner:

Hail Mary Corner Brian Payton, 2001-10-16 Taut compelling and remarkably assured Hail Mary Corner thrusts readers into unfamiliar territory past an emotional frontier we all must cross the uncertain ground between adolescence and adulthood High on a cliff above a pulp mill town on Vancouver Island sixteen year old Bill MacAvoy and his friends lead cloistered lives while other boys their age run free it may be the fall of 1982 but inside the walls of their Benedictine seminary they inhabit a medieval world steeped in ritual and discipline a place where blackrobed monks move like shadows between doubt and faith Isolated from the outside Bill and his friends develop a unique and often hilarious culture Schooled in the virtues of sacrifice and service they instead learn to challenge resist and wield power over one another's lives On the road to certain expulsion Bill discovers two secrets one concerns Brother Thomas the monk who watches his every move the other involves his best friend Jon In Bill's hands these secrets prove dangerous weapons Handled carelessly they trigger an event that threatens to haunt him for the rest of his life *The View from Tamischeira* Richard Cumyn, 2003-08-15 A disparate group of travellers is thrown together in the Caucasus Mountains Each has a quest and peering into one's own heart may be the most challenging prospect North of the Equator Cyril Dabydeen, 2001-10-16 Cyril Dabydeen's new collection of stories North of the Equator looks at the polarities of tropical and temperate places Acclaimed novelist Sam Selvon *The Lonely Londoners* says Dabydeen is in the vanguard of contemporary short story writers shuttling with equal and consummate skill from rural Guyana to metropolitan Canada Dabydeen's characters occupy the spaces in between They live in limbo stretched between two worlds one an adopted home in Canada the other a birthplace in the islands scattered across the equator *The Moor is Dark Beneath the Moon* David Watmough, 2002-11-15 Davey Bryant returns to England for the funeral of a mysterious relative and lands in an inheritance squabble that threatens to escalate into something far worse

Little Dark Corners Josh Samuel, 2002-05-31 Little Dark Corners is a southern gothic mystery set in a small town in Louisiana It's a tale about a young man who struggles to find God in the midst of a family torn by darkness *Time Between Trains* Anthony Bukoski, 2011-10-25 This collection stands as a lovely and bittersweet tribute to a small corner of America The Dallas Morning News In his fourth collection Anthony Bukoski brings to life once again the working class town of Superior Wisconsin telling thirteen well crafted and linked tales of its immigrant inhabitants These characters like the Jewish railroad track inspector in the exquisite title story occupy a definite place in the community and the only predicament several of them share is that they are impossibly in love Anthony Bukoski has published five short story collections including Twelve Below Zero New and Expanded Edition Holy Cow Press 2008 He lives near Superior Wisconsin Crossing the Threshold Hansen Highland, 2017-01-20 Crossing the Threshold A Healer Revealed is based upon a True Story Embarking on an adventure of a lifetime Elizabeth Warren is drawn into the depths of living a double life Her process of becoming an energy healer rocks her world and those around her Once a predictable wife mother and business owner Traditional down to her

very core But as time goes by her mentor and Guru by her side teaching and encouraging her natural abilities to talk to spirits and heal This is a story of nearly insurmountable obstacles thrown in her path Allowing fear to navigate and the need for others approval Liz cloaks herself in secrecy Nearly losing her husband children and her sanity until her worlds collide Torn between the beauty of healing and her old life Elizabeth is forced to face her destiny A journey that becomes a discovery of the treasure found within

Robert Saxton: Caritas Wyndham Thomas, 2017-09-29 Caritas relates the true yet largely undocumented story of Christine Carpenter a 14th century anchoress who moves towards insanity as her desire for a divine revelation continues to be unfulfilled after a period of three years locked in her cell Although physically isolated she is aware of the worldly life and love that she has abandoned The very essence of the drama is the dogmatic refusal of her Bishop to release her from her vows Set against the backcloth of the Peasants Uprising 1381 the libretto play juxtaposes sacred and secular worlds the relative power and servitude of rulers and serfs and the terrifying ordeal of Christine who is caught between the inflexibility of the established church and her personal religious expectations Such a narrative was to offer rich opportunities for musical characterization and evocation of the historical context of the action as well as substantial challenges in pacing and integrating the sequence of dramatic snap shots that culminate in a scene of total despair The colourful juxtaposition of secular life and that of a recluse in Act One culminates in a Second Act finale of immense dramatic power in which Saxton's vocal and instrumental writing reaches new heights a landmark both in his output and in late 20th century opera Caritas first performed in 1991 occupies an important position in Robert Saxton's output and as Thomas

argues in British opera during the closing decades of the 20th century Thomas provides a detailed contextual setting in which to evaluate Caritas as well as presenting an analytical commentary on the structure musical language instrumentation staging and production of the opera Thomas concludes with a reflection on the reception of Caritas as well as looking forward to Saxton's later and future works A downloadable resource of the first performance is included **Catalog of Copyright Entries** Library of Congress. Copyright Office,1964 **St. Mary's Chimes** ,1920 **Four Corners of Night** Craig Holden,1999 Bank Arbaugh a cop whose daughter has been missing for seven years and his partner Mark Steiner must find a missing teenage girl and before long the two cases intersect **Irish Monthly Magazine** ,1905 **The Ice Passage** Brian Payton,2010-09-21 A thrilling account of suffering and survival The Ice Passage charts an epic quest from desire to destiny It begins as a mission of mercy Four and a half years after the disappearance of Arctic explorer Sir John Franklin and his two ships HMS Investigator sets sail in search of them Instead of rescuing lost comrades the Investigator's officers and crew soon find themselves trapped in their own ordeal facing starvation madness and death on the unknown Polar Sea If only they can save themselves they will bring back news of perhaps the greatest maritime achievement of the age their discovery of the elusive Northwest Passage between Europe and the Orient In addition to their Great Success the Investigators are the first Europeans to contact the Inuit of the western Arctic archipelago and the first to record sustained observations of the local wildlife and climate But the cost of hubris ignorance daring and deceit is soon laid bare In the face of catastrophe a desperate rescue plan is made to send away the weakest men to meet their fate on the ice In a narrative rich with insight and grace Brian Payton reconstructs the final voyage of the Investigator and the trials of her officers and crew Drawing on long forgotten journals transcripts and correspondence some never before published Payton weaves an astonishing tale of endurance Along the way he vividly evokes an Arctic wilderness we now stand to lose *Spain* Baxley,1875 **Spain.
