Kansas George Frazier, 2017-02-16 Since the last wild bison found refuge on the back of a nickel the public image of natural
Kansas has progressed from Great American Desert to dust bowl to flyover country that has been landscaped fenced and
farmed But look a little harder George Frazier suggests and you can find the last places where tenacious stretches of prairie
forest and wetland cheat death and incubate the DNA of lost wild America Documenting three years spent roaming the state
in search of these hidden treasures The Last Wild Places of Kansas is Frazier s idiosyncratic and eye opening travelogue of
nature s secret holdouts in the Sunflower State These are places where extirpated mammalian species are making
comebacks where flying squirrels leap between centuries old trees lit by the unearthly green glow of foxfire where cold
springs feed ancient watercress pools where the ice moon paints the Smoky Hills with memories of the buffalo wolf and the
lonesome rattle of false indigo where the blue lid of the sky forms a vacuum seal over treeless pastel hills orange in winter
where bluestem rises Some are impossible to find on maps Most are magnificently bereft of anything beneficial to 99 9
percent of modern America True wildernesses they may not be but at the correct angle of light when the wind blows pollen
carrying biological memories of the glaciers these places are a crack between the worlds portals to the lost buffalo
wilderness En route Frazier takes us from the unexpected wilds of the Kansas City suburbs to the Cimarron National
Grassland in the far southwestern corner of the state He visits ancient springs shares a beer with prairie dog hunters and

fails in his mission to canoe the upper Marais des Cygnes a trip that requires permission from every landowner on the route
 Along the way we encounter a host of curious characters ranchers farmers Native Americans explorers wildlife experts and
 outdoor enthusiasts all fellow travelers in a quest to know preserve and share the last wild places of Kansas The Statutes:
